The Birthday Party Mystery Fran Manushkin,2022

A Mystery of Mysteries Mark Dawidziak,2023-02-14 An Agatha Edgar Anthony Macavity and Ohioana Award nominee A Mystery of Mysteries is a brilliant biography of Edgar Allan Poe that examines the renowned author s life through the prism of his mysterious death and its many possible causes It is a moment shrouded in horror and mystery Edgar Allan Poe died on October 7 1849 at just forty in a painful utterly bizarre manner that would not have been out of place in one of his own tales of terror What was the cause of his untimely death and what happened to him during the three missing days before he was found delirious and in great distress on the streets of Baltimore wearing ill fitting clothes that were not his own Mystery and horror Poe who remains one of the most iconic of American writers died under haunting circumstances that reflect the two literary genres he took to new heights Over the years there has been a staggering amount of speculation about the cause of death from rabies and syphilis to suicide

alcoholism and even murder But many of these theories are formed on the basis of the caricature we have come to associate with Poe the gloomy eyed grandfather of Goth hunched over a writing desk with a raven perched on one shoulder drunkenly scribbling his chilling masterpieces By debunking the myths of how he lived we come closer to understanding the real Poe and uncovering the truth behind his mysterious death as a new theory emerges that could prove the cause of Poe s death was haunting him all his life In a compelling dual timeline narrative alternating between Poe s increasingly desperate last months and his brief but impactful life Mark Dawidziak sheds new light on the enigmatic master of macabre **Solve the Mystery**

Gladie is nervous about her upcoming vacation with hottie police chief Spencer Bolton. She's never flown before and she's not looking forward to the experience. Her fear is heightened when a plane crashes into the house across the street. But there's little time to think about it because their town is hosting a law enforcement conference where Southern California's finest are coming to discuss law and order. Everything is going to plan. Spencer is hailed as a great police chief and Gladie is fixing up half of the town until one of the guests, a famous police czar, drops dead. Now everyone is a suspect and Gladie is being prevented from investigating the death by the new police detective on the force, a hottie female cop who thinks Gladie is enemy #1 and Spencer is marriage material. It Happened One Fright: Spencer might have marriage on his mind, but Gladie is distracted by her best friend's troubles and a busy matchmaking month. The father of Bridget's baby is threatening to take custody away from her, and when he winds up murdered, Bridget becomes the top suspect. Now Gladie must juggle her own love life, her matchmaking, and proving that Bridget is innocent, not to mention dealing with the town's attempt to break the world record for the largest Easter egg hunt. But poking around is dangerous, and Gladie could be next on the killer's hit list. The Big Kill: Progress is being made on Gladie's house and her impending wedding. Meanwhile, her best friend Bridget is ready to give birth. But all of that takes a backseat to Gladie's discovery in her grandmother's attic about her father. It looks like her father's motorcycle accident, when she was a child, was no accident, and now Gladie is thrust into her father's world where his best friends could have been his murderers. Will Gladie find the killer before she's next? It's a Wonderful Knife: It's wedding time in Cannes. Gladie's wedding. But once again, love has to take a backseat to murder. Will Gladie's wedding go off without a hitch? Ha! Just kidding. Enjoy the mayhem as Gladie and Spencer finally say their vows and realize their happily ever after. Ship of Ghouls: Gladie and Spencer are finally married. After they're gifted a honeymoon cruise, they're on their way into international waters. But the ship is less than luxurious, and the ship's crew isn't what they seem. When Gladie stumbles on a dead body, the newlyweds are thrust into a life-or-death mystery. Gladie's gift could come in handy to find the killer, but she might find herself overboard before justice is served. Road to Matchmaker: A month before Gladie Burger moves to the small town of Cannes, California, to help in her grandmother's matchmaking business, she's busy moving from one temporary job to the next. Living in Los Angeles in a studio apartment over an Italian restaurant, she works in a used book store doing inventory, but she spends most of her time reading the collection of old murder mysteries. After an accident involving the books, Gladie has lost her memory and believes she's the detective in the last book that she read.
