## **Something About The Author Autobiography Series:**

**Something about the Author Autobiography Series** Jean Little Collection,1994      **Something About the Author Autobiography Series** Joyce Nakamura,1990-05 A collection of autobiographical essays written by prominent authors and illustrators of books for children and young adults      *Something about the Author* ,2001      **Something about the Author, Autobiography Series** ,1986      **Something about the Author Autobiography Series** ,1996      **Something about the Author, Autobiography Series** Adele Sarkissian,1971      **The Continuum Encyclopedia of Children's Literature** Bernice E. Cullinan,Diane Goetz Person,2005-01-01 Provides articles covering children s literature from around the world as well as biographical and critical reviews of authors including Avi C S Lewis J K Rowling and Anno Mitsumasa      *Eleanor Cameron* Paul V. Allen,2018-02-20 Eleanor Cameron 1912 1996 was an innovative and genre defying author of children s fiction and children s literature criticism From her beginnings as a librarian Cameron went on to become a prominent and respected voice in children s literature writing one of the most beloved children s science fiction novels of all time *The Wonderful Flight to the Mushroom Planet* and later winning the National Book Award for her time fantasy *The Court of the Stone Children* In addition Eleanor Cameron played an often vocal role in critical debates about children s literature She was one of the first authors to take up literary criticism of children s novels and published two influential books of criticism including *The Green and Burning Tree* One of Cameron s most notable acts of criticism came in 1973 when she wrote a scathing critique of Roald Dahl s *Charlie and the Chocolate Factory* Dahl responded in kind and the result was a fiery imbroglio within the pages of the *Horn Book Magazine* Yet despite her many accomplishments most of Cameron s books went out of print by the end of her life and her star faded This biography aims to reinsert Cameron into the conversation by taking an in depth look at her tumultuous early life in Ohio and California her unforgettably forceful personality and criticism and her graceful heartfelt novels The biography includes detailed analysis of the creative process behind each of her published works and how Cameron s feminism environmentalism and strong sense of ethics are reflected in and represented by her writings Drawn from over twenty interviews thousands of letters and several unpublished manuscripts in her personal papers *Eleanor Cameron* is a tour of the most exciting and creative periods of American children s literature through the experience of one of its valiant purveyors and champions      [Richard Peck](#) Donald R. Gallo,Wendy J. Glenn,2008-11-25 One of the most revered authors of young adult books Richard Peck has penned several critical and commercial successes including *Dreamland Lake The Ghost Belonged to Me* and the National Book Award finalist *A Long Way from Chicago* Peck s novels have also received prestigious awards including the Edgar for *Are You in the House Alone* and the Newbery Medal for *A Year Down Yonder* He is also the recipient of the Margaret A Edwards Award the National Humanities Medal the ALAN Award and the National Endowment for the Humanities Medallion In *Richard Peck The Past Is Paramount* authors Donald R Gallo and Wendy J Glenn recount the highlights of Peck s life focusing on his world travels his accomplishments as a teacher and his

renowned writing career Gallo and Glenn examine Peck's 30 novels as well as his short stories and children's books poems essays and other nonfiction An additional chapter analyzes themes characters and style in his writing The appendixes list Peck's many honors and prizes as well as film adaptations of his works The extensive bibliography cites all of Peck's primary and secondary works along with sources of interviews speeches prayers and credos articles about him and sources of reviews of each of his books For fans and scholars alike Richard Peck The Past Is Paramount is the most authoritative resource about the life and work of this beloved author

*Something about the Author* Kevin S. Hile, 1995 Series covers individuals ranging from established award winners to authors and illustrators who are just beginning their careers Entries cover personal life career writings and works in progress adaptations additional sources and photographs

**Lesbian and Gay Voices** Frances A. Day, 2000-06-30 With a foreword by Nancy Garden the highly acclaimed author of Young Adult Fiction this thoughtfully written annotated bibliography reviews picture books young adult fiction short stories nonfiction works and biographies for young readers Entries specify the age level appropriateness of each work as well as literary awards received for the work Each annotation is followed by a list of topics in the work which the user will find cross referenced in the topic index With additional recommendations on books for librarians educators and parents and a set of suggested guidelines for evaluating books this user friendly guide is valuable as both a reader resource and as collection development tool The guide also provides author profiles of selected writers who have made outstanding contributions to this field of literature This information is complemented by inspiring author quotes photographs and lists of their books categorized by age level appropriateness The up to date information on helpful resources for teens and their families found here along with a select bibliography and additional indices make this comprehensive guide a powerful and important reference tool for helping young gay and lesbian readers

