The Journey Home Ladee Basset, 2009-04-23 The Journey Home is a collection of 100 poems written in the traditional poetic form of rhyme and time. Many of the poems are based upon true life experiences, expressions of desperation and struggle, heartache and heart break in the remembrance or thinking of either someone or a beloved pet, some are as a result of an personal existing mood frame or purely based upon a factual point in time, some are political view points or messages to those involved in the political system and a few are entirely fictional, written simply from imagination. All of the combined poems are a journey through life, my life or our lives and the words are uniquely portrayed in perfect poetic context in rhyme and time, creating a journey through life. Each poem has a beginning, a middle and an ending whilst at the same time cleverly flows remaining on the subject matter without diversion. This book is the first book to express my mind's abilities to write truly poetically and not merely in prose, ode or ballad form. Self contained structures all simple, easy to understand and read is the main aim whilst at the same time hopefully ensuring a message as concise as possible is given. These poems will be plundered upon undoubtedly and repetitively for years to come by those who enjoy the love of poetry. The ability to both relate and correlate will be experienced by the reader in not one of the poems but many of them. The undying devotion to create and express shines throughout this book from page to page and poem to poem.

Jeanne Marie Laskas had dreams of life on a farm that she couldn t get out of her head A dream of fleeing her otherwise happy urban life for fresh air and open space A dream she would discover was about something more profound than that A dream she never ever expected to come true Until a hot summer afternoon led to a drive in the country where a place that had existed only in her fantasies turned out to be real and for sale *Fifty Acres And A Poodle* The place is almost too perfect to be believed but there it is a pretty as a picture postcard farm with an Amish barn a chestnut grove and vistas so beautiful they take her breath away And in that moment she knows that this is the spot where her future begins So she drags her boyfriend Alex a committed urban dweller with zero agricultural awareness who owns a poodle into her scheme hoping that love will somehow conquer all But buying a postcard fifty acres of scenery and living on it are two entirely different matters The questions seem endless How long before the barn roof collapses Should they buy sheep Will the place be good for her writing and for her relationship with Alex And is there any way to keep Betty the mutt and Marley the poodle from rolling in mud leaves and unidentified smelly remains In this funny yet tender tale Laskas shares what happens when you follow your dream and what happens when it s almost snatched away *Fifty Acres and a Poodle* is a charming and surprisingly poignant memoir of Jeanne Marie Laskas s first year on Sweetwater Farm It is a journey peopled by unforgettable characters Billy the local contractor who bulldozes her briars takes her shopping for tractors and advises her on buying a mule Tim the FedEx driver whose truck becomes Marley s obsession and nearly his downfall the local hunters who present her with an entire wardrobe of blaze orange hats and Bob the cat whose valiant fight for life gives her the courage to love Jeanne Marie Laskas writes with exhilarating wit and extraordinary wisdom about life love and finding your true self on a farm It s hard to say how a dream forms Especially one like mine which at first seemed so utterly random It could have been a sailing a boat to Tahiti dream a quit your job and hitchhike to Alaska dream It was a fill in the blank dream born of an urge not content An urge for something new I was thirty seven years old I lived on Eleventh Street the last house on the right in South Side a gentrified old mill town on the banks of the Monongahela River I rented an office in downtown Pittsburgh a fifteen minute bike ride away which is where I spent my days writing stories and magazine articles I had a garden I had a cat I had a dog And I had a farm dream a fantasy swirling around in my head about moving to the country Where in the world was this coming from That s what I wondered It might have made sense if I was a miserable person sick of my life But I was not I had a good life it had taken me a long time to get it that way A farm dream would have made sense I supposed if I was at least the farm dream type A person with some deep personal longing to churn butter A person who had had city life forced upon her and now was determined to go be true to herself and live among the haystacks A person who wore her hair in long braids used Ivory soap and liked to stencil her walls with pictures of little chickens and cows A person who at minimum had a compost pile in her

yard where she diligently threw lawn clippings and coffee grounds and eggshells and earned the right to use the word organic a lot But I was not that person I was not even sure what hay was or why anyone would stack it And if I composted anything it was only by mistake **Spirits and Wine** Susan Jayne Newhof,2011-08-30 It s a mystery and a ghost story all wrapped up in one A newly married couple buys an old house in a small lakeshore town in West Michigan and finds it haunted by the dramatic secrets of its past inhabitants As the couple settles in disturbing events prompt them to investigate who those residents were what happened to them and why one spirit remains active Could the Spanish influenza epidemic in the region which resulted in the deaths of an unprecedented number of young healthy adults in Michigan and elsewhere in 1918 19 and the resulting slew of orphans have something to do with the spirit now haunting their house They are determined to discover the truth about their house even if it jeopardizes their own safety **Tribunal** Vladimir Voinovich,2021-01-07 Vladimir Voinovich s Tribunal A Courtly Comedy in Three Acts is a scathing satire on the 1960s 1970s Soviet show trials by one of the most famous Soviet dissidents who was sometimes called Russia s greatest living satirist Based upon his reaction to the Sinyavski Daniel trial in 1966 which caused him to begin to write harshly critical letters to Premier Leonid Brezhnev and finally resulted in his expulsion from the Soviet Union in 1981 Voinovich s Tribunal is a monument to the Soviet dissidents of the Cold War period and a sardonic critique of the censorship and persecution of dissident writers everywhere Voinovich s classic comedy describes the black humoresque high jinks and outrageous shenanigans that ensue when an unsuspecting couple of Soviet citizens Senya and Larissa Suspectnikoff clutching their free tickets in their innocent hands walk into a crowded theatre expecting to watch a Chekhovian comedy only to become caught up in the sinister machinations of a Soviet criminal tribunal and its madcap version of the Moscow show trials
