untuned and the shocking and radical message of this book and its sequel tells us that we are not alone and never have been. FACT Man is fighting a war against viruses, viruses that can mutate and develop resistance to any medical agent our scientists introduce. But what our scientists do not realise in this war they are fighting is that they are fighting a new force in nature, a force that is alien. Ten Cents for the World is the Truth with the Proof [A Road to Christianity, Islam and Judaism](#) John R. Mitchell, 2017-11-07. A Road to Christianity, Islam and Judaism contains brief overviews of the three major religions in the world today. They are the Islamic religion, the Judaic religion and the Christian religion. These overviews with supporting biblical and Quranic verses are related in the form of roads with their twists, turns, ruts and potholes. Many roads or overviews are unknown or learned based on the learner's heritage, e.g. original sin. It would take a person a lifetime to research all the minutiae connected with the history, tenets, beliefs, congregations, sects, churches, mosques, synagogues and people of the three major religions. The three religions have many differences as well as many similarities. All three religions believe in the same god, creator and Old Testament characters except by different names. All three religions believe in resurrections, the afterlife, Adam and Eve and messengers.

History of Hadith Compilation Muhammad Ali Mahdavi-rad, 2017-01-01. Today hadith books are taken for granted but in the first century after the Prophet S it was by no means certain that the Prophet's words would be transcribed. Why were the early Muslims so ambivalent about recording the hadith and did the ban on writing hadith mean that no hadith manuscripts survived? This new study explores the approach of the Prophet and the twelve Imams to the writing of hadith. It uncovers numerous Companions of the Prophet and students of the twelve Imams who are said to have left behind hadith manuscripts. Special attention is given to the Four Hundred books considered foundational to Twelver Shi'ism as well as the famed Book of Ali, Kitab Ali and Scroll of Fatimah, Mushaf Fatimah. This is a succinct, insightful overview of the history of hadith in early Islam.
