## **Some Christian Students Of The Kabbalah:**

Jewish Influence on Christian Reform Movements Louis Israel Newman, 1925      **Jewish Influence in Christian Reform Movements** Louis Newman, 2016-05-27 In his work Rabbi Newman documents the struggle between Christianity and Judaism The Rabbi also includes information on Jewish Influence in fomenting the Protestant revolt against the Catholic Church which led to the freeing of Jews from Church strictures and mainstreaming them into the political and social life of Christendom particularly in Protestant countries Newman even takes up the topic of Jewish influence in Puritan New England All in all this is an important book for those wishing to understand the mutual antipathies which have beset Christians and Jews      **Judaizing Christianity and Christian Zionism in Northern Ireland** Véronique Altglas, 2025-04-22 This book explores the contemporary Judaization of evangelical Christianity through the ethnography of a Messianic congregation in Northern Ireland A constellation of Messianic congregations have expanded worldwide over recent years combining Jewish liturgy symbols and artifacts with prophecies about the End Times and the return of Jesus Increasingly recognized as a legitimate subdivision within evangelicalism the Messianic movement has facilitated a popularization of Jewish practices and symbolism beyond its own congregations The author considers What insights do these congregations offer about the deregulation of religions Is there any logic to the combinations of Christian and Jewish sources in Messianic beliefs and practices How can we understand this fascination with Jews and Judaism Finally what is the political significance of Messianic relationship with Jewish people the state of Israel and Christian Zionism The book will be of particular interest to scholars of the sociology and anthropology of religion religion and politics and Jewish Christian relations      **Some Christian Students of the Holy Kabbalah** Arthur Edward Waite, 2005-12-01 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work      Invoking Angels Claire Fanger, 2012-02-01 A collection of essays examining medieval and early modern texts aimed at performing magic or receiving illumination via the mediation of angels Includes discussion of Jewish Christian and Muslim texts Provided by publisher      **Constructing Tradition** Andreas Kilcher, 2010-10-05 This volume of conference proceedings investigates the various ways and patterns with which esoteric writings and groups establish their own tradition This involves concepts of origin and memory ways of legitimising esoteric tradition as well as techniques and practices of knowledge transmission in esotericism      *Evangelical Dictionary of Theology (Baker Reference Library)* Walter A. Elwell, 2001-05-01 Fifteen years after its original publication comes a thoroughly revised edition of the Evangelical Dictionary of Theology Every article from the original edition has been revisited With some articles being removed others revised and many new articles added the result is a completely new dictionary covering systematic historical and philosophical theology

as well as theological ethics      **Contemplative Literature** Louis Komjathy, 2015-08-31 An anthology of primary texts on meditation and contemplative prayer from a wide range of religious traditions This is the first theoretically informed and historically accurate comparative anthology of primary texts on meditation and contemplative prayer Written by international experts on the respective texts and corresponding traditions Contemplative Literature provides introductions to and primary sources on contemplative practice from various religious traditions The contributors explore classical Daoist apophatic meditation Quaker silent prayer Jewish Kabbalah Southern Buddhist meditation Sufi contemplation Eastern Orthodox prayer Pure Land Buddhist visualization Hindu classical Yoga Dominican Catholic prayer Daoist internal alchemy and modern therapeutic meditation Each introduction to a contemplative text discusses its historical context the associated religious tradition and literature the method of contemplative practice and the text's legacy and influence Volume editor Louis Komjathy opens the work with a thoughtful consideration of interpretive issues in the emerging interdisciplinary field of contemplative studies Readers will gain not only a nuanced understanding of important works of contemplative literature but also resources for understanding contemplative practice and contemplative experience from a comparative and cross cultural perspective We have not seen anything this bold and this global since Friedrich Heiler wrote his classic study on the typology of prayer over eighty years ago Komjathy and his essayists have vastly expanded the scope depth and sophistication of this project here In the process they have struggled with all of the critical questions around religious pluralism tradition and religious authority and have emboldened the comparative project itself Contemplation and comparison it turns out go very well together Jeffrey J Kripal author of Comparing Religions Coming to Terms Teachers and scholars undergraduate and graduate students and general readers interested in contemplative practice will cherish a book like this I'm happy that Louis Komjathy has done this great work It will undoubtedly be hailed as a milestone Ruben L F Habito author of Healing Breath Zen for Christians and Buddhists in a Wounded World      **Studies on Western Esotericism in Central and Eastern**

