

SON OF TECÚN UMÁN

A Maya Indian tells his life story

James D. Sexton

Son Of Tecun Uman

Eugenia Robinson, Gavin Davies

Son Of Tecun Uman:

Son of Tecún Umán Ignacio Bizarro Ujpán, James D. Sexton, 1981 Son of Tecún Umán Ignacio Bizarro Ujpán, 1990

New Vistas in Grammar Linda R. Waugh, Stephen Rudy, 1991-12-27 The papers in this volume reflect the renewed interest in the semantics of grammatical categories and the issues of invariance and variation in grammar In particular this collection presents the current understanding of invariance of grammar with respect to the synchronic and diachronic analyses of specific languages and as realized in work on typology and universals The book is divided into five sections The Question of Invariance Invariance and Grammatical Categories Grammar and Discourse Grammar and Pragmatics Typology and Universals

The War for the Heart and Soul of a Highland Maya Town Robert S. Carlsen, 2011-04-01 This compelling ethnography explores the issue of cultural continuity and change as it has unfolded in the representative Guatemala Mayan town Santiago Atitlán Drawing on multiple sources Robert S Carlsen argues that local Mayan culture survived the Spanish Conquest remarkably intact and continued to play a defining role for much of the following five centuries He also shows how the twentieth century consolidation of the Guatemalan state steadily eroded the capacity of the local Mayas to adapt to change and ultimately caused some factions to reject even demonize their own history and culture At the same time he explains how after a decade of military occupation known as la violencia Santiago Atitlán stood up in unity to the Guatemalan Army in 1990 and forced it to leave town This new edition looks at how Santiago Atitlán has fared since the expulsion of the army Carlsen explains that initially there was hope that the renewed unity that had served the town so well would continue He argues that such hopes have been undermined by multiple sources often with bizarre outcomes Among the factors he examines are the impact of transnational crime particularly gangs with ties to Los Angeles the rise of vigilantism and its relation to renewed religious factionalism the related brutal murders of followers of the traditional Mayan religion and the apocalyptic fervor underlying these events

Rural Guatemala, 1760-1940 David McCreery, 1994 This comprehensive study of rural development in Guatemala first examines the nature of rural society in the late colonial period and early decades of independence and then details the massive and enduring changes caused by the spread of large scale coffee production after the mid nineteenth century In the process it also contributes to a number of important debates in Latin American studies and the theoretical literature of development the structure of land tenure the effects of the shift to export agriculture the exploitation of indigenous populations the forms of peasant resistance and the role of state institutions in the politics of development The book is in two parts Part I describes rural life and economy in Guatemala through the cochineal boom of the 1850 s Part II shows how coffee dramatically changed the economy of Guatemala

Children of the Crisis Annika Lems, Kathrin Oester, Sabine Strasser, 2021-09-30 Every year thousands of young people on the run from war and persecution or escaping poverty and chronic instability make their way to Europe without their parents Embarking on long and often dangerous journeys they have either become separated from their families on the way or set out on their own

In recent years the number of unaccompanied minors arriving in Europe has risen drastically. It has led to a major shift in perception in European countries initiating a wealth of policies and infrastructures targeted specifically at unaccompanied child refugees. This book investigates the emergence of the unaccompanied child refugee as a crisis figure. It shows how the sense of exceptionality attached to this figure translates into ambiguous and at times extremely contradictory social practices that have far reaching effects on the lives of refugee youth. By bringing together ethnographically driven research on unaccompanied minors in some of the core arrival and transit countries in or into Europe it shows the divergent ways ideas on childhood deservingness and vulnerability are interpreted lived and grappled with on the ground. By laying the focus on young people's own experiences and perspectives it establishes a deeper understanding of the ways unaccompanied asylum seekers live and make sense of shifting social terrains. The chapters in this book were originally published as a special issue of the Journal of Ethnic and Migration Studies.

Ethnography in Today's World Roger Sanjek, 2014. In *Ethnography in Today's World* anthropologist Roger Sanjek addresses the essential practice and purpose of ethnography in ethnically diverse settings. Drawing on decades of globe spanning fieldwork he examines how ethnographic fieldwork is and can be conceived conducted and communicated in today's interconnected world.

Born a Chief Edmund Nequatewa, 1993. A memoir of the Hopi chief's childhood during the last years of the nineteenth century recalls details of the Hopi religion interactions with Anglos including the author's reaction to Christianity and more. By the author of *Hopi Dictionary*.

