Somebody Stand Up Sing:

Somebody's Someone Regina Louise, 2025-05-01 In this poignant and heart wrenching true story Regina Louise recounts her childhood search for connection in the face of abuse neglect and rejection What happens to a child when her own parents reject her and sit idly by as others abuse her In this poignant heart wrenching debut work Regina Louise recounts her childhood search for someone to feel connected to A mother she has never known but long fantasized about deposited her and her half sister at the same group home that she herself fled years before When another resident beats Regina so badly that she can barely move she knows that she must leave this terrible place the only home she knows Thus begins Regina's fight to survive utterly alone at the age of 10 A stint living with her mother and her abusive boyfriend is followed by a stay with her father's lily white wife and daughters who ignore her before turning to abuse and ultimately kicking her out of the house Regina then tries everything in her search for someone to care for her and to care about from taking herself to jail to escaping countless foster homes to be near her beloved counselor Written in her distinctive and unique voice Regina's story offers an in depth look at the life of a child who no one wanted From her initial flight to her eventual discovery of love your heart will go out to Regina's younger self and you'll cheer her on as she struggles to be Somebody's Someone

Singing Out David Burke, 2015-03-01 The Life And Work Of 3 Female Folk Icons David Burke takes the lives of three of British folk music's best known and best loved women and intertwines their stories Why these three As David explains Maddy Prior June Tabor and Linda Thompson have both endured and evolved The people's relationship with its heritage may be capricious but Maddy June and Linda have remained resolutely committed to it while concurrently contemporising it They all began in the folk clubs of the second folk revival in the 1960s but whilst staying true to their roots have never been afraid to try new things sometimes to the horror of traditional folkies Maddy Prior MBE is best known as being the singer with Steeleye Span though she has done many different things including the Silly Sisters with June Tabor June tried to juggle being a librarian and a singer until singing thankfully won out Elvis Costello said If you don't like listening to June Tabor you should stop listening to music To a large extent Linda Thompson's later career has been blighted by hysterical dysphonia a condition that has stopped her singing for long periods For this book all three women kindly provided interviews but Linda could only communicate via e-mail her condition which comes and goes was so bad at the time However her albums with ex husband Richard Thompson are classics as are her own solo albums it is just sad that illness has deprived her and us of more of them In addition to the three subjects David has interviewed amongst others Ian Anderson Martin Carthy Christy Moore Martin Simpson Rufus Wainwright and even the creator of the Wombles pop group Mike Batt who produced Steeleye Span

Thistle and the Brier Richard Blaustein, 2003-02-25 Scotland and Southern Appalachia have always shared a strong connection. Many of the first people to permanently settle in the Appalachian mountains came from the Scottish highlands seeking religious and other freedoms. Many descendants of those first settlers from Scotland still make their homes in Southern Appalachia and attribute many aspects of their culture to their Scottish heritage. This book explores the parallels and connections between Scotland and Southern Appalachia with special attention to the interplay between revivals of folk culture, native languages and dialects in Scotland and Appalachia since the 1970s. It covers contemporary Scottish and Appalachian cultural movements, particularly the links between cultural revivals and identity politics, and contains substantial references that increase its value as an authoritative scholarly work on the convergence of the cultures. *Substitute Teaching?* Amanda Yuill, 2016-03-08 Get students on your side and make classroom management easier with this easy-to-read, humorous survival guide. What's Worship Got to Do with It? Claudio Carvalhaes, 2018-11-09 This book connects the living realms of the church, the self, the neighbor, and the world. It envisions our daily local and global life from liturgical spaces, places where Christians worship God. Through these relations, we can connect worship with economy, preaching with raising a village, baptism with forms of citizenship, ecology and the market. Easter with immigration, liturgical kneels with colonization, spirituality with minority voices, all uttering prayers that name racism, poverty, and a liberation theology of glory. In these pages, Claudio Carvalhaes issues a call to the churches to move from captive and colonized spaces into where the Spirit lives among the poor, the needy, the forgotten. With a variety of relations between the Christian faith and our cultural ways of living, Carvalhaes offers new liturgical and theological imaginings to be engaged with the most vulnerable in our societies and the earth. A creative liturgical theology of liberation that makes sense of God between the world and the table, altar between the pulpit and local communities, the worship space and our multiple lived experiences. For liturgy is an endless song of liberation. This book is a call to life.

The Mongolic Languages Juha Janhunen, 2006-01-27 Once the rulers of the largest land empire that has ever existed on earth, the historical Mongols of Chinggis Khan left a linguistic heritage which today survives in the form of more than a dozen different languages collectively termed Mongolic. For general linguistic theory, the Mongolic languages offer interesting insights to problems of areal typology and structural change. An understanding of the Mongolic language family is also a prerequisite for the study of Mongolian and Central Eurasian history and culture. This volume is the first comprehensive treatment of the Mongolic languages in English, written by an international team of specialists.
