Warren W. Wiersbe,2023-06-09 The Wiersbe Bible Commentary is a must have for believers wanting a deeper and practical resource for studying God s Word and includes The complete Old and New Testament Genesis to Revelation Section by section commentary Biblical charts Book introductions Extended notes References Dr Warren Wiersbe is one of the most beloved Bible teachers with over 40 years of pastoral experience His bestselling Bible Commentaries are one of the most trustworthy resources used by pastors Bible teachers and persons interested in knowing more about God s Word His easy to read and insightful explanations provide a comprehensive understanding of the Bible *The LORD's Service* Robert D. Macina,2019-06-26 Worship in the Old Testament has been frequently misunderstood Its rites and ceremonies are often perceived as legalistic works that were required by an angry God to gain his favor or avert his wrath But is that really what the Bible teaches To be sure the LORD did institute the divine service in the Old Testament with all of its laws rites and ceremonies Yet did God do this in order to be appeased or pleased by the ancient Israelites When the priests enacted the offerings and sacrifices at the sanctuary was it merely to do good works that God required but without meaning or purpose for his people Was worship in the Old Testament always what the people did for the LORD or did God do anything that was beneficial to the Israelites This book answers these questions and furthermore dispels the recurring misinterpretation of worship in the Old Testament The LORD established the divine service in the Pentateuch not to receive what he demanded from the people of ancient Israel but on the contrary to cleanse them from their sinful impurities sanctify them to share in his holiness and dwell among them with his blessing *Tanakh & Talmud* Various Authors,2023-12-16 The Tanakh Talmud is an essential collection of ancient Jewish texts that provide insights into the religious and ethical teachings of Judaism The Tanakh also known as the Hebrew Bible includes the Torah Prophets and Writings serving as a foundation for Jewish theology The Talmud a compilation of rabbinic teachings and discussions offers additional commentary and interpretations of Jewish laws and traditions This book blends narrative storytelling with legal analysis making it a valuable resource for

understanding Jewish literature and culture during antiquity By studying these texts readers gain a deeper understanding of the historical and spiritual significance of Judaism The Various Authors of the Tanakh Talmud were scholars and scribes who dedicated their lives to preserving and interpreting Jewish sacred texts They aimed to pass down the teachings of their ancestors and contribute to the ongoing dialogue surrounding Jewish law and ethics Their collective wisdom continues to influence Jewish thought and practice to this day I highly recommend the Tanakh Talmud to anyone interested in exploring the foundational texts of Judaism It provides valuable insights into the religious beliefs moral values and legal principles that have shaped Jewish communities for centuries