**Dear Readers and Riders** Lettie Teague, 2024-05-21 The untold story of the favorite children's book author featuring original artwork by Wesley Dennis from some of Henry's best known books as well as over 100 personal photographs letters and artifacts In certain circles her name inspires immediate recognition and pronouncements of a committed admiration that has likely spanned decades As an author Marguerite Henry was indeed remarkably prolific with 59 books published millions of copies sold and nearly 80 years of her life spent writing them or responding personally to the stacks of fan mail she received at her typewriter Her books most meticulously researched historical fiction about influential horses and the hosts of fascinating characters who surrounded them to name just a few her Newbery Award winner King of the Wind the book that changed an island Misty of Chincoteague and the glowingly reviewed Justin Morgan Had a Horse have had an outsized influence on those who grew up reading them ultimately leading to writing careers lives dedicated to riding and caring for horses and other animals and even fan memoirs describing Henry's impact But despite a professional existence that became profoundly public particularly after Misty of Chincoteague published in 1947 became a bestseller and eventually a popular feature film in 1961 Henry's own life was mostly shielded from view With

particular purpose to uncover what is little known about the author as well as superb instincts for illustrating fascinating details that help readers construct the settings in which Henry's creative mind intensive historical and scholarly research and storytelling ability matured and evolved accomplished journalist and author Lettie Teague has provided a unique biography that is as much a pleasure to read as her subject's own books Highlighting over a dozen titles that represent to Teague not only the best of Marguerite Henry's work but help tell the story of Marguerite Henry herself and following the trail of some of her remarkable collaborators most importantly the charismatic and talented artist Wesley Dennis Teague gives Henry fans what they always strived for through their thousands of letters personal connection Perhaps what Henry would deem less important but becomes more and more valid as time passes is Teague's desire for the author's legacy to live on Many of Marguerite Henry's books are still very much in print but as time passes fewer will remember once writing her fan letters or perhaps think of the author at all In these pages Teague ensures that Marguerite Henry the writer will always be considered as every bit as remarkable as the books that she wrote Featuring original artwork by Wesley Dennis from some of Henry's best known books as well as over 100 personal photographs letters and artifacts few have seen this is a warm and wonderful biography for bibliophiles horse lovers aspiring writers and Marguerite Henry fans young and old *Karen Cushman* Susanna Daniel, 2005-12-15 This appealing book presents an in depth look at one of the most popular authors of historical fiction for young adults Cushman who won the prestigious Newbery Medal for *The Midwife's Apprentice* and a Newbery Honor for *Catherine Called Birdy* is most recognized for her strong and independent minded female protagonists most of whom lived in the Middle Ages Included are lists of published titles awards received source notes a biographical timeline and an interview with the author *Another Jar of Tiny Stars* Deborah Wooten, 2010-07-01 A Jar of Tiny Stars is one of the most popular poetry books from WordSong This new edition is now expanded and includes the work of the latest five winners of the National Council of Teachers of English Award for Poetry for Children By turns silly and wise playful and thought provoking the poems in this collection were chosen by young readers as their favorites among those written by NCTE Award winners New to this collection are works from Eloise Greenfield Nikki Grimes Mary Ann Hoberman Lee Bennett Hopkins and X J Kennedy Rounding out the collection are poems by Arnold Adoff John Ciardi Barbara Esbensen Aileen Fisher Karla Kuskin Myra Cohn Livingston David McCord Eve Merriam Lilian Moore and Valerie Worth **After Disney** Neil O'Brien, 2025-03-04 The untold succession struggle at Walt Disney Productions following the death of its founder and the generational transformation which led to the birth of the modern multibillion dollar animation industry Walt Disney left behind big dreams when he died in 1966 Perhaps none was greater than the hope that his son in law Ron Miller would someday run his studio Under Miller's leadership Disney expanded into new frontiers global theme parks computer animation cable television home video and video games Despite these innovations Ron struggled to expand the Disney brand beyond its midcentury image of wholesome family entertainment even as times and tastes evolved Tensions between Miller

