**Modern Paganism in World Cultures** Michael Strmiska, 2005-12-12 The most comprehensive study available of neo pagan religious movements in North America and Europe *Modern Paganism in World Cultures* collects the work of specialists in religion folklore and related fields to provide a comprehensive treatment of the movement to reestablish pre Christian religions Detailed accounts of the belief systems and rituals of each religion along with analysis of the cultural social and political factors fueling the return to ancestral religious practice make this a rich singular resource Scandinavian Asatru Latvian Dievturi American Wicca long dormant religions are taking on new life as

people seek connection with their heritage and look for more satisfying approaches to the pressures of postmodernism The Neopagan movement is a small but growing influence in Western culture This book provides a map to these resurgent religions and an examination of the origins of the Neopagan movement      **Multiculturalism and the Mouse** Douglas Brode, 2009-01-27 In his latest iconoclastic work Douglas Brode the only academic author scholar who dares to defend Disney entertainment argues that Uncle Walt's output of films television shows theme parks and spin off items promoted diversity decades before such a concept gained popular currency in the 1990s Fully understood It's a Small World one of the most popular attractions at the Disney theme parks encapsulates Disney's prophetic vision of an appealingly varied world each race respecting the uniqueness of all the others while simultaneously celebrating a common human core In this pioneering volume Brode makes a compelling case that Disney's consistently positive presentation of difference whether it be race gender sexual orientation ideology or spirituality provided the key paradigm for an eventual emergence of multiculturalism in our society Using examples from dozens of films and TV programs Brode demonstrates that Disney entertainment has consistently portrayed Native Americans African Americans women gays individual acceptance of one's sexual orientation and alternatives to Judeo Christian religious values in a highly positive light Assuming a contrarian stance Brode refutes the overwhelming body of serious criticism that dismisses Disney entertainment as racist and sexist Instead he reveals through close textual analysis how Disney introduced audiences to such politically correct principles as mainstream feminism In so doing Brode challenges the popular perception of Disney fare as a bland diet of programming that people around the world either uncritically deem acceptable for their children or angrily revile as reactionary pabulum for the masses Providing a long overdue and thoroughly detailed alternative Brode makes a highly convincing argument that with an unwavering commitment to racial diversity and sexual difference coupled with a vast global popularity Disney entertainment enabled those successive generations of impressionable youth who experienced it to create today's aura of multiculturalism and our politically correct value system      **From Angels to Aliens** Lynn Schofield Clark, 2005-10-27 Harry Potter Buffy the Vampire Slayer and the Left Behind series are but the latest manifestations of American teenagers longstanding fascination with the supernatural and the paranormal In this groundbreaking book Lynn Schofield Clark explores the implications of this fascination for contemporary religious and spiritual practices Relying on stories gleaned from more than 250 in depth interviews with teens and their families Clark seeks to discover what today's teens really believe and why She finds that as adherence to formal religious bodies declines interest in alternative spiritualities as well as belief in superstition grow accordingly Ironically she argues fundamentalist Christian alarmism about the forces of evil has also fed belief in a wider array of supernatural entities Resisting the claim that the media brainwash teens Clark argues that today's popular stories of demons hell and the afterlife actually have their roots in the U.S.'s religious heritage She considers why some young people are nervous about supernatural stories in the media while others comfortably and often unselfconsciously blur the

boundaries between those stories of the realm beyond that belong to traditional religion and those offered by the entertainment media At a time of increased religious pluralism and declining participation in formal religious institutions Clark says we must completely reexamine what young people mean and what they may believe when they identify themselves as spiritual or religious Offering provocative insights into how the entertainment media shape contemporary religious ideas and practices From Angels to Aliens paints a surprising and perhaps alarming portrait of the spiritual state of America s youth

**Religion in Uniform** Edward Waggoner,2019-10-03 Religion in Uniform argues powerfully that Americans must reform their military s chaplaincy Americans fund this public project to serve all persons in the armed forces but the chaplaincy currently fails to do so Waggoner shows that Americans support for keeping chaplain positions in the military has always rested on a mix of political military and religious rationales that continue to evolve He argues political military and theological reasons to eradicate bias gender discrimination and sexual violence in the chaplain corps and to stop the use of chaplains in strategic roles abroad Acknowledging that Christian groups are providing the strongest support for the chaplaincy s status quo Waggoner contests the specific theological claims that underwrite their