Research Methods in Anthropology H. Russell Bernard, 2011-05-16. This text presents topics such as treatment of sampling interviewing participant observation taking and managing field notes analyzing data and text analysis. The author also discusses recording equipment voice recognition software computer based questionnaire methods internet based surveys and word processors as text managers.

Supplement to the Handbook of Middle American Indians, Volume 6 Barbara W. Edmonson, 2010-06-28. In 1981 UT Press began to issue supplemental volumes to the classic sixteen volume work *Handbook of Middle American Indians*. These supplements are intended to update scholarship in various areas and to cover topics of current interest. Supplements devoted to Archaeology Linguistics Literatures Ethnohistory and Epigraphy have appeared to date. In this *Ethnology* supplement anthropologists who have carried out long term fieldwork among indigenous people review the ethnographic literature in the various regions of Middle America and discuss the theoretical and methodological orientations that have framed the work of areal scholars over the last several decades. They examine how research agendas have developed in relationship to broader interests in the field and the ways in which the anthropology of the region has responded to the sociopolitical and economic policies of Mexico and Guatemala. Most importantly they focus on the changing conditions of life of the indigenous peoples of Mesoamerica. This volume thus offers a comprehensive picture of both the indigenous populations and developments in the anthropology of the region over the last thirty years.

Supplement to the Handbook of Middle American Indians, Volume 6 John D. Monaghan, Barbara W. Edmonson, 2000. In

this Ethnology supplement anthropologists who have carried out long term fieldwork among indigenous people review the ethnographic literature in the various regions of Middle America and discuss the theoretical and methodological orientations that have framed the work of scholars over the last several decades They examine how research agendas have developed in relationship to broader interests in the field and the ways in which the anthropology of the region has responded to the sociopolitical and economic policies of Mexico and Guatemala Most importantly they focus on the changing conditions of life of the indigenous peoples of Mesoamerica This volume offers a comprehensive picture of both the indigenous populations and developments in the anthropology of the region over the last thirty years

Routes, Interaction and Exchange in the Southern Maya Area Eugenia Robinson, Gavin Davies, 2023-07-31 This book explores routes of interaction and exchange in the Southern Maya Area a zone that had both short and long distance trade and whose natural resources were exploited by merchants and rulers colonists and entrepreneurs during Olmec Teotihuacan Maya Aztec colonial and modern times The book presents the research of both archaeologists and art historians to identify routes of interconnection to demonstrate the strategic importance of settlements and ritual locations and to assess the significance of modes and mediums of exchange The contributors employ innovative approaches making use of state of the art technologies to reproduce and analyze the archaeological landscape e g LiDAR GIS and least cost path analysis and to source and characterize archaeological materials e g neutron activation analysis NAA X ray fluorescence analysis XRF and strontium analysis The book combines these innovative approaches with earlier data sources and past analyses to develop a new synthetic analysis of interaction Routes Interaction and Exchange in the Southern Maya Area will appeal to professional academics students and interested lay readers from a broad range of social science fields including anthropology archaeology geography economics history and art history and is appropriate for undergraduate and graduate courses in Mesoamerican archaeology

Guatemala's Political Puzzle Georges A. Fauriol, Eva Loser, 1990-09-01 Guatemala is one of the least studied and most volatile nations in Central America Fauriol and Loser chronicle Guatemala's modern political development as a prelude to an analysis of the nation's current environment This is not a conventional history but a social political and economic cross section based on the latest secondary information and research available supplemented by a firsthand set of observations The authors proceed from three major premises 1 the armed forces far from being the cause of instability have provided the only real models of governance 2 far from suffering from a banana republic inferiority complex the culture has a rich nationalist heritage bordering on outright chauvinism and 3 the political experiences of the nation have been adjudicated in the main by the armed forces The authors note that Guatemala's break with its authoritarian past started in 1985 How this transfer of power has occurred who the new rulers are and what new political civilian forces have been set in motion become the fulcrum for this study The political experience of Guatemala is taken seriously and reviewed in detail The role of foreign power is neither ignored nor minimized but essentially this is a study of national elites The volume covers areas ranging from human rights

