Slapshots The Stars From Mars:

The Stars from Mars Gordon Korman, 1999 School sportswriter Chipmunk Adelman knows he's got a scoop when he finds out that his hometown will play in the Waterloo Slapshot league. The Marsers have never had their own team but with an ex-NHL player for a coach they're headed for stardom. But the Stars are in for a big surprise when they hit the ice and suddenly realize they stink. They've got a defenseman who only skates backwards, a star player who wants to be on another team, and a coach who calls everything a whatchamacallit. If they don't get their game in gear soon they'll be booted from the league. This new series by veteran writer Gordon Korman will have kids cheering for the Marsers as they scramble to improve their game and stay in the league. All-Mars All-stars Gordon Korman, 1999 An exciting field trip to see an NHL hockey game turns into the opportunity of a lifetime when one of the teams can't show up due to food poisoning and the Mars School hockey team is asked to take its place. Original

Slapshots 1 Gordon Korman, 2010 Finally Mars has their own hockey team. But the Stars are in for a big surprise when they hit the ice at the community centre and suddenly realize they aren't that great. Will they ever get their act together? Refereeing Identity Michael Buma, 2012-03-09 Hockey novels in Canada have emerged and thrived as a popular fiction genre building on the mythology of Canadian hockey as a rough testosterone-fuelled bastion of masculinity. However, recent decades have also been a period of uncertainty and change for the game where players and teams have been exported to the US and traditional gender assumptions in hockey have increasingly been questioned. In Refereeing Identity Michael Buma examines the ways in which the hockey novel genre attempts to reassure readers that threatened traditional Canadian and masculine identities still thrive on the ice. In a period of perceived crisis and flux, hockey novels offer readers the comforting familiarity of earlier times when the game was synonymous with Canada and men were defined by their physical strength. This comprehensive study of Canadian hockey novels draws on history, sport, sociology, and literary criticism to challenge assumptions and stereotypes about identity. With the return of the Winnipeg Jets, refuelling hockey nationalism and the public debate over hockey violence intensifying, Refereeing Identity is a timely and incisive account of how the game is represented and misrepresented in Canadian society. web dec 24 2019 summary the dialectic of enlightenment is worth reading because and not despite the seeming absurdity of its central claim the history of humanity is one of regress rather than progress furthermore the culprit for this regress is the pride of modernity our increased ability to control and manipulate the external world
