Some Poisoned By Their Wives:

The Legal Observer, Or, Journal of Jurisprudence ,1839 **The Complete Concordance to Shakespeare** Mary Cowden Clarke,1878 Poisoned Lives Katherine D. Watson,2006-08-23 Here is a valuable and fascinating piece of social history Watson sheds new light on a macabre yet frequently misunderstood subject **The Complete Concordance to Shakespeare: Being a Verbal Index to All the Passages in the Dramatic Works of the Poet** Mary Victoria Cowden CLARKE,1845 **A History of Murder** Pieter Spierenburg,2013-04-18 This book offers a fascinating and insightful overview of seven centuries of murder in Europe It tells the story of the changing face of violence and documents the long term decline in the incidence of homicide From medieval vendettas to stylised duels from the crime passionel of the modern period right up to recent public anxieties about serial killings and underworld assassinations the book offers a richly illustrated account of murder s metamorphoses In this original and compelling contribution Spierenburg sheds new light on several important themes He looks for example at the transformation of homicide from a private matter followed by revenge or reconciliation into a public crime always subject to state intervention Combining statistical data with a cultural approach he demonstrates the crucial role gender played in the spiritualisation of male honour and the subsequent reduction of male on male aggression as well as offering a comparative view of how different social classes practised and reacted to violence This authoritative study will be of great value to students and scholars of the history of crime and violence criminology and the sociology of violence At a time when murder rates are rising and public fears about violent crime are escalating this book will also interest the general reader intrigued by how our relationship with murder reached this point **Facts and fancies for the curious from the harvest-fields of literature** Charles C. Bombaugh,2022-01-17 In Facts and Fancies for the Curious from the Harvest Fields of Literature Charles C Bombaugh presents a rich collection of literary curiosities that explore the interplay between fact and fiction within the realm of literature This anthology is characterized by its eclectic arrangement of quotations anecdotes and epigrams drawn from both classic and contemporary sources Bombaugh s literary style is marked by wit and an engaging prose that invites readers to reflect on the deeper meanings embedded within seemingly trivial aspects of various texts situating his work within the broader context of 19th century American fascination with encyclopedic knowledge and cultural digression Charles C Bombaugh an American writer and scholar was known for his pursuit of erudition and his desire to compile knowledge for wider accessibility His background in literature and scholarly pursuits evidently influenced the book s concept as he sought to tease out unusual and intriguing elements that reveal the richness of literary tradition Bombaugh s meticulous curation reflects a broader intellectual trend of the time where the admiration for literature often led to a desire to unearth lesser known gems and curiosities Facts and Fancies for the Curious is an essential read for literature enthusiasts and scholars alike This book is not merely a collection of trivia but a thought provoking exploration of the myriad ways in which literature intersects with culture thought and human experience Readers

are encouraged to immerse themselves in Bombaugh's harvest of literary delight which promises to enlighten and entertain in equal measure *Shakespeare's Dramatic Works* William Shakespeare, William Henry Davenport Adams, 1879 Who Killed George? Cheryl MacDonald, 1994-06-30 When Ezra Chipman brought fellow Canadian George Sternaman to board at his Buffalo home he set in motion a nightmarish chain of events Within months Ezra was dead of a mysterious ailment Then shortly after marrying Ezra's widow Olive George developed similar symptoms Impoverished by George's long illness the family moved to his mother's farm in Haldimand County Ontario There in August 1896 24 year old George Sternaman died After his funeral Olive returned to Buffalo to try to pick up the pieces of her life Meanwhile a Canadian investigation into George's death had begun Medical examinations and evidence uncovered by Ontario's great detective John Wilson Murray pointed to one conclusion George Sternaman had died of arsenic poisoning Olive was arrested and charged with his murder Sensational legal battles followed involving the highest courts in both Canada and the United States When Olive finally went to trial at the Haldimand County Courthouse in Cayuga her lawyer Welland politician William Manley German was up against the most brilliant legal mind of the day Britton Bath Osler Drawing on newspaper accounts and legal documents Cheryl MacDonald has recreated a true to life Victorian melodrama *Who Killed George* offers insight into the legal system social sentiments and status of women of the 1890s along with the thrill of a genuine Canadian murder mystery **The Complete Concordance to Shakespeare: Being a Verbal Index to All the Passages in the Dramatic Works of the Poet** Mary Cowden-Clarke, 1845 *The Victorian Family* Anthony Wohl, 2016-06-17 First published in 1978 this multi disciplinary study embraces a wide selection of topics ranging from family intimacy and authoritarianism to the family as a unit for launching social reforms Subjects treated in the nine essays include the Victorian attitude to childbirth the role of the nanny the power of the upper class paterfamilias the pattern of family work and fertility and incest among the Victorian working classes The book is introduced by a critical survey of the state of family history and the need for new studies From the essays the Victorian family emerges as both a refuge from society and a springboard into it and as an important unit for the study of the repression and exploitation of women and children in Victorian society This book will be of interest to those studying Victorian history and society **The Brunt of the War, and where it Fell** Emily Hobhouse, 1902 Littell's Living Age, 1888 Baconiana, 1899 **The Woman's Medical Journal**, 1910 **Burning Women** P. Banerjee, 2016-04-30 In early modern Europe the circulation of visual and verbal transmissions of sati or Hindu widow burning not only informed responses to the ritualized violence of Hindu culture but also intersected in fascinating ways with specifically European forms of ritualized violence and European constructions of gender ideology European accounts of women being burned in India uncannily commented on the burnings of women as witches and criminal wives in Europe When Europeans narrated their accounts of sati perhaps the most striking illustration of Hindu patriarchal violence they did not specifically connect the act of widow burning to a corresponding European signifier the gruesome ceremonial burnings of women as witches In

examining early modern representations of sati the book focuses specifically on those strategies that enabled European travellers to protect their own identity as uniquely civilized amidst spectacular displays of Eastern barbarity The Dublin Journal of Medical Science ,1876 **Tajikistan's National Epics** Sadriddin Ayni,2023-09-22 Sadriddin Ayni 1878 1954 was a Tajik intellectual regarded by many as one of the most important writers in the country s history This book provides a translation of two historical monographs by Ayni Is yoni Muqanna Muqanna s Rebellion and Qahramoni Khalqi Tojik Temurmaliq The Tajik People s Hero Temur Malik These works tell the story of two great Tajik heroes who fought against the Arabs and the Mongols Besides the translations the book discusses Ayni s life and work highlighting his role especially through these two monographs in awakening and strengthening Tajik national consciousness In addition the book provides detailed background information on the historical events portrayed in the epics *A Text Book of Medical Jurisprudence for India* Isidore Bernadotte Lyon,1890 **A Dictionary of Psychological Medicine** Daniel Hack Tuke,1892 British Medical Journal ,1876
