Recollections of the lakes and the lake poets Thomas De Quincey, 1863 **Recollections of the Lakes and the Lake poets;-Coleridge, Wordsworth and Southey.v. 3** Thomas De Quincey, 1863 Recollections of the Lakes and Lake Poets Coleridge, Wordsworth, and Southey De Quincey, 1862 The Literary Protégées of the Lake Poets Dennis Low, 2016-03-09 Dennis Low's re evaluation of the Lake Poets as mentors begins with the controversial premise that Robert Southey was one of the nineteenth century's greatest champions of women's writing Together with Wordsworth and Coleridge Low argues Southey tried to end what he perceived to be the cultural decline of literature by nurturing the creative talents of many exceptional women writers Drawing on 3 000 unpublished manuscripts in England Scotland and the United States Low examines the lives and works of four of the Lake Poets literary protégées Caroline Bowles Maria Gowen Brooks Sara Coleridge and Maria Jane Jewsbury Though diverse in terms of their literary production these women were united in their defiant efforts to write against an increasingly stagnant cultural milieu and their negotiation wholeheartedly encouraged by their mentors of contemporary publishing mores This scrupulously researched book is a valuable contribution to the study of little known women writers and to our understanding of the literary and publishing environment of Britain in the 1820s and 1830s

The Late Poetry of the Lake Poets Tim Fulford, 2013-10-31 The long established association of Romanticism with youth has resulted in the early poems of the Lake Poets being considered the most significant Tim Fulford challenges the tendency to overlook the later poetry of no longer youthful poets which has had the result of neglecting the Wordsworth Coleridge and Southey of the 1820s and leaving unexamined the three poets rise to popularity in the 1830s and 1840s He offers a fresh

perspective on the Lake Poets as professional writers shaping long careers through new work as well as the republication of their early successes The theme of lateness incorporating revision recollection age and loss is examined within contexts including gender visual art and the commercial book market Fulford investigates the Lake Poets later poems for their impact now while also exploring their historical effects in their own time and counting the costs of their omission from Romanticism
