Kiss Me By Moonlight Michele Zurlo,2014-06-17 Hey there It s Lacey again Falling in love and landing Dylan hasn t been the panacea I thought it would be For starters he moved into my apartment without asking and he continues to have no respect for my need to have things in sets of six Pile that on top of my emotional upheaval after losing my stepfather and you have a recipe for disaster no amount of German chocolate cake can cure Yes Lacey Hallem s life remains fraught with challenge but you know she s a fighter Forming a talent management agency with her best friends has been the best career move she s ever made even if it s the only thing currently working according to plan Lacey s OCD is getting the better of her and this time her hands aren t the only casualty When her lies ruin her relationships with both Kiss Me Goodnight and Dylan she s forced to confront her demons in ways she s never had to before As she again faces her past can she learn once and for all to let love and friendship through the barriers she s built Both harrowing and hilarious this conclusion to the tale of Lacey and Dylan will leave you laughing crying and fanning yourself sometimes all at once Michele Zurlo triumphs again in this moving story about life s quirks and what we all have to do to get by *Disney Gothic* Jeffrey Andrew Weinstock,Lorna Piatti-Farnell,2024-04-24

Despite Disney s carefully crafted image of family friendliness Gothic elements are pervasive in all of Disney s productions ranging from its theme parks to its films and television programs The contributors to *Disney Gothic* reveal that the Gothic in fact serves as the unacknowledged motor of the Disney machine Exploring representations of villains ghosts and monsters this book sheds important new light on the role these Gothic elements play throughout the Disney universe in constructing and reinforcing conceptions of normalcy and deviance in relation to shifting understandings of morality social roles and identity categories In doing so this book raises fascinating questions about the appeal marketing and consumption of Gothic horror by adults and particularly by children who historically have been Disney s primary audience
