**The Slithers Buy a Boa** U. B. Gross, 1997 The sloppy Slither family decides to hire a hungry boa constrictor to clean up the leftover food in their dirty den but the snake is soon slowed down by the effort of digesting mouse lumps **Slither** Stephen S. Hall, 2025-04-22 In this important and pioneering The New York Times Book Review book a science writer reintroduces readers to The Snake encouraging our initial reaction to the slithery creature to be one of awe rather than disgust For millennia depictions of snakes as alternatively beautiful and menacing creatures have appeared in religious texts mythology poetry and beyond From the foundational deities of ancient Egypt to the reactions of squeamish children today it is a historically commonplace belief that snakes are devious dangerous and even evil But where there is hatred and fear there is also fascination and reverence How is it that creatures so despised and sinister so foreign of movement and ostensibly devoid of sociality and emotion have fired the imaginations of poets prophets and painters across time and cultures In Slither Stephen S Hall presents a naturalistic cultural ecological and scientific meditation on these loathed yet magnetic creatures In each chapter he explores a biological aspect of The Snake such as their cold blooded metabolism and venomous nature alongside their mythology artistic depictions and cultural veneration In doing so he explores not only what neurologically triggers our wary fascination with these limbless creatures but also how the current generation of snake scientists is using cutting edge technologies to discover new truths about these evolutionarily ancient creatures truths that may ultimately affect and enhance human health **Fun Gus Slimes the Bus** U. B. Gross, 1997 The slimy Nurse Gillette returns as the bug juice loving school bus driver who hijacks Gus s class and takes them on a joyride to the disgusting rot filled Crudd Caverns **The Slithers Buy a Boa** Carol Ellis, U. **Supernatural Stories (2 vols)** Paolo Santangelo, 2013-07-04 Although the preface says that the tales in this collection of supernatural stories should not be taken seriously and just aim to dispel boredom Zibuyu is a work with different reading levels which allows to uncover several deep trends taboos and fantasies of late imperial intellectual circles Disgust surprise and laughter are constantly evoked by continually attracting and repulsing the reader Yuan Mei's approach guides the reader to an adventure in the dangerous recesses of the self It is a sort of allegoric fantastic reflection on the relative and polyphonic essence of human beings the multiplicity of selves from psychological perception and a challenge to the traditional biographical and historical perspective for the unreliability of destiny Dreams madness delusions and other extreme cognitive and affective conditions abnormal events gods and spirits and the dark world of death lead to a reversal of perspective and destroy the Apollonian vision of the social centered Confucian orthodoxy With introduction translation and comments

them and the spiritually youthful Robin Williams I dedicate this story Tom Wilkerson Paul Russell Judy Orr I couldn't have done it without them
