The Stoner's Guide to the Ports and Harbours of the Northern Mediterranean Robert Pearce, 2025-04-25 So what s this book about then Well apart from ports and harbours it s a wild ride through the X rated reality of life in the superyacht industry Think of it as Below Deck but without the censors For nearly two decades I was immersed in this world I

sailed them raced them cleaned them lived on them partied on them and even built them It was a lifestyle of excess luxury debauchery and everything in between At one point my breakfast of champions was a cannabis joint a rum and coke and a line of cocaine But here s the thing about life at the top what goes up must come down And when I came down it wasn t just a stumble it was a resounding thump This is the unvarnished truth of it all and you re about to hear every outrageous gritty and utterly unbelievable detail

Community-based Maternity Care Geoffrey Marsh,Mary Renfrew,1998-10-22 This important book makes the case for placing maternity care in the community It has been written by a multidisciplinary group The first section considers the role and function of the participants in community based maternity care the woman the midwife and the GP The second section discusses four major contemporary issues the radically changing social background the economics of care audit and education of the carers Next the major clinical challenges in maternity care are tackled how to reduce the differences in morbidity and mortality which are associated with differences in age social class and ethnicity the care of disadvantaged groups prematurity and low birth weight and their prevention technology used in childbirth and the fetal

origins of adult disease Finally all aspects of the clinical care carried out by Gps and midwives are covered The editors hope that after reading this book midwives Gps and obstetricians should find the theory underpinning their work has been sharply defined and that their work will be more effective and evidence based The editors a GP and a midwife anticipate the resolution of the current tensions between midwife GP and obstetrician and look forward to a responsive effective and sensitive service for mothers and babies in the next millennium **The National Druggist** ,1928 **Tobacco** Iain

Gately,2018-09-01 A rich complex history Deeply engaging and witty Los Angeles Times Long before Columbus arrived in the New World tobacco was cultivated and enjoyed by the indigenous inhabitants of the Americas who used it for medicinal religious and social purposes But when Europeans began to colonize the American continents it became something else entirely a cultural touchstone of pleasure and success and a coveted commodity that would transform the world economy forever Iain Gately s Tobacco tells the epic story of an unusual plant and its unique relationship with the history of humanity from its obscure ancient beginnings through its rise to global prominence to its current embattled state today In a lively narrative Gately makes the case for the tobacco trade being the driving force behind the growth of the American colonies the foundation of Dutch trading empire the underpinning cause of the African slave trade and the financial basis for victory in the American Revolution Well researched and wide ranging Tobacco is a vivid and provocative look at the surprising roles this plant has played in the culture of the world Ambitious informative and perceptive Gately is an amusing writer which is a blessing The Washington Post Documents the resourcefulness with which human beings of every class religion race and continent have pursued the lethal leaf The New York Times Book Review *The Unforgotten Women of the Islamic State* Gina Vale,2024-09-11 The Unforgotten Women of the Islamic State explores the governance of the Islamic State IS terrorist organization through the lives and words of local Iraqi Syrian and Kurdish women While the roles and activities of foreign predominantly Western pro IS women have garnered significant attention the experiences and insights of local civilian populations have been largely overlooked Drawing on the testimonies of 63 local Sunni Muslim and Yazidi women Gina Vale exposes the group s intra gender stratified system of governance Eligibility for the group s protection security citizenship and entrance into the semi public sphere were not universal but required convergence with the gender norms of IS through permanent erasure or at least temporary disguise of certain markers of difference In some cases this was directed by a pre meditated divide and conquer strategy while in others it manifested as unregulated violence at the hands of individual group members including women The structure follows the trajectory of IS s increasing control over its citizens and captive populations its militarization of society imposition of law and order provision of goods and services and intervention in civilians private lives Analysis of diverse first hand accounts and the group s documentation reveals that the presence exclusion and victimization of local civilian women were necessary to the functioning and legitimation of IS s caliphate project and the supremacy of affiliated men and women As a fledgling proto state IS needed local Iraqi Syrian and Kurdish

women Though far from represented or protected they were by no means forgotten **While You Quit** Theodore Fenske, 2009-01-19 Smoking doesn't have to leave you at a dead end This unique book provides insight whether you are a current or past smoker on how to reduce your risk for heart attack and stroke before it's too late Rather than asking you to quit smoking Dr Fenske instead asks you to make changes in your life while you quit by focusing on how the cardiovascular system is susceptible to disease and how its healthy function can be optimized independent of smoking Humorous and informative While You Quit asks you to take a series of small intentional steps toward vascular health Armed with a state of the art perspective on vascular biology you follow Peter an overweight cigarette addicted patient as he takes these small strides You will see clearly how each improvement directly impacts his vital statistics just as they will for you even if quitting isn't on your road map yet **H.R. 969, the Airliner Cabin Air Quality Act of 1995** United States.
