William G. Allen

The American Prejudice Against Color:

The American Prejudice Against Color William G. Allen, Louisa May Alcott, 2002 A compilation of the explosive reactions to interracial love and marriage in antebellum America **The American Prejudice Against Color** William G. Allen, 1969

The American Prejudice Against Color William G. Allen, 2007-10-01 *The American Prejudice Against Color* William G. Allen, 1853 **The American Prejudice Against Color** William G. Allen, 1853 *The American Prejudice Against Color* William G. active 1849-1853 Allen, 2019-12-19 In *The American Prejudice Against Color* William G. Allen navigates the intricate landscape of racial discrimination in mid 19th century America elucidating both societal norms and pervasive biases entrenched in the fabric of American life Through poignant prose and compelling arguments Allen challenges the moral undercurrents of his era offering a critical sociocultural analysis that reflects the burgeoning abolitionist sentiments His eloquent style resonates with both literary craftsmanship and fervent advocacy effectively intertwining personal narratives with broader historical contexts making the text a significant artifact of antebellum discourse on race and equality William G. Allen active during a transformative period in American history emerges as a distinctive voice advocating for racial justice His background marked by personal experiences with prejudice and a heightened awareness of civil rights serves as the bedrock for his incisive critique Allen's engagement with abolitionism and his connections to contemporary thinkers inform his arguments enriching the discourse on race and justice while revealing the moral failures that he passionately seeks to address This book is essential for anyone seeking to understand the roots of racial prejudice in the United States Allen's passionate plea for equality and justice resonates profoundly with contemporary readers making it a crucial read for those interested in the historical and ongoing dialogues surrounding race identity and social justice *The American Prejudice Against Color* William Allen, 2012-10-31 Out now in the great world of America my ambition was to secure a professorial chair That any man having the slightest tinge of color nay without tinge of color with only a drop of African blood in his veins let his accomplishments be what they may should aspire to such a position I soon found was the very madness of madness But something must be done I repaired at once to the city of Boston and entered the law office of E G L Esq a distinguished barrister who had already shown his regard for the colored race by having brought to the bar a colored young man now practising with much success in Boston Black men may practice law at least in Massachusetts I remained in the office of this gentleman two years and was just entering my third and last year when unsolicited on my part and to my great surprise I received the appointment of Professor of the Greek Language and Literature in New York Central College a college of recent date and situated in the town of M Grawville near the centre of the State of New York This was the first college in America that ever had the moral courage to invite a man of color to occupy a professor's chair and so far as I know it is also the only one *The American Prejudice Against Color: An Authentic Narrative Showing How Easily the Nation Got Into an Uproar* William G. Allen, 2020-09-28 **The American Prejudice Against Color** William G. Allen, 2018-08-13 The American

Prejudice Against Color by William G Allen d companions of her youth is not to be expected Miss King had her struggles and the letter written to me by her on the consummation of our engagement evinced their character and also her grandeur and nobility of soul I have endeavoured to solve honorably conscientiously and judiciously the greatest problem of human life and God and the holy angels have assisted me in thus solving Friends may forsake me and the world prove false but the sweet assurance that I have your most devoted love and that that love will strengthen and increase in proportion as the regard of others may diminish is the only return I ask What vows I uttered in the secret chambers of my heart as I read the above and similar passages of that letter let the reader imagine who may be disposed to credit me with the least aptitude of appreciating whatsoever in human nature is grand and noble or in the human spirit which is lovely and true and beautiful and of good report Throughout the letter there We are delighted to publish this classic book as part of our extensive Classic Library collection Many of the books in our collection have been out of print for decades and therefore have not been accessible to the general public The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature and our view is that this is a significant literary work which deserves to be brought back into print after many decades The contents of the vast majority of titles in the Classic Library have been scanned from the original works To ensure a high quality product each title has been meticulously hand curated by our staff Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work We hope that you will enjoy this wonderful classic work and that for you it becomes an enriching experience **The American Prejudice**

other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy **The**

American Negro His History and Literature , The Education of the Negro Prior to 1861 Carter Godwin

Woodson,2022-05-28 Carter G Woodson s seminal work The Education of the Negro Prior to 1861 presents a meticulous examination of the educational landscape for African Americans before the Civil War Woodson employs a blend of historical analysis and critical commentary utilizing primary sources to reveal systemic barriers and the resilience of African Americans in their quest for knowledge This book situates itself within the broader context of the Harlem Renaissance and the burgeoning field of African American studies challenging prevailing narratives by illuminating the importance of education in the lives of enslaved and free Black individuals during a tumultuous period in American history Carter G Woodson often hailed as the Father of Black History was a historian and educator deeply committed to the advancement of African American scholarship His own experience as a Black man confronting racial discrimination in education informed his research pursuits Woodson s dedication to highlighting the contributions and history of African Americans often overlooked by mainstream narratives undoubtedly underpins the motivations behind this pivotal work as he strived to ensure that Black history received the recognition it deserved in American historiography This book is an essential read for anyone interested in understanding the roots of educational inequity the struggle for African American agency and the broader implications of these historical contexts Woodson s compelling narrative and thorough research provide invaluable insights making this work a foundational text for scholars students and general readers alike who seek to appreciate the complexities of African American history

Religion, Race, and the Making of Confederate Kentucky, 1830-1880 Luke E. Harlow,2014-04-21 This book sheds new light on the role of religion in the nineteenth century slavery debates Luke E Harlow argues that the ongoing conflict over the meaning of Christian orthodoxy constrained the political and cultural horizons available for defenders and opponents of American slavery The central locus of these debates was Kentucky a border slave state with a long standing antislavery presence Although white Kentuckians famously cast themselves as moderates in the period and remained with the Union during the Civil War their religious values showed no moderation on the slavery question When the war ultimately brought emancipation white Kentuckians found themselves in lockstep with the rest of the Confederate South Racist religion thus paved the way for the making of Kentucky s Confederate memory of the war as well as a deeply entrenched white Democratic

Party in the state **Legacy of Hate: A Short History of Ethnic, Religious and Racial Prejudice in America** Philip Perlmutter,2015-07-17 For all its foundation on the principles of religious freedom and human equality American history contains numerous examples of bigotry and persecution of minorities Now author Philip Perlmutter lays out the history of

prejudice in America in a brief compact and readable volume Perlmutter begins with the arrival of white Europeans moves through the eighteenth and industrially expanding nineteenth centuries the explosion of immigration and its attendant problems in the twentieth century and a fifth chapter explores how prejudice racial religious and ethnic has been institutionalized in the educational systems and laws His final chapter covers the future of minority progress

The Crusade Against Slavery Louis Filler, 2017-07-05 Perhaps no other crusade in the history of the U S provoked so much passion and fury as the struggle over slavery Many of the problems that were a part of that great debate are still with us Louis Filler has brought together much information both known and new on those who organized to defeat slavery He has also re examined the anti slavery movement s ideals heroes and martyrs with historical perspective and precision Contrary to popular belief the anti slavery movement was far from united It included abolitionists as well as a variety of reformers whose activities place them among the anti slavery forces These included men as different in background and temperament as William Lloyd Garrison and John Quincy Adams Portraits of the many protagonists their hardships and their quarrels with Southerners and Northerners alike bring to life this exciting and tumultuous period Filler also examines the many related reform movements that characterized the period feminism spiritualism utopian societies and educational reform The volume traces the relationship of the antislavery movement to abolition and probes their connection with the several reforms that dominated the period He brilliantly recaptures a sense of the contemporary consequences of the reformers efforts This is an absorbing and important survey of the problems political social and economic that made this period so crucial in the history of the U S
