tear But they are all intended to help pass some leisure time perhaps while waiting for the kids to get home from school or the even the winter to pass into spring No guarantee is given concerning the political correctness of any of these stories but when reading one should remember that some people actually enjoy satire And for those who do not the author humbly submits that perhaps those who can't laugh at history may be worrying about the wrong things **Perfectly Normal** Marcy Sheiner,2002-01-29 PERFECTLY NORMAL addresses with unprecedented honesty a mother's experience raising a child with a disability hydrocephalus This condition causes spinal fluid to accumulate in the head making it grow sometimes causing brain damage A surgical procedure developed only a few years prior to Daryl's birth has kept him alive he is now thirty six and lives a fully independent life The author was nineteen when faced with this difficult life situation She worked through years of denial anger resentment and fear she battled with the medical profession the educational system and the vast array of social service providers who invaded her life Her journey radicalized her with regard to the way society treats people with disabilities by the time Daryl reached adulthood she was involved with and writing about the Disability Rights Movement She speaks with absolute candor about personal difficulties and social injustice She tells her story with unflinching self examination with no attempts to be inspirational She shows what it's really like to raise a child with a disability in America particularly in the uncaring social climate of thirty years ago some aspects of which persist even today *Secondhand Charm* Julie Berry,2010-10-12 On her journey to the royal university to become a doctor fifteen year old Evie wearing potent gypsy charms learns of her monstrous inheritance **The Magic in Changing Your Stars** Leah Henderson,2021-05-11 Can you change your fate and the fate of those you love if you return to the past Journey to 1939 Harlem in this time travel adventure with an inspiring message about believing in yourself Eleven year old Ailey Benjamin Lane can dance so he's certain that he'll land the role of the Scarecrow in his school's production of The Wiz Unfortunately a talented classmate and a serious attack of nerves derail his audition he just stands there frozen Deflated and defeated Ailey confides in his Grampa that he's ready to quit But Grampa believes in Ailey and to encourage him shares a childhood story As a boy Grampa dreamed of becoming a tap dancer he was so good that the Hollywood star and unofficial Mayor of Harlem Bill Bojangles Robinson even gave him a special pair of tap shoes Curious Ailey finds the shoes tries them on taps his toes and makes a wish In the blink of an eye he finds himself somewhere that if most definitely no place like home Featuring an all African American cast of characters and infused with references to black culture and history this work of magical realism is sure to captivate and inspire readers Grampa's Keys Michael Mourning,2011-05-24 Travel the highways and backroads from Minnesota to Nevada in search of treasure and truth in early 60's middle America Grampa's Keys open secrets reaching back in time and stretching out across the landscape as described by 14 year old Rickey while he rides along in a beat up car with an old man he hardly knows The boy values trust respect and hard work qualities he's learned from his single mother The old man and his cohorts smoke drink and covort in beer joints and truckstops arguing and fighting across thousands of miles each after a