and Walt's nephew Roy E. Disney threatened to destroy the company leading Wall Street Gordon Gekko types to come after Mickey Mouse. At the same time the aging Animation Department once the core of Walt's business was one memo away from shutting down forever. Rather thanks to the radical efforts of Walt's veterans to recruit and nurture young talent it was revived by this sudden influx of artists who would go on to revolutionize the film industry. Additionally this new generation would prove over time that animation was so much more than just kids stuff it was a multibillion dollar industry. This is the upstairs downstairs story of the executives and animators who clashed and collaborated to keep America's most storied company alive during the most uncertain period in its one hundred year history.

**Latin American Writers on Gay and Lesbian Themes** David William Foster, 1994-11-07 Gay and lesbian themes in Latin American literature have been largely ignored. This reference fills this gap by providing more than a hundred alphabetically arranged entries for Latin American authors who have treated gay or lesbian material in their works. Each entry explores the significance of gay and lesbian themes in a particular author's writings and closes with a bibliography of primary and secondary sources. The figures included have a professed gay identity or have written on gay or lesbian themes in either a positive or negative way or have authored works in which a gay sensibility can be identified. The volume pays particular attention to the difficulty of ascribing North American critical perspectives to Latin American authors and studies these authors within the larger context of Latin American culture. The book includes entries for men and women and for authors from Latin American countries as well as Latino writers from the United States. The entries are written by roughly 60 expert contributors from Latin America, the U.S. and Europe.

**Canadian Reference Sources** Mary E. Bond, Martine M. Caron, 1996 This bibliography cites those Canadian and foreign reference sources that describe Canadian people, institutions, organizations, publications, art, literature, languages and history. It lists books of a general nature as well as works in the disciplines of history and the humanities. These large divisions are then broken down by subject, genre, type of document and province or territory. Titles of national, provincial, territorial or regional interest are included in every subject area when available. The contents of the book are indexed four ways by name, title, French subject and English subject. And to facilitate browsing the major reference books those dealing with more than one subject or a large geographical region are also cross-referenced. Two entries have been created for each bilingual document in order to provide access and bibliographical descriptions in both of Canada's official languages. Entries for unilingual works include citation in the language of the publication and a bilingual annotation. The annotations are descriptive and provide information on the content, arrangements and indexing of works, the availability of non-print formats, previous editions and title changes and related works. Canadian Reference Sources will be an invaluable reference tool for future scholars and researchers.

**The Read-Aloud Handbook** Jim Trelease, 2006-07-25 A New York Times and million copy bestseller, the classic handbook on reading aloud to children, revised and updated. Recommended by Dear Abby, The New York Times and The Washington Post for three decades, millions of parents and educators have turned to Jim Trelease's

beloved classic to help countless children become avid readers through awakening their imaginations and improving their language skills Now this new edition of The Read Aloud Handbook imparts the benefits rewards and importance of reading aloud to children of a new generation Supported by delightful anecdotes as well as the latest research The Read Aloud Handbook offers proven techniques and strategies and the reasoning behind them for helping children discover the pleasures of reading and setting them on the road to becoming lifelong readers

**The Storymakers** ,2000 Explore the lives of 83 of the most talented children s authors writing today Told in the authors own words these lively biographies describe the creative process and offer advice to today s young writers Learn how they create wonderful books where they get their ideas what their desks look like and what their favourite books were when they were growing up

**The 100 Most Popular Young Adult Authors** Bernard A. Drew,1997-10-15 The book focuses on individuals writing in the 90s but also includes 12 classic authors e g Mark Twain Louisa May Alcott J R R Tolkien who are still widely read by teens It also covers some authors known primarily for adult literature e g Stephen King and some who write mainly for middle readers but are also popular among young adults e g Betsy Byars An affordable alternative to multivolume publications this book makes a great collection development tool and resource for author studies It will also help readers find other books by and about their favorite writers