policies He launches a new critical and constructive discussion about US military religion for the twenty first century **The Warren Witches** Constance M. Burge,Various,2005-05-31 Binding Ties The most important thing in the Charmed Ones lives isn't magic and it's not their jobs or their clothes It's family Piper Phoebe and Paige are Warren witches the latest in a long line of women with incredible supernatural strength For more than two centuries the Warren witches have fearlessly practiced magic From Melinda Warren in the 1600s to the Charmed Ones in 2005 the power of these witches is unsurpassed The Warren Witches recounts never before told stories of their lives as women as witches and most important as members of a family of considerable magical strength and power Above all they are family beyond all they are witches **House of Shards** Micol Ostow,2006-11-28 These walls have watched the witches the witches have watched the world These walls now turn against them some evil's been unfurled The one thing any Halliwell witch has always been able to count on is Halliwell Manor the ancestral home of the Charmed Ones and one of San Francisco's historical landmark homes The grand old house has sheltered generations of women and bits of Charmed history are practically built into the walls So when the Manor seems to have turned against its inhabitants needless to say the Halliwell sisters start to worry It begins simply The hot water heater is broken No big Leo's great around the house But this is no simple plumbing problem Soon the Manor seems to be messing with the girls Leo and Wyatt in increasingly malicious ways Thankfully the Book of Shadows has created a safe zone for itself in the attic But the Charmed Ones can hardly live up there forever Can they find out what's turned their safe haven into an evil lair before it's too late for the Manor and for them Picture Perfect Cameron Dokey,Constance M. Burge,2005-09-27 A face revealed and rage unleashed old anger set upon the world Three sisters must come together to fight or worse fates will surely be unfurled The Bay Mirror is covering the grand reopening of Mural House a San Francisco landmark built in the 1920s and Phoebe invites her sisters to attend Piper's got her hands full with P3 but Paige happily tags along to see the once famous artists colony that housed great art passion and scandal Notable for all three is the story of the building's architect William Lancaster who during the construction fell in love with an artist a young divorcee named Isabella Marshall Their relationship was tumultuous at best eventually ending in tragedy and in William's disappearance The hoopla surrounding Mural House's reopening has made William and Isabella's love affair legendary With the permission of Isabella's daughter Lucile Phoebe has been reprinting the couple's love letters in her column She joins Lucile now an elderly woman at the gala's main event the unveiling of a long painted over mural Lucile is visibly upset when the mural is revealed in fact she seems horrified Before passing out from fear she whispers The evil has been released Leo Rising Paul Ruditis,2007-08-28 The Power of Three has gone underground Clues and magic can't be found Grown up sons come quickly forth Help your father find his worth While a newly mortal Leo is out for a walk with Wyatt and newborn Chris demons trap the Charmed Ones in the house and take them to the Underworld where they are imprisoned by demon scientist Dr Gnivik who plans to steal the Power of Three When Leo returns to find the house empty and in even more disarray than when he had left he tries

to piece together what happened but can't. Due to his recent fall from grace the Elders ignore his calls. What is he to do? With no other options and no magic of his own, Leo becomes desperate. Using a spell from the Book of Shadows, his sons' magic, and a sliver of unicorn horn, he calls the future versions of Wyatt and Chris back to the present. Together, the Halliwell men go in search of The Charmed Ones. With Dr. Givik nearing success and the sisters powerless to stop him, it's up to Leo and the boys to save the day.

**High Spirits** Scott Ciencin, Constance M. Burge, 2007-04-24 The Charmed Ones travel to Hollywood where they attend a bash at a mansion hosted by Kevin Peterson and before long it appears the place is being haunted.

Trickery Treat Diana G. Gallagher, Constance M. Burge, 2008 It's Halloween and Piper is busy decorating the Manor which has become the neighborhood hot spot on the most bewitching night of the year. Meanwhile, Paige decides to use the party as a chance to honor the dead. She casts a spell that creates a portal for a clan of leprechauns and other wandering spirits.

*Light of the World* Scott Ciencin, 2006-12-01 From sea to sea to shining sea, I bade that she come back to me. Without her look, without her face, I bade I too would leave this place. The Charmed Ones couldn't be happier. Phoebe and Piper's childhood friend Lyssa is getting married and has asked them to be bridesmaids. They're thrilled to support her at her wedding and jump at the chance to get away to the seaside for a little while. The ceremony will take place in Serenity Cove's beautiful old lighthouse which is rumored to be haunted by the vengeful spirit of the lighthouse keeper who lost his true love at sea one hundred years ago on the date of Lyssa's wedding. The Halliwell sisters ignore the rumors until that is, they notice the strange behavior of Lyssa's fiancé. He seems to have become obsessed with Lyssa's family heirloom, a strange and beautiful diamond called the Light of the World. Can the Charmed Ones disclose his true identity and intentions before their friend says I do to Mr. Wrong?

*Hurricane Hex* Diana G. Gallagher, 2006-02-07 The Charmed sisters visit their friend Sharon in Florida and are alarmed when Sharon's attempts at magic direct a hurricane straight at them.

Demon Doppelgangsters Greg Elliot, 2005-11-22 While working as a museum tour guide, Paige realizes that a strange stone egg recently added to the collection has evil qualities when the egg releases a demon that replicates itself.
