

The background of the book cover is a soft, painterly illustration of a savanna landscape at sunset. Two giraffes, one large and one small, are in the foreground, their heads touching in a gentle moment. The large giraffe is on the left, and the smaller one is on the right. They both have dark brown spots on a lighter brown background. The sky is a mix of warm colors: pinks, oranges, and yellows, with a bright sun low on the horizon. In the distance, there are silhouettes of trees and a few small animals grazing on the grass.

Answers in the Dark Delphi Ellis, 2022-05-27 The 4am Mystery that's an actual thing by the way Even before a global health crisis took the shape of COVID 19 people around the world were finding themselves sleep deprived awake in the middle of the night You might be someone who says no matter what you do you just can't sleep Sometimes you know why your thoughts are racing or a nightmare has startled you into consciousness Other nights you might toss and turn and just as you finally doze off the alarm blares This book was written for you It explores why you're awake how you can manage your mind at night and what might help if it's your dream content wreaking havoc Drawing on nearly two decades of therapeutic work research and an ancient wisdom proven to helpfully manage the mind Delphi connects the dots between sleep dreams and our mental health She particularly highlights the impact of grief and loss on our well being which can ultimately affect the quality of our night time rest even if no one has died Her book guides the reader on a journey to make friends with night time learning what the dark might have to offer to achieve a calmer healthier happier life

The Visible Ghost Dante P. Chelossi Jr., 2017-11-21 The Visible Ghost tells a tale of a scientist who has an accident inside his laboratory and dies To his astonishment and that of everyone else around him he becomes a ghost who is visible for all to see with their eyes all the time He does not have the ability to become invisible Another fascinating detail about him in his ghost form is that his appearance is 100 percent solid like any living being around him If someone were to stand next to him they could have a conversation with him and not in any way ever suspect that he is in fact a ghost because of how solid in form he appears to be Being a scientist this ghost is extremely intrigued even in death about being a ghost He decides to investigate and document everything possible about being a ghost for others to understand before he disappears which can be at any moment At the very least he has proven to the world that ghosts do in fact exist

Picture-Perfect Science Lessons Karen Rohrich Ansberry, Emily Morgan, 2010 How do you improve upon perfection For years new and experienced elementary school teachers alike have extolled the virtues of Picture Perfect Science Lessons the expertly combined appeal of children's picture books with standards based science content The award winning bestselling book presents ready to teach lessons complete with student pages and assessments that use high quality fiction and nonfiction picture books to guide hands on science inquiry This newly revised and expanded 2nd edition of Picture Perfect Science Lessons manages to surpass the original Classroom veterans Karen Ansberry and Emily Morgan who also coach teachers through nationwide workshops know elementary educators are usually crunched for science instructional

time and could often use refresher explanations of scientific concepts So the authors added comprehensive background notes to each chapter and included new reading strategies They still show you exactly how to combine science and reading in a natural way with classroom tested lessons in physical science life science and Earth and space science And now they offer five brand new lessons Batteries Included The Secrets of Flight Down the Drain If I Built a Car and Bugs bringing the total to 20 Picture Perfect Science Lessons draws on such diverse and engaging books as Dr Xargle s Book of Earth Hounds A House for Hermit Crab Rice Is Life Oil Spill Sheep in a Jeep The Perfect Pet and Weird Friends Unlikely Allies in the Animal Kingdom As a result both reluctant scientists and struggling readers will quickly find themselves absorbed in scientific discovery You ll love how effective this book is and your students will love learning about science *Alone and Still Standing* Andrea Adams,2019-04-15 *Alone and Still Standing* By Andrea Adams Andrea Adams was born in northern Ohio but moved south when she was in her thirties She currently lives in North Carolina with her family and two dogs This book is dedicated to finding your inner strength and surviving against the odds During the dark times in life you can come out on top even if you have to do it alone **Nonfiction Mentor Texts** Lynne R.
