Rigorously researched and accessibly written Cognitive Psychology A Student's Handbook is widely regarded as the leading undergraduate textbook in the field. The book is clearly organised and offers comprehensive coverage of all the key areas of cognitive psychology. With a strong focus on considering human cognition in context, the book has been designed to help students develop a thorough understanding of the fundamentals of cognitive psychology, providing them with detailed knowledge of the very latest advances in the field. New to this edition: Thoroughly revised throughout to include the latest research and developments in the field. Extended coverage of cognitive neuroscience. Additional content on computational cognitive science. New and updated case studies demonstrating real life applications of cognitive psychology. Fully updated companion website. Cognitive Psychology A Student's Handbook will be essential reading for all undergraduate students of psychology. Those taking courses in computer science, education, linguistics, physiology and medicine will also find it an invaluable resource.

Vajrakilaya Kyabje Garchen Rinpoche, 2022-02-08 A thorough guide to Vajrak laya from a master of the Drigung Kagyu lineage. In Kyabje Garchen Rinpoche's first major collection of tantric teachings, he offers a complete manual for the visualization and supplication of the deity Vajrak laya. This ancient tantric practice centers on familiarizing oneself with the wrathful deity as a method for traversing the path to enlightenment. With clear instructions and insightful commentary, Garchen Rinpoche highlights the cultivation of bodhicitta at every stage of the path. This comprehensive guide to deity practice by one of the greatest living Tibetan meditation masters will support practitioners of all experiential levels in reuniting with their own awakened nature.
