

Someone Wholl Watch Over Me A Play

D. Morse

Someone Wholl Watch Over Me A Play:

Someone Who'll Watch Over Me Frank McGuinness, 1992 An Englishman an Irishman and an American are locked up together in a cell in the Middle East As victims of political action powerless to initiate change what can they do How do they live and survive Frank McGuinness s new play introduced by Brian Keenan explores the daily crisis endured by hostages whose strength comes from communication both subtle and mundane from humor wit and faith **New York Magazine**, 1992-12-07 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea

Contexts for Frank McGuinness's Drama Helen Lojek, 2004 Contexts for Frank McGuinness s Drama is the most complete consideration of the playwright yet published including discussion of his original stage work through *Gates of Gold* 2002 and highlighting the connections between McGuinness s creativity and the biographical geographical social and literary factors that have shaped his world **"Celebrating Confusion"** Kenneth Nally, 2009-01-14 Though widely lauded as one of the most creative and challenging forces in Irish theatre Frank McGuinness s plays have often met with a tempestuous reception This new work details the significance of key productions of his plays in the context of Ireland s culture and society Charting McGuinness s development as a dramatist from *The Factory Girls* through to *Gates of Gold* it combines cultural political and theatrical analysis to position McGuinness as the most significant Irish playwright of his generation Textual analysis supports considerations of theatrical performance to show how visual art stagecraft sculpture and song are central to our understanding of McGuinness s theatre Drawing forth the range of sexual familial and national identities found in McGuinness s work this book shows the significance of symbols in theatre that often seeks to confuse the simplicities of absolutes in order to show the complexities of difference Wide ranging theoretically astute and written in a lucid and engaging style *Celebrating Confusion* will appeal to all readers who are interested in Irish Theatre and its intersection with the politics and culture of contemporary Ireland **A Century of Irish Drama** Stephen Watt, Eileen Morgan, Shakir Mustafa, 2000 Based on essays originally presented at a symposium entitled Nationalism and a national theatre 100 years of Irish drama convened at Indiana University May 26 29 1999 *Irish Theater in America* John P. Harrington, 2009-02-28 For over 150 years Irish playwrights beginning with Dion Boucicault have been celebrated by American audiences However Irish theater as represented on the American stage is a selective version of the national drama and the underlying causes for Irish dramatic success in America illuminate the cultural state of both countries at specific historical moments *Irish Theater in America* is the first book devoted entirely to the long history of this transatlantic exchange Born out of the conference of the Irish Theatrical Diaspora project this collection gathers together leading American and Irish scholars in addition to

established theater critics Contributors explore the history of Irish theater in America from Harrigan and Hart through some of the greatest and most disappointing Irish tours of America to the most contemporary productions of senior Irish playwrights such as Brian Friel and younger writers such as Martin McDonagh and Conor McPherson Covering the complexity of the relationship between Irish theater and the United States this volume goes beyond the expected analysis of plays to include examinations of company dynamics analysis of audience reception and reviews of production history of individual works Contents include Mick Moloney Harrigan Hart and Braham Irish America and the Birth of the American Musical Nicholas Grene Faith Healer in New York and Dublin Lucy McDiarmid The Abbey Its Helpers and the Field of Cultural Production in 1913 Christina Hunt Mahony The Irish Play Beyond the Generic **No Other Way To Tell It** Derek Paget, 1998-06-15 Drama documentary is a program category unique to television Combining the factual approach of documentary with the entertainment values of drama dramadoc docudrama has featured in television schedules for over forty years and has often been the focus of controversy Questions are frequently asked about how the viewer is to judge between fact and fiction and whether such programs invade individuals privacy No Other Way to Tell It is an introductory book which defines the form and reviews its history and development on British and American television The people who make the programs television producers writers actors and lawyers give their views and recent co production work between Granada TV in Britain and Home Box Office in America is examined Hostages a co production which was bitterly opposed by the British and American hostages released from captivity in Beirut at the beginning of the decade is used to illustrate the changes that are now taking place within the medium **Theatre Stuff** Eamonn Jordan, 2000 Essays on contemporary Irish theatre **Irish Theatre in Transition** D. Morse, 2015-01-19 The Irish Theatre in Transition explores the ever changing Irish Theatre from its inception to its vibrant modern day reality This book shows some of the myriad forms of transition and how Irish theatre reflects the changing conditions of a changing society and nation Portrayals of Americans on the World Stage Kevin J. Wetmore, Jr., 2014-01-10 This collection of 14 essays explores drama from around the world that depicts the United States and Americans From eighteenth century German dramas about Native Americans through post Revolutionary War British plays to the theaters of contemporary Japan Mexico Serbia Ireland Ghana and other nations the contributors consider conflicting representations of Americans Often critical sometimes flattering and occasionally insulting these various international views highlight perceptions of America abroad and how they influence the world s stages *John Simon on Theater* John Ivan Simon, 2005-05 Applause Books This provocative collection and major publishing event brings together the critical highlights of the well known New York cultural critic John Simon Covering a span of more than three decades it includes previously published work from New York the Hudson Review National Review Opera News the New Leader and other notable publications The theatre volume contains selected reviews that are as eloquent as they are famously provocative reviews that can enrage but always entertain Simon covers a wide range of New York productions from the East

