When you're sharing a house with seven murder suspects you can't lock the danger out. Immi thinks she has found the perfect new home in central London: a shared warehouse with luxury accommodation, a rooftop terrace, and daily yoga, all with a surprisingly affordable price tag. The Dye Factory is a co-living community designed to combat the loneliness of big city life. But soon after she moves into her new haven, Immi realises that it's not quite as idyllic as it appears. No one seems to know who is behind this multi-million pound urban experiment. And her housemates may be hiding a dangerous secret.
