Slavery Colonialism And Racism:

Slavery, Colonialism, and Racism ,1974 **Racist Trademarks** Malte Hinrichsen,2012 Since the beginning of commodity culture products have been marketed with images reflecting racist concepts of otherness Using the prominent examples of three companies Uncle Ben s Sarotti and Banania this book examines how racist trademark figures were established in the U S Germany and France and built on nation specific processes of racial stereotyping While it finds that the three figures mirror their national histories of slavery Orientalism and colonialism the book reveals that their paths through popular culture also followed strikingly similar patterns Conceived in an era of overt racism each symbol was challenged by social movements over the course of the 20th century and became increasingly marginalized in promotional activities In the early 2000s however all three figures were relaunched with supposedly new makeovers hitting once again at the heart of commodity culture and illustrating the subtle prevalence of racist stereotypes Series Racism Analysis Series A Studies Vol 3 **Slavery, Colonialism, and Racism** Sidney W.
