Son And Father Before And Beyond The Oedipus Complex:

Son and Father Peter Blos, 1985 Includes commentary on Franz Kafka and Shakespeare's Hamlet Sons Talk About Their Gay Fathers Andrew Gottlieb, 2014-01-14 Examine the impact of disclosure on sons whose fathers are gay In this book Andrew Gottlieb author of *Out of the Twilight Fathers of Gay Men Speak* explores yet another side of the impact of homosexuality on families He now looks at how sons react to learning that their fathers are gay allowing us to see over time how this has changed their family relationships and their own lives Simply and elegantly written this psychoanalytically oriented qualitative research study is accessible to both the beginner and the more advanced researcher and practitioner It draws from a wide range of literary popular and psychological sources and includes an interview guide a reference section and an index When someone discloses as gay lesbian or bisexual it is not just an individual event It is a family event Based on estimates of married gay lesbian and bisexual persons a spouse's coming out affects up to 2 000 000 couples Yet its impact has been largely ignored Children's voices are the least often heard Little has been written about sons of fathers who came out during or after marriage Data for studies that do exist most often draw from the fathers point of view The significance of this study lies in its comprehensive detailed picture of sons and gay fathers as they develop their separate self images as well as the images of their son father relationships over time Painful sensitive often triumphant the stories and the author's analysis of their thoughts perceptions and feelings afford a multidimensional longitudinal viewing Step by step we follow the complicated dance of these sons and fathers as they develop and define their connection from the Foreword by Amity Pierce Buxton Author of *The Other Side of the Closet The Coming Out Crisis for Straight Spouses and Families* Sons Talk About Their Gay Fathers Life Curves is a storybook an extended narrative moved along but not overshadowed by psychoanalytic theory The Introduction briefly reviews more recent writings of the fathering experience as told by gay men themselves setting the stage for Father to Child to look at the father as seen through the ever shifting eyes of his son at different phases of the life cycle The Quest for the Real Father an examination of sons responses to their fathers homosexuality as captured in film fiction nonfiction television and the psychological literature Methodology the story of the research process including sampling the search for subjects trustworthiness the interview bias and data collection The Stories an anthology of narratives the author constructed from the interview material painting an intimate portrait of each individual son Findings a categorical analysis Discussion a summary of all the preceding material cast in a developmental framework highlighting implications for future research and clinical practice **Fathers and Sons in the Arab Middle East** D. Cohen-Mor, 2013-11-07 Drawing on insights from psychology sociology anthropology religion history and literature this book examines early and contemporary writings of male authors from across the Arab world to explore the traditional and evolving nature of father son relationships in Arab families My Father Before Me Michael J. Diamond, 2007 This book establishes fatherhood as an essential event for both the father and son's development and examines the relationship throughout the life cycle *Fathers on Film* Katie

Barnett,2020-02-06 The father is an enduring and iconic figure in Hollywood cinema and in the 1990s narratives of redemptive fatherhood featured prominently in some of the decade's most popular films like Kindergarten Cop 1990 Mrs Doubtfire 1993 Jurassic Park 1993 and The Lion King 1994 Interpreting such films through the lens of feminist and queer theory along with masculinity studies and psychoanalysis Katie Barnett offers an insightful and interdisciplinary discussion of cinematic fathers Barnett reveals that the father figure is often portrayed as one that invests in and is part of a discourse of reproductive futurism This plays out across a range of genres including rom coms fantasy sci fi drama and disaster By exploring both blockbuster and more low budget films of the 1990s Barnett explores the figure of the father against the crisis of masculinity in the United States and indeed more globally at this time *Masculinity and Its Discontents* Michael J. Diamond,2021-06-24 Offering a uniquely psychoanalytic developmental perspective on male gender identity and the sense of maleness this book provides an in depth analysis of the development of masculinity in childhood and its continued evolution throughout a man's life Drawing on classical Freudian theory as well as on more contemporary psychoanalytic theories this book explores early infancy and child development preoedipal factors and the oedipal complex the influence of parenting and the unconscious transmission of gendered factors both by mothers and both biological and symbolic fathers the male ego ideal social cultural and biological influences the role of inherent psychic bi genderality in the context of gender binaries and the inherent gendered tensions and challenges experienced as an individual progresses into adult and later life This book is original in its characterization of the male developmental trajectory as underpinned by psychoanalytic principles pertaining to conflict and inherent tensions that continue throughout the life cycle and strongly impact other areas of life Deeply rooted in the unconscious a man's multiply determined sense of masculinity requires deconstructing the mother the feminine and the other in the male psyche As the text illustrates via clinical vignettes an awareness and an understanding of these areas can improve the clinical work of psychoanalysts working with men who struggle with the intrinsic conflicts in their sense of maleness This book will be of great clinical value to psychoanalysts psychotherapists and other mental health practitioners and will stimulate the thinking of scholars in such areas as gender theory psychodynamic and sociocultural aspects of gender roles and the changing social definition of masculinity *Brothers and Sisters* Salman Akhtar,Selma Kramer,1999-04-01 Sibling relationships and rivalry are as old as recorded history This analysis explores that ambivalence between siblings casts its shadow throughout people's lifetimes and affects their choices of mates relationships with their own children and aversions to others **On Deaths and Endings** Brent Willock,Lori C. Bohm,Rebecca C. Curtis,2007-05-07 This book will be an invaluable resource for all mental health professionals The emphasis on the potential of working through the vicissitudes of experiences of loss will provide inspiration and hope to anyone working with grieving patients **Emotional Development in Psychoanalysis, Attachment Theory and Neuroscience** Viviane Green,2004-03-01 Emotional Development in Psychoanalysis Attachment Theory and Neuroscience is a multi disciplinary overview of psychological and