abuses by past administrations to current problems forced on the regime by a never ending battle against terrorism and insurgency It concludes with a fine bibliographical essay and an excellent set of reference tools for the specialist In short whether a person seeks a quick overview or the scholar aims for precise data and theory this is the state of the art book on Guatemala for the late 1980s going into the electoral period of the early 1990s The Global Coffee Economy in Africa, Asia, and Latin America, 1500-1989 William Gervase Clarence-Smith, Steven Topik, 2003-06-16 Coffee beans grown in Brazil Colombia Vietnam or one of the other hundred producing lands on five continents remain a palpable and long standing manifestation of globalization For five hundred years coffee has been grown in tropical countries for consumption in temperate regions This 2003 volume brings together scholars from nine countries who study coffee markets and societies over the last five centuries in fourteen countries on four continents and across the Indian and Pacific Oceans with a special emphasis on the nineteenth and early twentieth centuries The chapters analyse the creation and function of commodity labour and financial markets the role of race ethnicity gender and class in the formation of coffee societies the interaction between technology and ecology and the impact of colonial powers nationalist regimes and the forces of the world economy in the forging of economic development and political democracy **Handbook of Methods in Cultural Anthropology** H. Russell Bernard, Clarence C. Gravlee, 2014-07-08 The Handbook of Methods in Cultural Anthropology now in its second edition maintains a strong benchmark for understanding the scope of contemporary anthropological field methods Avoiding divisive debates over science and humanism the contributors draw upon both traditions to explore fieldwork in practice The second edition also reflects major developments of the past decade including the rising prominence of mixed methods the emergence of new technologies and evolving views on ethnographic writing Spanning the chain of research from designing a project through methods of data collection and interpretive analysis the Handbook features new chapters on ethnography of online communities social survey research and network and geospatial analysis Considered discussion of ethics epistemology and the presentation of research results to diverse audiences round out the volume The result is an essential guide for all scholars professionals and advanced students who employ fieldwork **The Rough Guide to Guatemala** Iain Stewart, Mark Whatmore, 2002 Detailed wilderness treks volcano climbs and tours of the Mayan ruins are profiled in this lively guide of Guatemala 38 maps 24 page full color section Historical Dictionary of Guatemala Michael F. Fry, 2018-02-20 Guatemala holds a dual image For more than a century travel writers explorers and movie producers have painted the country as an exotic place a land of tropical forests and the home of the ancient and living Maya Archaeological ruins abandoned a millennium ago have enhanced their depictions with a wistful dreamy aura of bygone days of pagan splendor and the unique colorful textiles of rural Maya today connect nostalgically with that distant past Inspired by that vision fascinated tourists have flocked there for the past six decades Most have not been disappointed it is a genuine facet of a complex land Guatemala is also portrayed as a poor violent repressive country ruled by greedy tyrants with the support of

an entrenched elite the archetypal banana republic The media and scholarly studies consistently confirm that fair assessment of the social political and economic reality The Historical Dictionary of Guatemala contains a chronology an introduction and an extensive bibliography The dictionary section has over 700 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Guatemala *Ignacio* Ignacio Bizarro Ujpán,1992 Central America from the eyes of a peasant illuminates the complex problems of the region social personal economic medical and religious as well as the political issues related to the great masses of Latin America s poor *Collecting Guatemalan Slingshots* Andrew Malleson,2016-07-26 Book about the history of Guatemalan sling shots with close to one thousand illustrations **Central American Counterpoetics** Karina Alma,2024-03-19 Connecting past and present Central American Counterpoetics proposes the concepts of rememory and counterpoetics as decolonial tools for studying the art popular culture literature music and healing practices of Central America and the diaspora in the United States Author Karina Alma offers a systemic method and artistic mode for unpacking social and political memory formation that resists dominant histories Central American Counterpoetics responds to political repression through acts of creativity that prioritize the well being of anticolonial communities Building on Toni Morrison s theory of rememory the volume examines the concept as an embodied experience of a sensory place and time lived in the here and now By employing primary sources of image and word interviews of creatives and a critical self reflection as a Salvadoran immigrant woman in academia Alma s research breaks ground in subject matter and methods by considering cultural and historical ties across countries regions and traditions The diverse creatives included explore critical perspectives on topics such as immigration forced assimilation maternal love gender violence community arts and decolonization

The Top Books of the Year Son Of Tecun Uman The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels captivating the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have captivated audiences this year. Son Of Tecun Uman : Colleen Hoovers "It Ends with Us" This poignant tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Son Of Tecun Uman : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Son Of Tecun Uman : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