Village to Broadway examining all with the same rigor and high expectations A SAMPLE Simon on Vanessa Redgrave in Long Day s Journey into Night The highly accomplished Redgrave gets some details right but the overarching mental unstableness she exudes is so excessive as to make one wonder whether she is playing or being unhinged **The Methuen Drama Guide to Contemporary Irish Playwrights** Martin Middeke, Peter Paul Schnierer, 2010-05-28 A thorough and insightful study of the work of twenty five important Irish playwrights **Oscar Wilde and Contemporary Irish Drama** Graham Price, 2018-10-23 This book is about the Wildean aesthetic in contemporary Irish drama Through elucidating a discernible Wildean strand in the plays of Brian Friel Tom Murphy Thomas Kilroy Marina Carr and Frank McGuinness it demonstrates that Oscar Wilde s importance to Ireland s theatrical canon is equal to that of W B Yeats J M Synge and Samuel Beckett The study examines key areas of the Wildean aesthetic his aestheticizing of experience via language and self conscious performance the notion of the dandy in Wildean texts and how such a figure is engaged with in today s dramas and how his contribution to the concept of a verbal theatre has influenced his dramatic successors It is of particular pertinence to academics and postgraduate students in the fields of Irish drama and Irish literature and for those interested in the work of Oscar Wilde Brian Friel Tom Murphy Thomas Kilroy Marina Carr and Frank McGuinness okokpoj *Theatre Talk* Lilian Chambers, 2001 Interviews with Irish theatre practitioners [The Theatre of Frank McGuinness](#) Helen Lojek, 2002 The first edited collection of essays about internationally renowned Irish playwright Frank McGuinness focuses on both performance and text Interpreters come to diverse conclusions creating a vigorous dialogue that enriches understanding and reflects a strong consensus about the value of McGuinness s complex work **REVIEWS** a fascinating and diverse collection of reactions to the work of Frank McGuinness Reviewed by Patrick Mason Frank McGuinness s drama in its richness and variety calls out for what this collection of essays supplies A multi authored volume by both practitioners and academics thoughtful stimulating collection Reviewed by Anthony Roche The diversity of the playwright s work is well matched in the collection by the scale of the different approaches the authors of the essays and talks take I recommend the book especially to those who McGuinness difficult but all readers are likely to put it down enriched and with a reformed view of drama and theatre in general Reviewed by Maria Kurdi Drama League Magazine of Ireland Spring 2004 [Sacred Play](#) Anne F. O'Reilly, 2004 Examination of the soul and spirituality in Irish theatre *New York Magazine* , 1992-12-07 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea **The One-Act Play Companion** Colin Dolley, Rex Walford, 2015-01-30 The one act play stands apart as a distinct art form with some well known writers providing specialist material among them Bernard Shaw Tom Stoppard Harold Pinter Caryl Churchill Alan Ayckbourn Edward Albee and

Tennessee Williams There are also lesser known writers with plenty of material to offer yet sourcing one act plays to perform is notoriously hard This companion is the first book to survey the work of over 250 playwrights in an illuminating A Z guide Multiple styles nationalities and periods are covered offering a treasure trove of compelling moments of theatre waiting to be discovered Guidance on performing and staging one act plays is also covered as well as essential contact information and where to apply for performance rights A chapter introducing the history of the one act play rounds off the title as a definitive guide

Pont Marie Al Stotts, 2011-04-19 Metempsychosis refers to the passing of the soul at death into another body either human or animal At its most basic it refers to reincarnation but the theory of past lives can have overwhelming consequences especially when memories of these past lives seep into the life we currently live Just ask a modern day middle aged New Mexico gentleman whose dreams threaten his reality According to his dreams this unassuming man was once a printer in seventeenth century Paris and then a United States senator Prior to both of these lives he was an Anasazi sun priest in the eleventh century At first it was easy to ignore his dreams However thanks to their persistence this man must come to terms with the ramifications of his past lives and how they may affect the life he currently struggles to lead Set above the backdrop of an ancient bridge in Paris *Pont Marie* is the narrative of places people and things once forgotten but enlivened in one mans mind How can he thrive in his current life when the past permeates his present How can he hold together relationships when ancient relationships still haunt Will his quest for closure leave him cleansed or perhaps insane

Award Monologues for Men Patrick Tucker, Christine Ozanne, 2007 Containing more than fifty monologues taken from prize winning plays written since 1980 *Award Monologues for Men* provides the best range of up to date audition pieces for men
