Sometimes On A Rainy Day:

Poems for the Day Sherril L. Carss, 2013-05-31 My book *Poems for the Day* is a compilation of Poems written at a deeply tormented time of my life I wrote my first poems when I was on a houseboat at Smiths Creek on Hawkesbury River in N S W a time that seemed to pull the Poems out of me That was in 2007 when I wrote my first Poetry only about six Poems in all I have included some of them in my book for you to read Then no more Poems until the Christmas of 2010 From Christmas 2010 through 2011 I wrote poems like Mad Woman they just poured out of me like a waterfall and no one was more surprised than me A very faith filled anxiety laced time and at this point space doesnt permit me to go in too Sufficient to day writing Poetry was a very comforting pass time for me and being a big fan and student of William Shakespeare Poetry has always held a Special Place in my Heart right from my Grade six reader where I discovered My Country by Dorothy McKellar It is my hope that whoever reads my poetry will be warmed inside out of by my Poems Poems like When someone you love is sick will help you to understand where I was coming from at a very difficult and creative time in my life Thank you for sharing my experience for you makes it all worthwhile *Bulletin of Photography* John Bartlett, Frank V. Chambers, Francis Stapleton Chambers, 1922 **Manufacturing Jeweler** , 1925 **The Jewelers' Circular** , 1921 *The Wearisome Squirrel* Pasquale De Marco, 2025-07-27 The squirrel is a small furry rodent that lives in trees Squirrels are found all over the world and they come in a variety of shapes and sizes Some squirrels are only a few inches long while others can be over a foot long Squirrels have thick fur that helps to keep them warm in the winter and they have long bushy tails that help them to balance when they are climbing trees Squirrels are very active animals and they spend most of their time running jumping and climbing They are also very curious animals and they love to explore their surroundings Squirrels are omnivores which means that they eat both plants and animals They typically eat nuts seeds fruits and insects Squirrels are social animals and they live in groups called colonies Colonies can range in size from a few squirrels to hundreds of squirrels Squirrels communicate with each other using a variety of vocalizations and gestures Squirrels are important members of the forest ecosystem They help to spread seeds and they provide food for other animals Squirrels are also a popular food source for humans In this book we will learn more about the fascinating world of squirrels We will explore their homes their diets their predators and their social behavior We will also learn about the importance of squirrels in the forest ecosystem Squirrels are fascinating creatures and they have a lot to teach us about the natural world I hope that you enjoy learning more about squirrels in this book This book is perfect for children of all ages who are interested in learning more about squirrels The book is full of beautiful photographs and illustrations and the text is easy to understand Children will learn about the different types of squirrels where they live what they eat and how they raise their young They will also learn about the importance of squirrels in the forest ecosystem This book is a valuable resource for parents and teachers who are looking for ways to teach children about the natural world The book is also a great way to introduce children to the joys of reading If you like this book write a review
