## **The American Search For Economic Justice:**

*The American Search for Economic Justice* Peter D. McClelland, 1990-01-01

## **Economic Justice in American Society**

Robert E. Kuenne, 2014-07-14 America is entering a new age of economic discord warns Robert E Kuenne In addition to a panoply of other structural economic troubles the nation must now confront unprecedented demands for the kind of distributive justice that will meet the needs of the elderly handicapped and impoverished Furthermore American society faces the pressing problems of the disadvantaged with no explicit code of economic justice Claims to various kinds of government entitlements are based increasingly on appeals to economic justice but no real national agreement exists on what that expression means In this ambitious work Kuenne sets out to remedy this want of consensus After an extensive evaluation of earlier thinking about distributive justice Kuenne proposes a new theory dualistic individualism that is consistent with the American ethos of political and economic liberalism He then frames a formal Bill of Economic Rights and Obligations which defines proper governmental conduct in the economic terrain as the American Constitution does in the political Defending a form of governmental policy that strikes a balance between the egoistic and compassionate elements of American individualism Kuenne also considers the practical tasks of program implementation and goes on to assess the feasibility of meeting concrete redistributive goals over the next thirty years His thorough investigation of one of the country's most urgent predicaments could do much to stimulate debate over the ad hoc and unprincipled distributive policies that now prevail in the United States Originally published in 1993 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

## **The Ethics of Liberty**

Murray N. Rothbard, 2015-07-04 The authoritative text on the libertarian political position In recent years libertarian impulses have increasingly influenced national and economic debates from welfare reform to efforts to curtail affirmative action Murray N Rothbard's classic *The Ethics of Liberty* stands as one of the most rigorous and philosophically sophisticated expositions of the libertarian political position Rothbard's unique argument roots the case for freedom in the concept of natural rights and applies it to a host of practical problems And while his conclusions are radical that a social order that strictly adheres to the rights of private property must exclude the institutionalized violence inherent in the state Rothbard's applications of libertarian principles prove surprisingly practical for a host of social dilemmas solutions to which have eluded alternative traditions *The Ethics of Liberty* authoritatively established the anarcho capitalist economic system as the most viable and the only principled option for a social order based on freedom This classic book's radical insights are sure to inspire a new generation of readers

## **To the Promised Land**

Michael K. Honey, 2018-04-03 This is a dangerous book

Robin D G Kelley author of *Freedom Dreams* Fifty years ago a single bullet robbed us of one of the world s most eloquent voices for human rights and justice To the Promised Land goes beyond the iconic view of Martin Luther King Jr as an advocate of racial harmony to explore his profound commitment to the poor and working class and his call for nonviolent resistance to all forms of oppression including the economic injustice that takes necessities from the masses to give luxuries to the classes Either we go up together or we go down together King cautioned a message just as urgent in America today as then To the Promised Land challenges us to think about what it would mean to truly fulfill King s legacy and move toward his vision of the Promised Land in our own time

*American Dream Dying* Peter D. McClelland, Peter H. Tobin, 2010 Presents statistical information regarding long term trends in standard of living financial security economic mobility and economic mobility in relation to education in order to demonstrate the author s view that the American Dream is becoming less attainable for a large group of the population

*Warhogs* Stuart D. Brandes, 2021-12-14 The Puritans condemned war profiteering as a Provoking Evil George Washington feared that it would ruin the Revolution and Franklin D Roosevelt promised many times that he would never permit the rise of another crop of war millionaires Yet on every occasion that American soldiers and sailors served and sacrificed in the field and on the sea other Americans cheerfully enhanced their personal wealth by exploiting every opportunity that wartime circumstances presented In *Warhogs* Stuart D Brandes masterfully blends intellectual economic and military history into a fascinating discussion of a great moral question for generations of Americans Can some individuals rightly profit during wartime while others sacrifice their lives to protect the nation Drawing upon a wealth of manuscript sources newspapers contemporary periodicals government reports and other relevant literature Brandes traces how each generation in financing its wars has endeavored to assemble resources equitably to define the ethical questions of economic mobilization and to manage economic sacrifice responsibly He defines profiteering to include such topics as price gouging quality degradation trading with the enemy plunder and fraud in order to examine the different guises of war profits and the degree to which they have existed from one era to the next This far reaching discussion moves beyond a linear narrative of the financial schemes that have shaped this nation s capacity to make war to an in depth analysis of American thought and culture Those scholars students and general readers interested in the interaction of legislative economic social and technological events with the military establishment will find no other study that so thoroughly surveys the story of war profits in America

