**Building the Benedict Option** Leah Libresco,2018-08-07 Building the Benedict Option is a combination spiritual memoir and practical handbook for Christians who want to build communities of prayer socialization and evangelization in the places where they live and work Beginning when the author was a new convert she desired more communal prayer and fellowship than weekly Mass could provide She surveyed her friends busy young urban professionals like herself and created unique enriching or supportive experiences that matched their desires and schedules The result was a less lonely and more boisterous spiritual and social life No Catholic Martha Stewart Libresco is frank about how she plans events that allow her to feed thirty people on a Friday night without feeling exhausted She is honest about the obstacles to prayer and the challenge to make it inviting and unobtrusive Above all she communicates the joy she has experienced since discovering ways to open her home even when it was only a small studio apartment The reader will close this book with four or five ideas for events to try over the next few weeks along with the tools to make them fruitful From film nights to picnics in the park to resume writing evenings there are plenty of ideas to choose from and loads of encouragement to make more room in one s life for others Upshur'S Dilemma Otis Morphew,2018-08-16 Billy Upshur had always been a man of reason able to think out any problem that might arise and handle it objectively It was his nature if it involved family If it did not have to do with family it could most generally be solved with a gun in one way or another But the one he had on returning home with his family and friends could not be solved with tact or with his gun The one he had now was one he was trying desperately to push to the back of his mind hopefully even to forget But it was hard because Jaclyn Garnette was a woman he would remember for as long as he lived He would never hurt Connie that was unthinkable his love for her was never ending and just the thought of

leaving his beloved family for another woman was devastating to even think about It would never happen he knew this but it was hard to look at Connie with Jaclyn on his mind thats why he spent a great many late afternoons at the corral grooming the little Roan mustang and the big black Jim Stockwell had given him After several months he did manage to push Jaclyn aside or so he thought Because as the old saying goes when it rains it pours As fate was bound to have it they were all sitting down to supper late one afternoon when Rodney brought news of a heartbreaking event one that almost broke his heart one that would throw him back into the role of gunfighter and manhunter Jaclyns Foreman had been murdered and she herself seriously wounded and fighting for her life To Billy Upshur they both were considered family and without saying when family was wronged as was his way he would see about it Only this time Connie insisted on going back with him because Jaclyn was the woman that saved his life and she was bent on being there for her as well It also meant that Rodney and his wife were to go with him also and he dared not refuse any of them Something was definitely wrong in Decatur Texas and he had been summoned by Jaclyns friends to make it right again and if it was the last thing he ever did he would see about it