**Europe** Nemanja Radulović, Karolina Maria Hess, 2019-06-01 These papers examine how occult and esoteric themes appear in visual and verbal media connecting to intellectual history literature the arts present day pop culture and religious practices The topics range from the witchcraft motives in the love poetry of the 15th century Humanist poet Conrad Celtis through the activities of Polish and Russian theosophists Croatian Greek Polish painters of the spiritual the philosophy of wine by the Hungarian esoteric philosopher Béla Hamvas to contemporary Serbian magic and neo shamanism Two studies touch upon the influence of Freemasonry and the Kabbalah in Western esotericism and although these are not specifically Central European topics they provide parallel perspectives to what the other papers of the collection are investigating

**Johann Wilhelm and Johanna Eleonora Petersen's Eschatology in Context** Elisa Bellucci, 2022-10-10 Although the Petersens name is quite known among specialists of Pietism their work their ideas and the development of their thought remain mostly unresearched Elisa Bellucci aims to shed more light on their works analysing and interpreting them in

relationship to the theological and socio political context In so doing she fills some gaps present in the research on these authors firstly she analyses the positions presented in the Petersens work until 1703 at length secondly she tries to unearth sources and influences thirdly she seeks to comment on the Petersens ideas and positions in relationship to the historical context The result is an entangled picture which questions the traditional distinction between church Pietism and radical Pietism orthodoxy and radicalism separatism showing instead that these categories are sometimes too narrow to describe the position of certain authors such as the Petersens

John Dee: Interdisciplinary Studies in English Renaissance Thought Stephen Clucas, 2006-06-18 Intellectual History and the Identity of John Dee In April 1995 at Birkbeck College University of London an interdisciplinary colloquium was held so that scholars from diverse fields and areas of expertise could exchange views on the life and work of John Dee Working in a variety of fields intellectual history history of navigation history of medicine history of science history of mathematics bibliography and manuscript studies we had all been drawn to Dee by particular aspects of his work and participating in the colloquium was to confront other narratives about Dee's career an experience which was both bewildering and instructive Perhaps more than any other intellectual figure of the English Renaissance Dee has been fragmented and dispersed across numerous disciplines and the various attempts to reintegrate his multiplied image by reference to a particular world view or philosophical outlook have failed to bring him into focus This volume records the diversity of scholarly approaches to John Dee which have emerged since the synthetic accounts of I R F Calder Frances Yates and Peter French If these approaches have not succeeded in resolving the problematic multiplicity of Dee's activities they will at least deepen our understanding of specific and local areas of his intellectual life and render them more historiographically legible

**Hermes Explains** Wouter Hanegraaff, Peter Forshaw, Marco Pasi, 2025-10-01 Few fields of academic research are surrounded by so many misunderstandings and misconceptions as the study of Western esotericism For twenty years now the Centre for History of Hermetic Philosophy and Related Currents University of Amsterdam has been at the forefront of international scholarship in this domain This anniversary volume seeks

to make the modern study of Western esotericism known beyond specialist circles while addressing a range of misconceptions biases and prejudices that still tend to surround it Thirty major scholars in the field respond to questions about a wide range of unfamiliar ideas traditions practices problems and personalities that are central to this area of research By challenging many taken for granted assumptions about religion science philosophy and the arts this volume demonstrates why the academic study of esotericism leads us to reconsider much that we thought we knew about the story of Western culture

**Jewish Magic and Superstition** Joshua Trachtenberg, 2012-10-08 Alongside the formal development of Judaism from the eleventh through the sixteenth centuries a robust Jewish folk religion flourished ideas and practices that never met with wholehearted approval by religious leaders yet enjoyed such wide popularity that they could not be altogether excluded from the religion According to Joshua Trachtenberg it is not possible truly to understand the experience and history of the Jewish people without attempting to recover their folklife and beliefs from centuries past Jewish Magic and Superstition is a masterful and utterly fascinating exploration of religious forms that have all but disappeared yet persist in the imagination The volume begins with legends of Jewish sorcery and proceeds to discuss beliefs about the evil eye spirits of the dead powers of good the famous legend of the golem procedures for casting spells the use of gems and amulets how to battle spirits the ritual of circumcision herbal folk remedies fortune telling astrology and the interpretation of dreams First published more than sixty years ago Trachtenberg's study remains the foundational scholarship on magical practices in the Jewish world and offers an understanding of folk beliefs that expressed most eloquently the everyday religion of the Jewish people

