**I, Cosmo** Carlie Sorosiak, 2021-03-30 A golden retriever narrates a hilarious heart tugging tale of a dog and his humans as he tries to keep his family together while everything around them falls apart. Ever since Cosmo became a big brother to Max ten years ago, he's known what his job was: to protect his boy and make him happy. Through many good years marked by tennis balls and pilfered turkey, torn up toilet paper, and fragrant goose poop, Cosmo has doggedly kept his vow. Until recently, his biggest problems were the evil tutu wearing sheepdog he met on Halloween and the arthritis in his own joints. But now, with Dad scented blankets appearing on the couch and arguing voices getting louder, Cosmo senses a tougher challenge ahead. When Max gets a crazy idea to teach them both a dance routine for a contest, how can Cosmo refuse? Stiff hips or no, Max wants to remind his folks of all the great times they've had together dancing and make them forget about the d-word that's making them all cry. Told in the open, optimistic, unintentionally humorous voice of a golden retriever, I, Cosmo will grab readers from the first page and remind them that love and loyalty transcend whatever life throws your way.

*Where the Flowers Bloomed* Tim Swink, 2025-02-18 In this sequel to *Curing Time*, Thomas has returned to look for the daffodils that used to bloom in Walt and Daisy's yard every spring as they sat underneath the big oak trees sipping cold water just drawn from the well. The day of Thomas' return was a blustery April day in 1990, T. S. Eliot's tortured, cruelest month, the one that could not make up its mind, offering the hopes of gentle days yet delivering mostly broken promises. Curing Time his breakout novel and picks up the story of Hume Rankin and his family in North Carolina particularly the idealistic Thomas in this titillating tale of southern mystery murder and manners proving there is always a cost to going home Swink firmly lodges himself in the tradition of southern fiction where nothing is simple the land is dusty and mud caked and issues of race have been and continue to be ever present but this tale is also about how family is what matters most though sometimes even this may make you pay the highest price Steve Cushman author of Portisville and How Birds Fly In this suspenseful outcry for racial justice Tim Swink brings shamanism to bear on the old Southern plague of the sins of the fathers staining the generations Where the Flowers Bloomed offers an ambitious take on the genealogical novel and challenges Thomas Wolfe's declaration that you can't go home again Swink's cross cutting technique achieves cinematic impact as bigotry and bloodletting succumb to reconciliation Michael Gaspeny author of A Postcard from the Delta and The Tyranny of Questions Read less *Monstrous Penetrations Volume 2 (Monster Erotica 4-Book Bundle)* Nixie
