Sloane Hardcover By Brannon Jim:

Encyclopedia of Adult Development Robert Kastenbaum,1993-10-01 Robert Kastenbaum creator of the award winning Encyclopedia of Death has now collected and edited a source of reliable information on adult development that is accessible to the general reader useable by professionals and perfect for those who are simply browsing This work is a fascinating and highly informative look at the milestones and ordeals the key issues and the concerns of American adults The book expands our understanding of adulthood through 105 articles written by more than 70 contributing specialists from the fields of psychology anthropology religion and sociology

Who Reads Ulysses? Julie Sloan Brannon,2013-10-28 Julie Sloan Brannon examines the Joyce Wars as a fascinating nexus of the conflicts between scholars and ordinary readers and one that illuminates the existence of ulysses and by extension Joyce as an example of Lyotard s differend an icon that exists simultaneously in two separate yet contradictory discourses each of which silences the other The Academic Joyce is radically different from the Public Joyce and yet neither could exist independently Tangled up in this conflicted space are the interests of the common reader a nebulously defined entity and the continuing controversies illustrate the strange relationship between academics readers and editors Who Reads Ulysses calls for us to look not only at questions of authorship raised by editorial theory but to look carefully at who reads ulysses and why they read it This volume provides fruitful ways to explore the subversive nature of text for readers both in and out of the academy
