

The background of the slide is a collage of historical artifacts. It features several metal slave badges, which are small, rectangular or square pieces of metal with various markings, including numbers and names. One badge in the foreground has the number '728' clearly visible. Another badge has the name 'J. H. H. H.' inscribed on it. There is also a larger, more complex metal piece that appears to be a slave-hire system card, with a small circular hole at the top and a rectangular slot at the bottom. The overall color palette is muted, with shades of brown, green, and grey, suggesting the aged and weathered nature of the original objects.

**Mother Emanuel** Kevin Sack, 2025-06-03 A sweeping history of one of the nation's most important African American churches and a profound story of courage and grace amid the fight for racial justice Few people beyond South Carolina's Lowcountry knew of Emanuel African Methodist Episcopal Church in Charleston Mother Emanuel before the night of June 17 2015 when a twenty one year old white supremacist walked into Bible study and slaughtered the church's charismatic pastor and eight worshippers Although the shooter had targeted Mother Emanuel the first AME church in the South to agitate racial strife he could not have anticipated the aftermath an outpouring of forgiveness from victims families and a reckoning with the divisions of caste that have afflicted Charleston and the South since the earliest days of European settlement In Mother Emanuel Pulitzer Prize winning journalist Kevin Sack explores the inspiring history that brought the church to that moment and the depth of the desecration committed in its fellowship hall It reveals how African Methodism was cultivated from the harshest American soil and how Black suffering shaped forgiveness into both a religious practice and

a survival tool Sack who has written about race in his native South for more than four decades uses the church's history to trace the long arc of Black life in the city where nearly half of enslaved Africans disembarked in North America and where the Civil War began Through the microcosm of one congregation he explores the development of a unique practice of Christianity from its daring breakaway from white churches in 1817 through the traumas of the Civil War and Reconstruction to its critical role in the Civil Rights Movement and beyond At its core *Mother Emanuel* is an epic account of perseverance not just of a congregation but of a people who withstood enslavement Jim Crow and all manner of violence with an unbending faith **Low Country Gullah Culture, Special Resource Study**, 2003 Freedoms Gained and Lost Adam H.

Domby, Simon Lewis, 2021-12-07 Reconstruction is one of the most complex overlooked and misunderstood periods of American history The thirteen essays in this volume address the multiple struggles to make good on President Abraham Lincoln's promise of a new birth of freedom in the years following the Civil War as well as the counter efforts including historiographical ones to undermine those struggles The forms these struggles took varied enormously extended geographically beyond the former Confederacy influenced political and racial thought internationally and remain open to contestation even today The fight to establish and maintain meaningful freedoms for America's Black population led to the apparently concrete and permanent legal form of the three key Reconstruction Amendments to the U.S. Constitution as well as the revised state constitutions but almost all of the latter were overturned by the end of the century and even the former are not necessarily out of jeopardy And it was not just the formerly enslaved who were gaining and losing freedoms Struggles over freedom citizenship and rights can be seen in a variety of venues At times gaining one freedom might endanger another How we remember Reconstruction and what we do with that memory continues to influence politics especially the politics of race in the contemporary United States Offering analysis of educational and professional expansion legal history armed resistance the fate of Black soldiers international diplomacy post 1865 and much more the essays collected here draw attention to some of the vital achievements of the Reconstruction period while reminding us that freedoms can be won but they can also be lost *All for Liberty* Jeff Strickland, Jeffery Glenn Strickland, 2021-12-16 The story of Nicholas Kelly an enslaved man who gave his life for liberty leading the Charleston workhouse slave rebellion *Race and Nation in the Age of Emancipations* Whitney Nell Stewart, John Garrison Marks, 2018-04-15 Over the long nineteenth century African descended peoples used the uncertainties and possibilities of emancipation to stake claims to freedom equality and citizenship In the process people of color transformed the contours of communities nations and the Atlantic World Although emancipation was an Atlantic event it has been studied most often in geographically isolated ways The justification for such local investigations rests in the notion that imperial and national contexts are essential to understanding slaving regimes Just as the experience of slavery differed throughout the Atlantic World so too did the experience of emancipation as enslaved people's paths to freedom varied depending on time and place With the essays in this volume historians contend that emancipation was not

something that simply happened to enslaved peoples but rather something in which they actively participated By viewing local experiences through an Atlantic framework the contributors reveal how emancipation was both a shared experience across national lines and one shaped by the particularities of a specific nation Their examination uncovers in detail the various techniques employed by people of African descent across the Atlantic World allowing a broader picture of their paths to freedom Contributors Ikuko Asaka Caree A Banton Celso Thomas Castilho Gad Heuman Martha S Jones Philip Kaisary John Garrison Marks Paul J Polgar James E Sanders Julie Saville Matthew Spooner Whitney Nell Stewart and Andrew N Wegmann
