

It's okay to feel weak sometimes. It's  
okay to be afraid. The important  
thing is that we face our fears.  
That's...that's what makes us strong.

*It's OK to Be Not OK* Federico G. Villanueva, 2017-09-30 How often have you seen a friend and been greeted with How are you Almost always our automatic response is Fine thank you regardless of whether it's true We proclaim in church services that God is good all the time All the time God is good but there are often times when we feel that life is just unfair and ask God Why The uplifting songs and victorious testimonies of our church gatherings are frequently difficult to identify within the midst of the suffering and hardship of people's daily lives yet there is all too often no room for our not OK experiences in our Christian communities This is especially true for pastors and leaders who are required to always be strong and OK all the time But the songs of lament in the Psalms paint a very different picture of understanding life and how human beings express themselves to God Dr Rico Villanueva uses these Scriptures to teach us that in the presence of God there is room to be not OK and that our negative experiences don't have to be ignored This book challenges us to confront our struggles and questions instead of denying them Most importantly the author invites us to bring all of ourselves into the presence of God and the community of faith For it is through our experiences and sharing them with God and his church that we grow in intimacy with God and our relationships with one another