**The Cambridge Companion to Medieval Jewish Philosophy** Daniel H. Frank, Oliver Leaman, 2003-09-11 From the ninth to the fifteenth centuries Jewish thinkers living in Islamic and Christian lands philosophized about Judaism Influenced first by Islamic theological speculation and the great philosophers of classical antiquity and then in the late medieval period by Christian Scholasticism Jewish philosophers and scientists reflected on the nature of language about God the scope and limits of human understanding the eternity or createdness of the world prophecy and divine providence the possibility of human freedom and the relationship between divine and human law Though many viewed philosophy as a dangerous threat others incorporated it into their understanding of what it is to be a Jew This Companion presents all the major Jewish thinkers of the period the philosophical and non philosophical contexts of their thought and the interactions between Jewish and non Jewish philosophers It is a comprehensive introduction to a vital period of Jewish intellectual history

**History Of Judaism Vol 2 Pap** Margery Hutter Silver, 1976-10-05 **Jewish Culture in Early Modern Europe** Richard I. Cohen, Natalie B. Dohrmann, Elchanan Reiner, Adam Shear, 2014-12-31 David B Ruderman's groundbreaking studies of Jewish intellectuals as they engaged with Renaissance humanism the Scientific Revolution and the Enlightenment have set the agenda for a distinctive historiographical approach to Jewish culture in early modern Europe from 1500 to 1800 From his initial studies of Italy to his later work on eighteenth century English German and Polish Jews Ruderman has

emphasized the individual as a representative or exemplary figure through whose life and career the problems of a period and cultural context are revealed Thirty one leading scholars celebrate Ruderman s stellar career in essays that bring new insight into Jewish culture as it is intertwined in Jewish European Ottoman and American history The volume presents probing historical snapshots that advance refine and challenge how we understand the early modern period and spark further inquiry Key elements explored include those inspired by Ruderman s own work the role of print the significance of networks and mobility among Jewish intellectuals the value of extraordinary individuals who absorbed and translated so called external traditions into a Jewish idiom and the interaction between cultures through texts and personal encounters of Jewish and Christian intellectuals While these elements can be found in earlier periods of Jewish history Ruderman and his colleagues point to an intensification of mobility the dissemination of knowledge and the blurring of boundaries in the early modern period These studies present a rich and nuanced portrait of a Jewish culture that is both a contributing member and a product of early modern Europe and the Ottoman Empire As director of the Herbert D Katz Center for Advanced Judaic Studies at the University of Pennsylvania Ruderman has fostered a community of scholars from Europe North America and Israel who work in the widest range of areas that touch on Jewish culture He has worked to make Jewish studies an essential element of mainstream humanities The essays in this volume are a testament to the haven he has fostered for scholars which has and continues to generate important works of scholarship across the entire spectrum of Jewish history

*The ^APeace and Violence of Judaism* Robert Eisen,2011-02-09 Robert Eisen provides the first comprehensive analysis of Jewish views on peace and violence demonstrating that Judaism has exhibited ambiguity on this theme throughout its history and exploring why that ambiguity exists This study will be of interest not only to students of Judaism but to students of all religious traditions

**Western Esotericism and the Science of Religion** International Association for the History of Religions. Congress,International Association for the History of Religions,1998 This volume is based upon papers read during the innovative section Western Esotericism and the Science of Religion organized at the 17th International Congress of the International Association for the History of Religions IAHR in Mexico City August 5 12 1995 The section was created in order to fill a long standing hiatus in the academic study of religions whereas phenomena such as gnosticism and hermetism in antiquity and even the occult sciences of that period have long been recognized as subjects worthy of serious investigation the history of similar and related phenomena in more recent periods has hardly received the same measure of scholarly attention and recognition The present volume is devoted to the academic emancipation of these areas as constituting a legitimate domain of research which may be referred to by the generic label western esotericism Preceded by an introductory essay on the birth of this new discipline in the study of religion the volume provides a sample of current research in the field and devotes special attention to some central methodological questions

*Apocalypse Now* Damien Tricoire,Lionel Laborie,2022-08-03 Eschatology played a central role in both politics and society throughout the early modern

period It inspired people to strive for social and political change including sometimes by violent means and prompted in return strong reactions against their religious activism From the fifteenth to the eighteenth century numerous apocalyptic and messianic movements came to the fore across Eurasia and North Africa raising questions about possible interconnections Why were eschatological movements so pervasive in early modern times This volume provides some answers to this question by exploring the interconnected histories of confessions and religions from Moscow to Cusco It offers a broad picture of Christian and to a lesser extent Jewish and Islamic eschatological movements from the fifteenth to the eighteenth century thereby bridging important and long standing gaps in the historiography Apocalypse Now will appeal to both researchers and students of the history of early modern religion and politics in the Christian Jewish and Islamic worlds By exploring connections between numerous eschatological movements it gives a fresh insight into one of the most promising fields of European and global history

The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Uncover the Best : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you guessing until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