emotional development from infancy through to adulthood Uniquely it integrates research and concepts from psychology and neurophysiology with psychoanalytic thinking providing an unusually rich and balanced perspective on the subject Written by leaders in their field the chapters cover biological and neurological factors in the unconscious and memory the link between genetics and attachment the early relationship and the growth of emotional life the importance of a developmental framework to inform psychoanalytic work clinical work Drawing on a wide range of detailed case studies with subjects across childhood and adolescence this book provides a ground breaking insight into how very different schools of thought can work together to achieve clinical success in work with particularly difficult young patients Emotional Development in Psychoanalysis Attachment Theory and Neuroscience represents the latest knowledge beneficial to child psychiatrists and child psychotherapists as well as social workers psychologists health visitors and specialist teachers **Fatherhood**

Identity in Adolescence 4e Laura Ferrer-Wreder, Jane Kroger, 2019-07-05 This fully revised fourth edition of Identity in Adolescence The Balance Between Self and Other presents four theoretical perspectives on identity development during adolescence and young adulthood and their practical implications for intervention Ferrer Wreder and Kroger consider adolescent identity development as the unique intersection of social and cultural forces in combination with individual factors that each theoretical model stresses in attempting to understand the identity formation process for contemporary adolescents Identity in Adolescence addresses the complex question of how

adolescent identity forms and develops during adolescence and young adulthood and serves as the foundation for entering adult life The book is unique in its presentation of four selected models that address this process along with cutting edge research and the implications that each of these models hold for practical interventions This new edition has been comprehensively revised with five completely new chapters and three that have been extensively updated New special topics are also addressed including ethnic sexual and gender identity development the role of technology in adolescent identity development and ongoing identity development beyond adolescence The book is essential reading for advanced undergraduate and graduate students studying adolescent development self and social identity within developmental psychology social psychology and clinical psychology as well as practitioners in the fields of child welfare and mental health services social work youth and community work and counselling

Cinepaternity Helena Goscilo, Yana Hashamova, 2010-03-30 This wide ranging collection investigates the father son dynamic in post Stalinist Soviet cinema and its Russian successor Contributors analyze complex patterns of identification disavowal and displacement in films by such diverse directors as Khutsiev Motyl Tarkovsky Balabanov Sokurov Todorovskii Mashkov and Bekmambetov Several chapters focus on the difficulties of fulfilling the paternal function while others show how vertical and horizontal male bonds are repeatedly strained by the pressure of redefining an embattled masculinity in a shifting political landscape

Robert Louis Stevenson and the Appearance of Modernism A. Sandison, 1996-05-21 Despite attracting the admiration of Modernists like Nabokov and Borges Stevenson remains for many an apologist for the lost world of the romance This is not only to misread and simplify his fiction it is greatly to undervalue his lively forward looking literary essays Strenuously resisting the authority of the literary fathers though haunted by the complexities of paternity Stevenson reveals strong affinities with emergent Modernism It is from this perspective that Alan Sandison s latest book the first to appear for nearly thirty years conducts a lively and readable re examination of this often underrated writer

Fathers and Mothers in Literature Henk Hillenaar, Walter Schönau, 1994 Many people as a child dream of having other parents a gentler mother a kinder or stronger father a more illustrious family According to our secret dreams were not most of us born sons or daughters of a king a president a champion Freud termed this the Family Romance We all carry these secret scenarios in ourselves Usually they are long forgotten but nevertheless remain alive in the stories we tell ourselves and relate to others Therefore the Family Romance is one of the keys to the understanding of literature The French literary critic Marthe Robert developed a fundamental theory of Freud In 1972 she presented in her publication *Origins of the Novel* a new method to analyse the novel and to understand its history Her study offers a proof of the relevance of Freud s views and it invites us to expand on its ideas and suggestions It is in this perspective that the authors of this volume write about the historical and mythical figures Mary Medea Electra Kaspar Hauser and Sir Gawain Other articles are devoted to the Family Romance in the works of the following authors Barthes Beckett Camus Drieu la Rochelle Faulkner Flaubert Goethe Claire Goll Jutta Heinrich
