Something To Write Home About:

Something to Write Home about Claude Colart, Sahm Venter, 2004 Journalists are human beings who see things through human being eyes and bring to their news coverage feelings and experience from the rest of their human being lives they flit across the globe covering all manner of news during which they are faced with a range of feelings from horror to occasional joy Usually left unexpressed these feelings tend to emerge at unexpected times Thoughtful accounts if they emerge at all are told to other journalists sometimes to therapists and even more rarely in published memoirs These moments and encounters hardly ever make it into reports encouraged as journalists are to be neutral and objective Believing that all journalists have something to write home about the editors wanted to create a space for these stories to honour our fallen friends and colleagues Representing 25 countries they have helped to create a mini United Nations of writers photographers producers and camera operators Drawing from their experiences in more than 40 countries they write about the tragic the sad the poignant and sometimes the humorous Introduction Nothing To Write Home About Pete Byrne, 2014-09-14 Nothing to Write Home About is a lightly fictionalized memoir of a now distant period of recent American History The Cold War In mid 1950s America a rite of male passage was a couple of years of non threatening peacetime military service By 1955 the war in Korea was two years past and Vietnam was still just a name For the author then aged eighteen the Army offered an escape from the confines of a blue collar neighborhood a first opening on and into a larger world a semi grownup world filled with characters from all over the country some good some not so good and some just outlandish Two years in the Army with duty in South Carolina Arkansas Colorado and finally Germany became unknowingly at the time one of the genuinely educational and more memorable experiences of a lifetime **God, Family, Country** Craig Morgan, Jim DeFelice, 2022-09-27 Country music icon army veteran father outdoorsman Craig Morgan shares all aspects of his life revealing stories even his most avid fans don't know Written with Jim DeFelice author of the 1 New York Times bestseller American Sniper In 1989 as US news outlets declared an end to Operation Just Cause Craig Morgan was part of an elite group of military operatives jumping into the jungle along the Panamanian border on a covert operation Fans know the country music star from his hit songs and acclaimed albums but there's a lot more to him a soldier who worked with the CIA in Panama an undercover agent who fought sex traffickers in Thailand and a dedicated family man who lives the values he sings Craig details these many facets of his life and more in God Family Country An on stage appearance with his father's band at age ten may have planted the seeds for life as a country star but first he trained as a paratrooper in the army After earning numerous distinctions his path to sergeant major was all but assured Then came a momentous decision he left the active military to pursue music With unwavering support from his wife and a pack of part time jobs he toughed out the lean years and achieved his first big success with the poignant ballad Almost Home Other hits soon followed from party songs like Redneck Yacht Club to the soul rending The Father My Son and the Holy Ghost Born from the anguish of his son Jerry's passing the song's tribute has

consoled and inspired millions across the world Duty to country has been a constant throughout his life and globe spanning career In 2006 as That s What I Love about Sunday topped country radio charts Craig was riding in a convoy of Humvees in Iraq An avid outdoorsman a former sheriff s deputy who s still a member of the auxiliary and always a husband and father first Craig Morgan will inspire you with his life lived by the deepest values God family country *Nothing to Write Home About* Laura Ishiguro,2019-05-01 In the context of surging interests in reconciliation and decolonization settler colonialism increasingly occupies political public and academic conversations *Nothing to Write Home About* is a detailed study of the settler colonial significance of British family correspondence sent between the United Kingdom and British Columbia between 1858 and 1914 Drawing on thousands of letters written by dozens of correspondents it offers insights into epistolary topics including trans imperial family intimacy and conflict settlers everyday concerns such as boredom and food and the importance of what correspondents chose not to write about Analyzing both the letters content and their conspicuous loaded silences Laura Ishiguro traces how Britons used the post to navigate the family separations integral to their migration and to understand British Columbia as an uncontested settler home This book argues that these letters and their writers played a critical role in laying the foundations of a powerful personal settler colonial order that continues to structure the province today **The Soundies** Mark Cantor,2023-04-19 The 1940s saw a brief audacious experiment in mass entertainment a jukebox with a screen Patrons could insert a dime then listen to and watch such popular entertainers as Nat King Cole Gene Krupa Cab Calloway or Les Paul A number of companies offered these tuneful delights but the most successful was the Mills Novelty Company and its three minute musical shorts called Soundies This book is a complete filmography of 1 880 Soundies the musicians heard and seen on screen recording and filming dates arrangers soloists dancers entertainment trade reviews and more Additional filmographies cover more than 80 subjects produced by other companies There are 125 photos taken on film sets along with advertising images and production documents More than 75 interviews narrate the firsthand experiences and recollections of Soundies directors and participants Forty years before MTV the Soundies were there for those who loved the popular music of the 1940s This was truly music for the eyes **Life of a Lady Poet** Anastasia Writer,2012-03-29 Book Summary *Life Of A Lady Poet Put Down On Paper* is a collection of poetic works that were written throughout and about the authors life Each poem takes the reader step by step from the authors childhood teenage young adult years all the way to her new life as a single mother raising her young children back in her home town **The Yearbook of South Asian Languages and Linguistics 2003** Rajendra Singh,2004 South Asia is home to a large number of languages and dialects The considerable body of linguists working on this region have made significant contributions to our understanding of language society and language in society on a global scale Despite this there is as yet no recognized international forum for the exchange of ideas amongst South Asian linguists The YEARBOOK OF SOUTH ASIAN LANGUAGES AND LINGUISTICS is designed to be just that forum It brings together empirical and theoretical research and serves as a testing ground for the
