*Some Minor Characters in the New Testament* A. T. Robertson, 1976-01-01      The New Literary Criticism and the New Testament Elizabeth Struthers Malbon, Edgar V. McKnight, 1994-10-01 This publication presents the rich variety of critical methodologies in contemporary literary study of the New Testament The tradition of study represented in the essays lies at the conjunction of developments in biblical studies and literary criticism 1 the exhaustion of New Testament historical criticism in general and redaction criticism in particular 2 the waning of Formalist New Critical approaches in literary study and 3 the emphasis upon the text in terms of language and discourse as the free play of signifiers The essays deal with theory exegesis and their interdependence in this new literary context However contributions of earlier epochs in the history of literary criticism and New Testament study are integrated into current approaches For example the issue of reference originating in the mimetic theories of classical antiquity is raised implicitly and explicitly Implications of literary study for theology are suggested The relationship between redaction critical and literary approaches is examined Theoretical and exegetical essays growing out of feminist literary study are offered Orality allegory deconstruction ideology sociological criticism rhetorical criticism narrative criticism as well as other themes and methods are discussed in the essays treatment of writings of the New Testament A rich variety of critical methodologies in contemporary literary study of the New Testament

**An Introduction to the Textual Criticism of the New Testament** A. T. Robertson, 2014-08-01 A T Robertson 1863 1943 is well known for his thorough scholarship in New Testament studies He served forty six years 1888 1934 as Professor of New Testament Interpretation at the Southern Baptist Seminary in Louisville KY      Exploring the New Testament World Albert Bell, 1998-09-18 The timeless message of the New Testament applies to people of every culture and generation Yet there is great value in understanding the world in which that message was first revealed its social manners politics religious customs and culture Exploring the New Testament World written by classics and Bible scholar Dr Albert A Bell Jr illuminates the living context of the New Testament immersing its readers in the intriguing world of Jesus and the early church An authority on ancient Greek and Roman language culture and history Dr Bell writes in a readable style that is accessible and enjoyable to any reader an uncommon accomplishment among New Testament scholars today Surveying Jewish factions of the era the social and political structure of the Roman Empire and the philosophies and religions that surrounded the early church Dr Bell helps his readers learn to think like first century Jews Greeks and Romans illuminating puzzling New Testament passages for clear understanding Comprehensive Scripture and Subject Indexes make this volume even more useful as a manners and customs Bible companion This authoritative guide receives high praise from college professors and Sunday school teachers alike proving its appeal to both popular and academic audiences A must have reference for every pastor and an indispensable resource to any Bible reader      Interpreting New Testament Narratives Eric J. Douglass, 2018-10-02 Narratives are the concrete manifestation of an author s subjectivity They function as that person s

voice and should be treated with the same respect that is granted to all voices In *Interpreting New Testament Narratives* Eric Douglass develops this ethical perspective so that narratives are treated as communication and the author's voice is regarded as a valued perspective Employing a cross disciplinary approach Douglass shows how readers engage narratives as mental simulations creating a temporary possible world that readers enter and experience To recover communication readers locate the events of this world in the culture of the intended audience and translate this meaning into the modern reader's worldview Using a staged reading design this initial reading is followed by readings of critique

**The Christian World Around the New Testament** Richard Bauckham, 2017-10-20 Most of these thirty one essays by Richard Bauckham a well known New Testament scholar were first published between 1979 and 2015 in journals and multi authored volumes Two are previously unpublished and one has not been published in English before They range widely over early Christianity and early Christian literature in both the New Testament period and the early patristic period reflecting the author's conviction that the historical study of early Christianity should not isolate the New Testament literature from other early Christian sources such as the apostolic fathers and the Christian apocryphal literature Some of the essays develop further the themes of the author's books on aspects of the Gospels such as the intended audiences of the Gospels the way in which Gospel traditions were transmitted the role of the eyewitnesses in the origins of the Gospels the importance of Papias's evidence about Gospel traditions and the relationship between canonical and Gnostic Gospels Some of the essays relate to important persons such as Peter Barnabas Paul and James These include a full investigation of the evidence for the martyrdom of Peter and an attempt to locate the estate of Publius where Paul stayed on Malta There are studies of the Sabbath and the Lord's Day in both the New Testament and patristic periods There are studies that survey most of the main categories of apocryphal Christian literature including apocryphal Gospels and Acts and with a special focus on the non canonical apocalypses such as the Apocalypse of Peter and the Latin Vision of Ezra

*A Theory of Character in New Testament Narrative* Cornelis Bennema, 2014-04-01 In this study in three dimensional character reconstruction Cornelis Bennema presents a new theory of character in the New Testament literature Although character has been the subject of focused literary critical study of the New Testament since the 1970s Bennema observes that there is still no consensus regarding how character should be understood in contemporary literary theory or in biblical studies Many New Testament scholars seem to presume that characters in Greco Roman literature are two dimensional Aristotelian figures unlike the well rounded psychologized individuals who appear in modern fiction They continue nevertheless to apply contemporary literary theory to characters in ancient writings Bennema here offers a full comprehensive and non reductionist theory for the analysis classification and evaluation of characters in the New Testament

**Narrative Criticism of the New Testament** James L. Resseguie, 2022-10-25 Narrative criticism is a relatively recent development that applies literary methods to the study of Scripture James Resseguie suggests that this approach to reading the Bible treats the text as a self contained unit and avoids complications raised by other critical methods of interpretation Resseguie begins with an introductory chapter that surveys the methods of narrative criticism and how they can be used to discover important nuances of meaning through what he describes as a close reading of the text He then devotes chapters to the principal rhetorical devices setting point of view character rhetoric plot and reader Readers will find here an accessible introduction to the subject of narrative criticism and a richly rewarding approach to reading the Bible

**The Publisher and Bookseller**, 1929 Official organ of the book trade of the United Kingdom **Preaching with Accuracy** Randal E. Pelton, 2019-03-21 A resource to help pastors correctly identify the big idea of a passage and apply it well Preaching with Accuracy provides preachers with a method for finding the big idea in each passage of the Bible since correctly identifying the main point is key to accurately conveying the essential theology of the passage Pelton lays out a reliable well informed method for identifying the main point of a preaching passage and understanding that passage well in its context Numerous examples are given at each step of the way to show how meaning develops throughout the process of interpretation Pelton then guides the preacher through applying a Christ centered hermeneutic that will result in biblical sermons that benefit and equip believers
