Shapiro, 2010-12 This first biography of Susan Sarandon highlights the real person behind the screen image exploring her idealism values and combative spirit in the service of higher goals while also celebrating her stunning film career Renowned celebrity biographer Marc Shapiro traces Sarandon's life from her strict Catholic upbringing in suburbia and her early days of protest in high school for civil rights and against the Viet Nam War to her more recent involvement with women and children's rights in Nicaragua the AIDS quilt project ACT UP the disruption of an Academy Awards ceremony to protest the internment of Haitians with HIV and many other ongoing projects Shapiro also discusses her first career successes through high profile roles in The Rocky Horror Picture Show Pretty Baby Atlantic City and Thelma and Louise as well as her openly unconventional relationships with directors Louis Malle and Franco Amuri and actor Tim Robbins So motivated is Sarandon by her convictions that she often chooses roles to reflect larger issues She agreed to play in the film Dry White Season to draw attention to the evils of apartheid and her opposition to the death penalty resulted in her Academy Award winning performance in Dead Men Walking Over the years she has paid a price for her activist positions and supposedly she has accumulated a sizable FBI file Nonetheless she has proved time and again that she is always ready to speak out and act up whenever she believes it will do some good No ordinary biography Susan Sarandon is a captivating page turner about a sexy alluring and passionately committed actress who has broken every conventional rule **New York Magazine**, 1982-08-23

Fight Against Fear Clive Webb, 2011-03-15 In the uneasily shared history of Jews and blacks in America the struggle for civil rights in the South may be the least understood episode Fight against Fear is the first book to focus on Jews and African Americans in that remarkable place and time Mindful of both communities precarious and contradictory standings in the South Clive Webb tells a complex story of resistance and complicity conviction and apathy Webb begins by ranging over the experiences of southern Jews up to the eve of the civil rights movement from antebellum slaveowners to refugees who fled Hitler's Europe only to arrive in the Jim Crow South He then shows how the historical burden of ambivalence between Jews and blacks weighed on such issues as school desegregation the white massive resistance movement and business boycotts and sit ins As many Jews grappled as never before with the ways they had become and yet never could become southerners their empathy with African Americans translated into scattered individual actions rather than any large scale organized alliance between the two groups The reasons for this are clear Webb says once we get past the notion that the choices of the much larger less conservative and urban centered Jewish populations of the North define those of all American Jews To understand Jews in the South we must look at their particular circumstances their small numbers and wide distribution denominational rifts and well founded anxiety over defying racial and class customs set by the region's white Protestant majority For better or worse we continue to define the history of Jews and blacks in America by its flash points By setting aside emotions and shallow perceptions Fight against Fear takes a substantial step toward giving these two communities the more open and evenhanded consideration their shared experiences demand
