Somewhere...Within the Inspirations of Life Francisco Rdz. Vernet, 2010-12-23 *Somewhere within the inspirations of life* is an emotional written book that pretends to retake the sense of giving instead of taking love and affection The text wanders on how we forget the child innocent approach of enjoying the simplest given affection care and love to those who make our lives worth living it Written in a simplest either naive view the book pretends to make the reader ask about how we waste time in such complicated matters except sharing love to mom children brothers sisters relatives friends and lovers Do we step to smell the roses Do we care to gardening flowers Do we care for our pets Do we hug mom Do we kiss our love ones Love is all around lets take time to show some of it to those we care for Hope you will enjoy the reading as much as the author enjoyed pouring his heart in it

changing perspectives from cultures so far from my small corner of the world **Kidnapped by the Greek Billionaire**

Rachel Lyndhurst, 2012-02-04 Her mother's illness left Kizzy Dean alone and surrounded by bills and vicious moneylenders. Being swept away to the sun-baked Greek Isle of Rhodes may sound like the makings of a fantasy, but for the desperate and penniless Kizzy it's anything but. The brooding billionaire who now owns the restaurant she works and lives in is demolishing her only source of income and the only security she has left. She has no real choice but to go wherever he commands and agree to whatever arrangement he proposes. Greek billionaire Andreas Lazarides is intrigued and mesmerized by the spirited and yet guileless Kizzy. Guilt and sorrow have been his only companions since his sister's death, but Kizzy stirs up something inside him. He's unaccustomed to the word no and unwilling to reveal his closely guarded heart, so he makes her an offer: a position as his very personal assistant. As desperate as Kizzy is, she won't be any man's mistress. But it's only a matter of time before she's forced to decide whether she wants to strangle or ravage her infuriatingly tempting boss. **Indi'n Humor**

Kenneth Lincoln, 1993 Drawing on history, psychology, folklore, linguistics, anthropology, and the arts, this book challenges wooden Indian stereotypes to redefine negative attitudes and humorless approaches to Native American peoples. Moving from tribal culture to interethnic literature, Lincoln explores such topics as the traditional Trickster of origin myths, historical ironies, Euroamericans playing Indian, feminist Indian humor at home, contemporary painters and playwrights reinventing Coyote, popular mixed blood music, and Red English. Lincoln turns to the texts of Native American authors including Louise Erdrich, James Welch, and N. Scott Momaday to illustrate the rich tradition of Native American humor, a tradition that evolved as the result of and has survived in spite of a history of unconscionable suffering and sadness during the course of which ninety-seven percent of the native populations were destroyed. A study of the literary humor of poets like Paula Gunn Allen, Diane Burns, and Linda Hogan provides further evidence of the importance of the role of humor in Native American culture. *Indi'n Humor* documents and interprets the contexts of laughter among Native Americans as they see and are seen by the rest of the world. The study comes to focus comically on the poets, visual artists, playwrights, and novelists who make up the cultural renaissance of the past twenty years. Focusing on ethnic humor from jokes in bars and powwows to intercultural politics to literature, *Indi'n Humor* will enlighten and entertain readers interested in Native American culture as well as scholars of American and Ethnic Studies and humor theorists. **The Ethics of Homelessness: Philosophical Perspectives**

, 2020-01-20 This new and expanded edition of G. John M. Abbarno's anthology *The Ethics of Homelessness* underscores what is ignored in plain sight: people without a home or dwelling are also without privacy and dignity. It is argued that they lack moral standing. The chapters uncover the harsh realities of poverty where economic value overrides competing human values. Naomi Zack argues that homelessness is symbolic of society's materialistic values. It has a tendency to resist sufficient charity and perpetuates conditions of injustice. Uma Narayan questions whether the homeless have protection under the U.S. Constitution. Other authors present an enlarged sphere of homeless to include runaway children, refugees, adoptees, and the
