Smugglers Paradise:

Smugglers and Smuggling Alpheus Hyatt Verrill, 1924 **Smugglers of the West** Rosemary Neering, 2011-12-15 Do you think the smuggling of drugs and people is a new phenomenon in Canada's west? Think again. Between the mid 19th and mid 20th centuries many daring smugglers carried contraband goods and people into western Canada across the US-Canada border or into BC from Asia. *Smugglers of the West* tells the dramatic tales of the bold criminals who smuggled Chinese immigrants, opium, liquor, and a host of commodities ranging from wool to live animals to tobacco. Among them are Boss Harris, the shadowy kingpin whose opium smuggling empire stretched from Victoria across North America, and King of the Smugglers Larry Kelly, who reputedly tied illegal Chinese immigrants to pig iron so they could be tossed overboard if American patrollers got too close. Rosemary Neering takes readers into a shadowy world where no item was too small and no risk too large for the men and women who carried goods and people clandestinely across the border. **Blood**

Brotherhoods John Dickie, 2014-04-22 *MAFIA CAMORRA NDRANGHETA* The Sicilian mafia, known as Cosa Nostra, is far from being Italy's only dangerous criminal fraternity. The country hosts two other major mafias: the camorra from Naples and from the poor and isolated region of Calabria, the mysterious ndrangheta, which has now risen to become the most powerful mob group active today. Since they emerged, the mafias have all corrupted Italy's institutions, drastically curtailed the life chances of its citizens, evaded justice, and set up their own self-interested meddling as an alternative to the courts. Yet each of these brotherhoods has its own methods, its own dark rituals, its own style of ferocity. Each is uniquely adapted to corrupt and exploit its own specific environment as it collaborates with, learns from, and goes to war with the other mafias. Today the shadow of organized crime hangs over a country racked by debt, political paralysis, and widespread corruption. The ndrangheta controls much of Europe's wholesale cocaine trade, and by some estimates 3 percent of Italy's total GDP. *Blood Brotherhoods* traces the origins of this national malaise back to Italy's roots as a united country in the nineteenth century and shows how political violence incubated underworld sects among the lemon groves of Palermo, the fetid slums of Naples, and the harsh mountain villages of Calabria. *Blood Brotherhoods* is a book of breathtaking ambition, tracing for the first time the interlocking story of all three mafias from their origins to the present day. John Dickie is recognized in Italy as one of the foremost historians of organized crime. In these pages he blends archival detective work, passionate narrative, and shrewd analysis to bring a unique criminal ecosystem and the three terrifying criminal brotherhoods that have evolved within it to life on the page. **The Sands of Intrigue** Pasquale De Marco, 2025-05-08 *The Sands of Intrigue* is a comprehensive and fascinating exploration of the history, culture, and strategic importance of the Khyber Pass, a narrow and treacherous mountain pass located on the border between Pakistan and Afghanistan. From its earliest days as a trade route to its role as a strategic battleground in the 21st century, the Khyber Pass has witnessed the rise and fall of empires, the clash of cultures, and the ebb and flow of trade and conflict. This book delves into the rich tapestry of the Khyber Pass from the legendary King

of the Khyber Rifles Colonel Reginald King to the enigmatic Lady of the Pass Yasmini Khan Readers will journey through the political intrigue the tribal conflicts and the military campaigns that have played out in this rugged and unforgiving landscape The book also examines the Khyber Pass s role in the Great Game the strategic rivalry between the British and Russian empires in the 19th century and its importance in the First and Second World Wars In addition to its historical significance the Khyber Pass is also a cultural crossroads where different cultures and religions have clashed and mingled The book explores the unique traditions and customs of the Pashtun tribes who inhabit the region as well as the influence of Islam and other religions on the Khyber Pass The Sands of Intrigue also looks at the challenges and opportunities that the Khyber Pass faces in the 21st century The region is a key transit route for trade and commerce but it is also a flashpoint for conflict and instability The book examines the efforts to develop the Khyber Pass region and improve the lives of its people while also addressing the challenges posed by terrorism and extremism The Sands of Intrigue is an essential resource for anyone interested in the history culture and strategic importance of the Khyber Pass It is a comprehensive and well researched book that provides a unique insight into this fascinating and complex region If you like this book write a review on google books