**In Search of a Democratic America** Martin S. Sheffer, 2000-01-01 The America Randolph Silliman Bourne searched for his entire life but never found was an America in which the institutions of democratic government remained responsive to the needs of all A progressive in the age of progressivism Bourne fully understood John Jay s dictum that the United States should be governed by the people who own it The Atlantic Monthly the New Republic and the Dial were the forum for Bourne s social commentary during a brief career that lasted from 1912 to 1918 In *In Search of a Democratic America* offers the best of Bourne s writings on politics religion

education philosophy society and youth The readings and commentary reveal the literary radical and social critic in his true guise as a spokesman for liberal democracy a democratic theorist who strove for a modern industrial multi ethnic nation peopled by the intelligent the caring and the concerned      **High Road to Economic Justice** United States. Presidential Task Force on Project Economic Justice,1986      **American Exceptionalism, American Anxiety** Jonathan A. Glickstein,2002 What then was the supposed role of poverty the fear of poverty and other negative work incentives in the era of early industrial capitalism and escalating sectional conflict over slavery American Exceptionalism American Anxiety examines a wide spectrum of antebellum American thought on these and related issues including slavery and cheap immigrant and female sweated labor BOOK JACKET      *International Bibliography of the Social Sciences* British Library of Political and Economic Science,1992 The IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences      **Securing the Fruits of Labor** James L. Huston,2015-05-11 In his comprehensive study of the economic ideology of the early republic James L Huston argues that Americans developed economic attitudes during the Revolutionary period that remained virtually unchanged until the close of the nineteenth century Viewing Europe s aristocratic system early Americans believed that the survival of their new republic depended on a fair distribution of wealth brought about through political and economic equality The concepts of wealth distribution formulated in the Revolutionary period informed works on nineteenth century political economy and shaped the ideology of political parties Huston reveals how these ideas influenced debates over reform working class agitation political participation territorial expansion banking tariffs slavery public land disposition and corporate industrialism *Securing the Fruits of Labor* is a masterful study of American beliefs about wealth distribution over one and a half centuries      *Theories of Social and Economic Justice* André Johannes Van der Walt,2005-08-01 The bulk of the contributions in this publication originated in a research project initiated by the Stellenbosch Institute for Advanced Study STIAS in 2002 The book is based on the idea that the attainment of greater social and economic justice specifically in the South African context is strongly influenced by the implications and the coherence of various theories of social and economic justice      Religion and Economic Justice Michael Zweig,2009 Original essays by distinguished contributors from economics religious ethics and biblical studies      **Environmentalism and Economic Justice** Laura Pulido,1996-02 Ecological causes are championed not only by lobbyists or hikers While mainstream environmentalism is usually characterized by well financed highly structured organizations operating on a national scale campaigns for environmental justice are often fought by poor or minority communities Environmentalism and Economic Justice is one of the first books devoted to Chicano environmental issues and is a study of U S environmentalism in transition as seen through the contributions of people of color It elucidates the various forces driving and shaping two important examples of environmental organizing the 1965 71 pesticide campaign of the United Farm Workers and a grazing conflict

