Smart Boys Fast Girls:

Smart Boys & Fast Girls Stephanie Davis, 2005 The fourth book of a loosely linked funny and heartwarming series about four teenage friends who are learning how to deal with first dates first kisses and first loves A cross country runner is buddies with all the guys but what happens when she wants to be more than that Original *Growing Up Too Fast* Sylvia Rimm, 2006-08-22 A leading child psychologist draws on a wide reaching survey of American pre teens to reveal the earlier ages at which today s young people are being introduced to sex drugs and body image issues in a guide for parents on how to help young people address modern pressures By the author of See Jane Win Reprint Real Boys' Voices William Pollack, Todd Shuster, 2000-09-20 In my travels throughout this country I have discovered a glaring truth America s boys are absolutely desperate to talk about their lives says Dr William Pollack author of the bestseller Real Boys Now in Real Boys Voices Pollack lets us hear what boys today are saying even as he explores ways to get them to talk more openly with us Boys long to talk about the things that are hurting them their harassment from other boys their troubled relationships with their fathers their embarrassment around girls and confusion about sex their disconnection from and love for their parents the violence that haunts them at school and on the street their constant fear that they might not be as masculine as other boys In Real Boys Voices we hear verbatim what boys from big cities and small towns including Littleton Colorado have to say about violence drugs sports school parents love anger body image becoming a man and much much more Real Boys Voices takes us into the daily worlds of boys not only to show how society s outdated expectations force them to mask many of their true emotions but also to let us hear how boys themselves describe their isolation depression longing love and hope How can you get behind the mask of masculinity many boys wear How can you tell whether a bad boy is actually a sad boy and how do you spot the danger signals of depression How can you grow closer to the boy you love Pollack explores how to create safe spaces and engage in action talk how to listen so a boy will speak the truth about and be himself In the real boys voices here boys speak eloquently and truthfully about such topics as shame bullying and teasing the pressure to fit in addictions how they see the lives of the men they know the importance of their mothers and fathers their own spiritual and creative experiences friendships with other boys and with girls being gay and coping with divorce and other losses including the death of a friend or parent We also hear what boys from Columbine High School and other places say about fear and violence in their lives Full of insights from and about young and adolescent boys William Pollack s Real Boys Voices is an important illuminating and invaluable book for boys themselves and for all the people in their lives From Real Boys Voices Boys are supposed to shut up and take it to keep it all in Scotty from a small town in New England What I hate about this school is that I am being picked on in the halls and just about everywhere else Cody from a suburb in New England Sometimes people say there are two me s like I have a dual personality The public persona is not really who I am It s a tool to be who everyone wants me to be Raphael from a city in the West If you see abuse coming just walk out of the room or walk out of the house or go somewhere go to a

friend's house go for a walk take your dog for a run whatever Just try to get away from that situation before it actually explodes Paul from a suburb in the West Maybe a couple of times I used to bully some kids I haven't bullied anyone since the shooting I try to be nicer to people even if I don't like them John from Littleton Colorado

Real Boys' Voices William S. Pollack, Todd Shuster, 2001-05-01 What real boys have to say A lot of people use words like psycho or wacko to refer to people who are feeling glum or think they might want to take their own life I think these sorts of slang terms create further isolation in a teen and that's not what you want to do to a teen who already feels alone Alexander 18 from a small town in the South A guy is supposed to be strong tall and fast and have the qualities of an ideal athlete At the same time he's supposed to be smart He's expected to be nearly perfect Chandler 14 from a suburb in the Northwest What I hate about this school is that I am being picked on in the halls and just about everywhere else Cody 14 from a suburb in New England

In *Real Boys* Dr William Pollack explored the issues that most boys in our nation face today In this fascinating follow up bestseller Pollack goes right to the source boys ages 10 to 20 evoking the secret struggles and passions of America's adolescent males in their own words Their voices are searingly honest and eager to be heard revealing how society's outdated expectations force them to mask their feelings of isolation depression longing love and hope We hear from boys and young men in big cities and small towns including survivors of the Columbine High School massacre who share compelling extraordinarily candid stories about bullying drugs sports school parents sex love and much more Pollack also offers ways to start a dialog and illustrates through templates what to do in many situations This is an eye opening book for teenage boys and girls but with its insights and strategies for dealing with their issues especially invaluable for all the people in their lives

On The Fast Track Kimberly Quinn Smith, 2005-08 In *On The Fast Track* teens getting too much too soon in these rapidly changing and uncertain times and what parents can do to stay connected Kimberly Quinn Smith addresses the issues that teenagers are presently dealing with in relation to their world from middle school through the college years She offers strategies to help parents understand their teens and in a sense to grow with them Kimberly Quinn Smith interviews current experts in the fields of gender issues social psychology and clinical psychology as well as teens who are struggling with alcoholism and drug addiction depression social disorders and homosexuality She discusses the latest trend of tattoos and body piercing as well as the theory on the new moral shades of gray or moral relativity She discusses adolescent anger conflict resolution and the latest sexual epidemic sweeping our country the friends with benefits relationship In *On The Fast Track* there is a large focus on attachment issues and the apparent emotional disconnection that appears to be so prevalent in our society today Also by Kimberly Quinn Smith MA *Striving for the Purple Heart* mothers in the universal pursuit of honor
