Death Wears a Beauty Mask and Other Stories Mary Higgins Clark, 2016-01-19 A collection of short stories Mary Higgins Clark **The Beauty of the Dead and Other Stories** H.E. Bates, 2016-03-15 The Beauty of the Dead Jonathan Cape 1940 featuring fifteen stories was released to critical acclaim Pamela Hansford Johnson wrote in John O London s Weekly that all have that delicate luminosity by which visions are seen more clearly than in the bright sunlight Old is a snapshot of an elderly man no longer appreciated or respected by his children and extended family during a Sunday tea He finds a companion in his seven year old grand niece making animal shapes out of biscuits and eventually falling into a mesmeric peace as she brushes his hair There is a glimpse of Bates s childhood experiences in Quartette written through the eyes of a music director The story accounts the attraction between two of the singers which the director worries is breaking up the group yet on their last song he can feel the passionate quality of their singing transcending the small hot room and the small bewildered minds Bates had much personal knowledge of choirs and singing through his father who was a choir director The Bridge is narrated by a twenty two year old woman while she and her older sister vie for the attention of the same man The Spectator praised it as a masterly short story courageously conceived thick with symbolism it is a triumphant display of control For the first time this collection features the comic bonus story Obadiah After a tough poverty stricken childhood Obadiah s scheme to make his fortune begins with a pig He wanted neither children nor romance but a partner in business so when he meets a widow with similar values he wins her over in what becomes a comic sketch of a bickering couple a rare and brilliant piece of caricature in Bates s canon Published in the New Clarion 1933 and not republished since
