Scott B. Williams

Smugglers Cove:

Exploring Coastal Mississippi Scott B. Williams, 2004 Mississippi's barrier islands claim some of the most remote and unspoiled sites along the Gulf of Mexico. The distance of East and West Ship Island, Horn Island, Cat Island and Petit Bois Island from the mainland has sheltered them from extensive development. The inclusion of all in the roster of protected places in the Gulf Islands National Seashore Act has assured that they will remain close to their natural state long into the future. For those who love the seashore, the Mississippi Gulf Coast is an ideal place for adventure. The wilderness islands, the back bays and coastal rivers and the Gulf of Mexico itself offer pleasure for boaters and nature lovers. This book will guide them to special places in these relatively shallow waters. Filled with detailed descriptions of many alluring settings along with directions for navigation to secluded coves and coastal bayous, this book gives tips and pointers for a wide range of boaters, whether their preferred craft is a canoe, a sea kayak or a luxury yacht. What are the best and safest routes? What are the weather patterns? How does one select the perfect craft? Here from an expert who has explored the coastal waters during a period of fifteen years are the answers, rich in anecdotes along with information on charter boats, excursion boats and other options for exploring and fishing. Scott B. Williams has been exploring Mississippi's marine waters and islands for more than fifteen years in sea kayaks and a variety of sailboats and has published numerous articles in *Sea Kayaker*. Williams builds wooden boats and does custom yacht and residential woodwork, dividing his time between Biloxi and Brandon, Mississippi. More information is available at his website at www.scottbwilliams.com. *Baja Legends* Greg Niemann, 2002 The author of *Baja Fever* shares his extensive knowledge of the peninsula, its colorful past and booming present in this fascinating reference book. History, lore and amazing stories make it a must have for Bajaphiles as well as armchair travelers.

Shipwrecks, Smugglers and Maritime Mysteries Eugene D. Wheeler, Robert E. Kallman, 1994-04 Colourful stories of adventure at sea. **Mystery of Smugglers Cove** Franklin Dixon, 1988 Originally published New York: Simon Schuster, c1980. *Ocean View Terrace and the Blue Pirate Eater* Greg Weston, 2008-04 There was a time when Emily and many of her friends would wake up at midnight and explore the secret passageways which ran under their street, Ocean View Terrace, but not anymore. Those days are gone and the passageways closed or so Emily thinks. But when her dad receives a strange painting for his birthday, they discover that this is the key to get back in. What they don't realise is that they are being called back for a very special and very dangerous mission. They are about to face the pirates, they are under the evil eye of their suspicious teacher, Miss Robinson, the police are even after them. They are about to discover the secret of just why the passageways are there. And there are some very strange things appearing in Dad's back garden. *The Secret of Smugglers Cove* Nadine Jackson-Crocker, 2023-05-16 The end of the school year had come at last. The teachers, breathing a grateful sigh of thanks, had almost completed the tidying up and were getting ready to leave, having already dismissed their charges into the care of their loving parents. Only one child remained. A small, sturdy little chap with deep brown eyes and sandy
