Short Takes: Readers' Choice of the Best Columns of America's Favorite Newspaperman, Damon Runyon Damon

Runyon, 2022-08-16 In Short Takes Readers Choice of the Best Columns of America's Favorite Newspaperman Damon Runyon's literary prowess is showcased through a curated selection of his esteemed newspaper columns. This compilation by DigiCat Publishing highlights the timeless wit and distinctive narrative style that made Runyon one of the most beloved figures in 20th-century American journalism. Not only does each column echo the vibrant life of the roaring twenties and thirties, but the book also serves as a cultural artifact preserving the colloquial charm and urban vibrancy of the era. The inclusion of readers' favorite columns underscores the democratic nature of his appeal and his ability to capture the pulse of the American public. Damon Runyon was an acute observer of the American scene with a keen eye for the idiosyncrasies of urban life. As a newspaperman rooted in the Broadway circuit, his experiences with the characters and the hustle of New York City informed his unique style, blending humor with a poignant sense of humanity. Runyon's journalistic legacy is embodied within these pages, revealing the profound influence his work exerted on American literature and journalism. This edition is recommended for aficionados of classic American literature and for those seeking insight into the zeitgeist of the early 20th century. Readers will not only enjoy wading into the rhythmic cadence of Runyon's prose but also appreciate the historical context preserved in his anecdotal musings. Short Takes is a testament to Runyon's enduring allure as a writer who artfully bridged the gap between the ebullience of common speech and literary excellence.

This official National Park Handbook provides an official introduction to the Carl Sandburg Home National Historic Site in Flat Rock, North Carolina. It is divided into 3 sections: Part 1 tells of the Sandburg family's life in the home; Part 2 presents an authoritative biographical essay on the man and his works; Part 3 provides concise tourist information and reference materials. Carl Sandburg, nationally renowned poet, biographer, lecturer, newspaper columnist, folksinger, author of American fairytales, and winner of two Pulitzer Prizes, provided broad and enduring 20th-century insight into the circumstances, worth, and spirit of the American people. He passionately championed for the everyday working person, those who may neither have had the words nor the power to speak for themselves. The historic landscape consists of the Sandburg residence, a dairy goat barn complex that is home to the park's Connemara Farms goat herd, sheds, rolling pastures, mountainside woods, five miles of hiking trails on moderate to steep terrain, two small lakes, several ponds, flower and vegetable gardens, and an apple orchard.
