Sisters of Mokama Jyoti Thottam,2022-04-12 Sisters of Mokama is proof that faith and courage does move mountains Abraham Verghese author of Cutting for Stone The never before told story of six intrepid Kentucky nuns their journey to build a hospital in the poorest state in India and the Indian nurses whose lives would never be the same New York Times editor Jyoti Thottam s mother was part of an extraordinary group of Indian women Born in 1946 a time when few women dared to leave their house without the protection of a man she left home by herself at just fifteen years old and traveled to Bihar an impoverished and isolated state in northern India that had been one of the bloodiest regions of Partition in order to train to be a nurse under the tutelage of the determined and resourceful Appalachian nuns who ran Nazareth Hospital Like Thottam s mother s journey the hospital was a radical undertaking it was run almost entirely by women who insisted on giving the highest possible standard of care to everyone who walked through its doors regardless of caste or religion Fascinated by her mother s story Thottam set out to discover the full story of Nazareth Hospital which had been established in 1947 by six nuns from Kentucky With no knowledge of Hindi and the awareness that they would likely never see their families again the sisters had traveled to the small town of Mokama determined to live up to the pioneer spirit of their order

founded in the rough hills of the Kentucky frontier A year later they opened the doors of the hospital soon they began taking in young Indian women as nursing students offering them an opportunity that would change their lives One of those women of course was Thottam s mother In Sisters of Mokama Thottam draws upon twenty years worth of research to tell this inspiring story for the first time She brings to life the hopes struggles and accomplishments of these ordinary women both American and Indian who succeeded against the odds during the tumult and trauma of the years after World War II and Partition Pain and loss were everywhere for the women of that time but the collapse of the old orders provided the women of Nazareth Hospital with an opening a chance to create for themselves lives that would never have been possible otherwise

her own hands if she could not live the life she always wanted As a young woman her father would always encourage her to be her best and that she would become a wonderful human being She knew her biological parents love her but when her mother left her and her five siblings behind she questioned the love of her mother Mariana knew that she was daddy's little girl but she did not know if her mother felt the same about her She knew exactly the kind of life she wanted when she grows up but after the death of her father she knew it would be a struggle staying on track She was quite determined to rise up in spite of her adversities After the death of her father she moved in with her auntie She hoped that she would feel love again but unfortunately it was the beginning of a difficult journey She had some of the most grueling experiences in her life that at times she wished she was dead and buried next to her daddy Mariana was determined to make a life for herself Luck came when she met a family who fell in love with her and decided to take her in At that point she knew that she would be able to get an education and fulfill that long anticipated dream She wanted all the good things in life but she knew that those good things come at a cost As she began her new life with this family she had some of the greatest experiences and it was the first time that she actually felt loved since the death of her father and the absence of her mother Her life at her new home was certainly a new experience but it was too good to be true Mariana at a tender age was exposed to sex by her foster father who got her pregnant while she was still a child From that point on she became a lover of sex which resulted in her many pregnancies This riveting tale takes one deep into the life of a woman who fought for the life she wanted but faced many obstacles that forced her to go from one relationship to another In her quest to find a husband and create the ideal family for herself her luck led her down a path that was truly painful for her She had many children with men who had no interest in staying with her Did she ever get that life that she anticipated It was not until all the rules in the book were broken that she actually found love after giving up on the world to become a nun Her feelings could not be easily suppressed so she had to find a way to satisfy her craving even if she had to bring someone into her sacred space The convent was not off limits when it comes to a woman who would take the ultimate risk to obtain love This explorative journey takes the reader on a mission to a place that was dark and vacant but change will come and will reside in the heart of a woman who was beaten down by selfish men who think only of themselves as they seek pleasure from those who are weak and are unable to resist the undeniable feeling of love

The Convent's Assassin Pauline Drouin-Degorgue, 2020-05-26 The Convent's Assassin A nun has been murdered In the room a sleeping body offers its uncovered throat In a split second the murderous arm rises and strikes its target two times The weapon pierces the throat to the right and to the left The body convulses for a moment before surrendering to death The door closes and the shadow slips back into the darkness The deceased is Mother Notre Dame Des Pins the Mother Guardian of the Convent One could say that she was a mean and cruel woman Many lives were held captive in her hands All feared destruction by her vengeful nature She had to die However who possessed the courage to administer justice Was the killer a nun or her young paramour Or rather these two lovers surprised in action by the terrible woman Or

perhaps this good chaplain with a heavy conscience Just what goes on behind the closed doors of Convents Set in the 1950s this spell binding murder mystery holds its secrets until the very end [The Dublin Review](#) Nicholas Patrick Wiseman,1919