between a Hispano cooperative and mainstream environmentalists in northern New Mexico The UFW example is one of workers highly marginalized by racism whose struggle as much for identity as for a union contract resulted in boycotts of produce at the national level The case of the grazing cooperative Ganados del Valle which sought access to land set aside for elk hunting represents a subaltern group fighting the elitism of natural resource policy in an effort to pursue a pastoral lifestyle In both instances Pulido details the ways in which racism and economic subordination create subaltern communities and shows how these groups use available resources to mobilize and improve their social economic and environmental conditions Environmentalism and Economic Justice reveals that the environmental struggles of Chicano communities do not fit the mold of mainstream environmentalism as they combine economic identity and quality of life issues Examination of the forces that create and shape these grassroots movements clearly demonstrates that environmentalism needs to be sensitive to local issues economically empowering and respectful of ethnic and cultural diversity Economic Justice Helen M. Stacy, Win Chiat Lee, 2012-09-26 The economic impact of the U S financial market meltdown of 2008 has been devastating both in the U S and worldwide One consequence of this crisis is the widening gap between rich and poor With little end in sight to global economic woes it has never been more urgent to examine and re examine the values and ideals that animate policy about the market the workplace and formal and informal economic institutions at the level of the nation state and internationally Re entering existing debates and provoking new ones about economic justice this volume makes a timely contribution to a normative assessment of our economic values and the institutions that active those norms Topics covered by this volumes essays range from specific or relatively small scale problems such as payday lending and prisoners access to adequate healthcare to large scale such as global poverty the free market and international aid Economic Justice will stimulate and provoke philosophers policy makers the engaged readers who and better outcomes from financial institutions and more effect distribution of economic goods *Encyclopedia of Social Welfare History in North America* John M. Herrick, Paul H. Stuart, 2005 This encyclopedia provides readers with basic information about the history of social welfare in Canada Mexico and the United States The intent of the encyclopedia is to provide readers with information about how these three nations have dealt with social welfare issues some similar across borders others unique as well as to describe important events developments and the lives and work of some key contributors to social welfare developments

**Economic Justice** John Augustine Ryan, 1996-01-01 During the first half of the twentieth century John A Ryan advocated minimum wage legislation and child labor restrictions and was very much involved in Franklin D Roosevelt s New Deal More closely connected with the makers of national economic policy as a Catholic moral theologian than his better known Protestant contemporaries Walter Rauschenbusch and Reinhold Niebuhr his influence has been extensive in American public policy This volume brings to readers pertinent selections from Ryan s classic works It will be particularly relevant to today s readers concerned about the place of religious faith in economic policy Religion and the Global Money Markets James

Simon Watkins,2022-08-18 This book focuses on how religion particularly Christianity Islam Judaism and to a lesser extent Hinduism is shaping the ethos and daily actions of market participants within the global money markets The concepts inherent within Christianity Islam Judaism and Hinduism are making themselves felt within the global money markets As Islamic finance led to the introduction of sharia compliant derivatives for example Christian investment funds are leading ethical initiatives on Wall Street the City of London and elsewhere such as divesting from fossil fuels in response to the climate change emergency Jewish faith led funds are making significant strides with the further development of impact investments The concept of Hindu economics is also beginning to shape the actions of some market participants which are tied to the ideals of Mahatma Gandhi      **Economic Justice in a Flat World** Steven Rundle,2009-08-07 Writers urge the church to help identify the essentials of Christian perspective on the societal environmental and economic implications of globalization and to live accordingly      **Economic Justice and Natural Law** Gary Chartier,2009-08-06 Gary Chartier elaborates a particular version of economic justice rooted in the natural law tradition explaining how it is relevant to economic issues and developing natural law accounts of property work and economic security He examines a range of case studies related to ownership production distribution and consumption using natural law theory as a basis for staking positions on a number of contested issues related to economic life and highlighting the potentially progressive and emancipatory dimension of natural law theory

### **The American Search For Economic Justice Introduction**

In the digital age, access to information has become easier than ever before. The ability to download The American Search For Economic Justice has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download The American Search For Economic Justice has opened up a world of possibilities. Downloading The American Search For Economic Justice provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading The American Search For Economic Justice has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download The American Search For Economic Justice. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading The American Search For Economic Justice. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading The American Search For Economic Justice, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download The American Search For Economic Justice has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so,

individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About The American Search For Economic Justice Books**

1. Where can I buy The American Search For Economic Justice books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
