**Beginnings in Spiritual Life** Dominic Hoffman, 2013-02-25 In these pages laymen will find themselves and their condition of life the center of attention at all times Consequently they will not find a specifically spiritual vocabulary or an alien pious rhetoric They will not find a long list of prayers practices and penances They will not find a list of things to be given up Patiently and gently these souls will open up to God They will see that true peace comes from true love and that love means an entire giving and that giving means some changes Such transitions are sometimes easy sometimes not But in the end what was once unwisely loved is now put aside and what was once foolishly despised is now embraced with gratitude

Every man who has gone even a part of the way knows this The purpose of the book then is to open the soul to the grace of God and to show some practical consequences of the love of God in a life that wants to find love and peace from the

**The Word** ,1912 **Fragments from an Inner Life** Evelyn Underhill,2011-02-01 June 10 1923 It came over me vividly at Communion today that the whole of the life of Christ consists and always has in nothing at all but giving himself to everyone who asks pleasant or not dingy beasts like me anyone making no demands back cultivating no heavenly joy for Himself an eternal Risen Life of self outpouring It may sound obvious but when you see it it s pretty overwhelming Evelyn Underhill kept notebooks during her crucial mid life years while she was a successful writer and scholar These private documents comprise one soul s journey in the life of the Spirit yet with a universal dimension Underhill s reflections are the

only known sustained records of her private life her doubts and failings obstacles to growth and her gradual awakening to God's grace and presence In his Foreword A M Allchin writes Evelyn Underhill's inner world which was one of contrasts and conflicts of darkness as well as light can stand for the inner world of us all these fragments from her inner story will continue to remind us of the price that was paid for the serenity and wisdom of her latter years These notes and journal entries have the immediacy of spiritual autobiography and the detail that give texture to her otherwise elusive life history In order to be best understood they need to be viewed within the context of her public writings Her personal speculations and correspondence give depth and nuance to the mystic and theologian now commemorated in the church calendar and read by Christians of many communions
