**Heyday of the Somerset & Dorset Railway** Alan Hammond,Christine Hammond,2008 Railways      **Somerset & Dorset Joint Railway** Stephen Austin,1999      The Somerset and Dorset Railway John Bailey,2016-02-08 Take a journey on The Somerset Dorset Railway back to the halcyon days of steam to a time when a tablet was either taken for a headache or used to ensure only one train was on a single track section at a time and blackberries were picked on the line side to make a pie The book will take you on the journey from Bath to Bournemouth describing the stations along the route and is complemented by tales from the footplate told by Somerset Dorset men Wallace Moon and Geoff Akers Then fast forward to the present and 50 years ago what to many was the best loved line of all was swept aside by the ruthless actions of Dr Beeching But out of adversity comes opportunity and a spirited group of enthusiasts all volunteers has worked relentlessly since 1996 to lovingly restore the station at Midsomer Norton We are now welcoming steam locomotives once again to the Somerset Dorset Railway with the aim of edging closer and closer to Chilcompton Tunnel and beyond      *The Somerset & Dorset Railway* Robin Atthill,1967      **The Somerset and Dorset Railway** Robin Atthill,1985      **List of photographs of the somerset and dorset railway (pbk).** J. f Rimmer,Somerset and dorset railway trust,1992      The Somerset & Dorset Railway Director of Product Design John Bailey,John Bailey,2018-01-30 Take a journey on The Somerset Dorset Railway back to the halcyon days of steam to a time when a tablet was either taken for a headache or used to ensure only one train was on a single track section at a time and blackberries were picked on the line side to make a pie The book will take you on the journey from Bath to Bournemouth describing the stations along the route and is complemented by Tales From The Footplate as told by Somerset Dorset men In 1966 The Somerset Dorset railway succumbed to the Beeching Axe but is now rising from the ashes at Midsomer Norton thanks to a dedicated group of volunteers The book is also a guide to the present day Somerset Dorset Railway Heritage Trust at Midsomer Norton South Station      **The Picture History of the Somerset & Dorset Railway** Robin Atthill,2016-05-06 Over 140 photos accompanied by extended captions written by Robin Atthill illustrate the beauty and variety of scenery that attracted visitors and photographers from far and wide to this legendary much loved line Atthill researched the history of the S D in depth and described the sturdy individuality of a line that had to deal with the challenges of difficult operating conditions and fluctuating seasonal holiday traffic      **Locomotives of the Somerset & Dorset Joint Railway** Tim Hillier-Graves,2021-11-30 Although closed to traffic in 1966 with most of its infrastructure swiftly destroyed by British Railways this unique railway line still lives in the minds of many some too young to remember it in its heyday For more than a hundred years it courted disaster and could on a number of occasions have

succumbed to overpowering financial pressures but it survived with the help of partnerships with larger more secure companies namely the Midland Railway and the London South Western Railway Later on after the grouping in 1923 the line came under the control of the L M S and the Southern Railway It was unfortunate that the line suffered in later years from inter regional rivalry between the Western and Southern Regions of British Railways which led to its eventual closure The variety of companies involved in its running meant that during its lifetime the small pool of locomotives needed to service the line was supplemented by the best each partner could offer So from the beginning to the end there were a myriad number of types of locomotive running over the Mendips providing a lively variety of motive power This heavily illustrated book traces this unique and fascinating history and brings to life this singular much missed and loved railway The Somerset & Dorset Railway Robin Atthill,1967      **Celebration of the Somerset/Dorset Railw** Alan Hammond,2005-12 This album of photographs and stories brings alive again what has made the Somerset and Dorset Railway so special for so many and provides a most fitting 40th anniversary celebration      Maritime Activities of the Somerset & Dorset Railway Chris Handley,2001      Somerset & Dorset Jeffery Grayer,2019-07-30 The second book in the pictorial series features Dick Riley s photography of the famous Somerset Dorset railway The cross country line also known as S D is one of several much lamented lines and perhaps the most missed today Dick Riley photographed S D frequently in a ten year period starting in 1955 Somerset Dorset lets you travel in time to the glory days of the line Riley usually recorded S D during the summer months treating us to a wealth of views from the Pines Express and other through trains to more humble passenger workings freight and even shunted and banking duties The infrastructure or the staff are not neglected either Whilst the S D may have been one of the most photographed lines in the country Dick Riley s views break new ground His photographs were often taken from vantage points rarely visited by others His unrivalled skills make this a unique collection a true record of one man collating the story of this once a truly remarkable railway      **Somerset and Dorset Railway** David Cross,2006 Even though we are approaching the 40th anniversary of the closure of the Somerset Dorset railway between Bath Bournemouth in March 1966 the line s popularity with enthusiasts remains undiminished This book features 170 archival photographs of the line      The Somerset and Dorset Files Martin Smith,2008      *Stories of the Somerset and Dorset* Alan Hammond,1995      *The Somerset & Dorset* Mac Hawkins,1995
