Song and Garden Birds of North America Alexander Wetmore,1975 **Song and Garden Birds of North America** Alexander Wetmore,1976 **Song and Garden Birds of North America. By Alexander Wetmore ... and Other Eminent Ornithologists ... Foreword by Melville Bell Grosvenor. [With Illustrations.].** Frank Alexander WETMORE,Melville Beli GROSVENOR,1964 Songbirds in Your Garden John K. Terres,1994-01-01 Gives advice on using birdhouses feeders and birdbaths to attract wild birds tells how to care for young or injured birds and describes plantings and sounds favored by birds *Water, Prey, and Game Birds of North America* Alexander Wetmore,1973 **Pete Dunne on Bird Watching: Second Edition** Pete Dunne,2015-08-15 Birding is one of the most popular and fastest growing outdoor activities but it can seem intimidating for beginners who don't know where when or how to search for birds Fortunately Pete Dunne one of the most popular and respected writers in the field has written a guide that will help even the most casual observers identify the skills and tools they need to develop their interest in birding Popular how to guide revised updated and now with color photos For beginners and birders who want to improve their skills Improve your odds of success with tips to get the most out of your equipment **Agriculture Handbook** ,1991 Set includes revised editions of some issues *The Backyard Bird Watcher* George Harrison,1988-06-15 Provides advice and step by step instructions for converting a back yard into a bird sanctuary **Biographical Dictionary of American and Canadian Naturalists and Environmentalists** George A. Cevalasco,Lorne Hammond,Richard Harmond,Keir B. Sterling,1997-12-09 Casting a wide net this volume provides personal and professional information on some 445 American and Canadian naturalists and environmentalists who lived from the late 15th century to the late 20th century It includes explorers who published works on the natural history of North America conservationists ecologists environmentalists wildlife management specialists park planners national park administrators zoologists botanists natural historians geographers geologists academics museum scientists and administrators military personnel travellers government officials political figures and writers and artists concerned with the environment Some of the subjects are well known The accomplishments of others are little known Each entry contains a succinct but careful evaluation of the subject's career and contributions Entries also include up to date bibliographies and information concerning manuscript sources **Oology and Ralph's Talking Eggs** Carrol L. Henderson,2009-02-17 Before modern binoculars and cameras made it possible to observe birds closely in the wild many people collected eggs as a way of learning about birds Serious collectors called their avocation oology and kept meticulous records for each set of eggs the bird's name the species reference number the quantity of eggs in the clutch the date and location where the eggs were collected and the collector's name These documented egg collections which typically date from the nineteenth and early twentieth centuries now provide an important baseline from which to measure changes in the numbers distribution and nesting patterns of many species of birds In *Oology and Ralph's Talking Eggs* Carrol L Henderson uses the vast egg

collection of Ralph Handsaker an Iowa farmer as the starting point for a fascinating account of oology and its role in the origins of modern birdwatching scientific ornithology and bird conservation in North America Henderson describes Handsaker s and other oologists collecting activities which included not only gathering bird eggs in the wild but also trading and purchasing eggs from collectors around the world Henderson then spotlights sixty of the nearly five hundred bird species represented in the Handsaker collection using them to tell the story of how birds such as the Snowy Egret Greater Prairie Chicken Atlantic Puffin and Wood Duck have fared over the past hundred years or so since their eggs were gathered Photos of the eggs and historical drawings and photos of the birds illustrate each species account Henderson also links these bird histories to major milestones in bird conservation and bird protection laws in North America from 1875 to the present

Lannoo,2018-08-10 Field biology is enjoying a resurgence due to several factors the most important being the realization that there is no ecology no conservation and no ecosystem restoration without an understanding of the basic relationships between species and their environments an understanding gleaned only through field based natural history With this resurgence modern field biologists find themselves asking fundamental existential questions such as Where did we come from What is our story Are we part of a larger legacy In *This Land Is Your Land* seasoned field biologist Michael J Lannoo answers these questions and more in a tale rooted in the people and institutions of the Midwest It is a story told from the ground up a rubber boot based natural history of field biology in America Lannoo illuminates characters such as John Wesley Powell William Temple Hornaday and Olaus and Adolph Murie homegrown midwestern field biologists who either headed east to populate major research centers or went west to conduct their fieldwork along the frontier From the pioneering work of Victor Shelford Henry Chandler Cowles and Aldo Leopold to contemporary insights from biologists such

as Jim Furnish and historians such as William Cronon Lannoo's unearthing of American and particularly midwestern field biologists reveals how these scientists influenced American ecology conservation biology and restoration ecology and in turn drove global conservation efforts through environmental legislation and land set asides This Land Is Your Land reveals the little known legacy of midwestern field biologists whose ethos and discoveries have enabled us to preserve and understand not just their land but all lands
