Some Enchanted Egos Donald Zec,1972 **Some Enchanted Season** Marilyn Pappano,2012-05-02 Sometimes miracles do happen When Maggie left her husband Ross that fateful Christmas Eve their marriage was over But a near fatal accident on an ice slick road changed everything Now another Christmas approaches While Maggie hasn't regained all her memory she's ready to test her strength at home with Ross as her only companion Sharing a house with him once more putting on the best face for their neighbors Maggie knows she's living a lie Then she glimpses Ross as he used to be playful and passionate the man of her dreams before ambition changed him She couldn't know he's feeling the same regrets the same heartache or that he fears the return of her memory What will happen when she remembers the reason she fled from him last year It will take a miracle to send the walls of anger and secrecy tumbling down and reunite the divided couple But in the small town of Bethlehem miracles do happen Ego and Soul John Carroll,2010-03-02 The crisis of meaning is the

issue of our time The old beliefs that guided the West have faded without credible replacement Who lives well What characterizes the good life More particularly what may we in the modern West claim about ourselves And ultimately does how we live and what we do make any sense Concerned for today's society and its problems as they relate to meaning faith belief morale moral attachment and social direction John Carroll surveys these questions in *Ego and Soul* He examines how people in their ordinary and everyday lives grope unconsciously for direction casting lines into the transcendent in the hope of a catch He focuses on the main areas of modern life work sport popular culture family friendship intimacy shopping tourism computers cars do it yourself renovation our democratic temper and the retreat into nature He also examines high culture the upper middle class elites and the universities tracing why they have lost their way and failed to provide a language that might help modern people understand their condition *Ego and Soul* offers a surprising and compelling new look at the way we live today and the way we try to make sense of our lives **The Defiant One** Aubrey Malone,2013-10-04
