and causing frightening aberrations throughout the land Karigan managed to transport the spirit of Mornhavon into the future buying valuable time for her king and country But how far in the future is Mornhavon now A hundred years Ten Only one year There is no way to tell And though Karigan and her fellow Riders have scoured the land searching for lost magical knowledge and members of Clan D Yer are camped at the wall hoping to uncover its lost secrets they were unaware of a threat to their kingdom that lay far closer For there were Arcosian soldiers who survived the Long War and the descendants of those ancient enemies spent generations honing their powers of dark magic a force against which the Sacoridians have no defense
