*All of the Animals Are Talking about It* Constance Lee, 2010-02

All of the animals know respect and understand more about God than human beings All of nature with the exception of mankind obeys God s commandments One will never find chickens roosters or cows roaming the streets of San Francisco because God gives them innate sense to stay away from mankind and city life For the same reasons one will never find animals protesting and marching down the city streets of Beirut London Paris Tokyo or anywhere else in the world Instead the animal kingdom knows its rightful place When provoked or attacked animals will defend themselves and their offspring Animals talk about the wondrous works of God From their point of view they are highly valued by their Creator As humans we know according to the Word that God s eye is on the little sparrow In this book the animals offer interesting and unique testimonies about their experiences observations and surroundings concerning Biblical events One cannot help but to laugh at them as well as to love them Try to keep your imagination open and allow yourself to float back into time to visit each era described by the

**The Day the Animals Broke Their Code of Silence** Caroline Kushner, 2007-04-24 The Day the Animals Broke Their Code of Silence was written for children to enjoy and for adults to appreciate It is a tale full of adventure humor and lots of love When children listen to the book they often have many questions about interpersonal relationships and seem to become more aware and sensitive to other people's feelings I have my master's degree in social work and have worked with children I don't believe in talking down to kids and because of that the book was written on a higher reading level than most children are used to The content of the words is easily figured out through the descriptive language Parents will stay interested and kids will increase their vocabulary while their imaginations will come to life Children will vividly be able to depict the scenes in their minds Follow Zachary Dawn and his cat Muffin through the forest where they encounter many adventures including running away from wild beasts and a tornado before finally making their way to safety On their journey they learn many valuable moral lessons I would like to thank my family for all their encouragement and assistance in writing this book My husband Michael was my photographer My sons Gabe Kushner and Warren Kushner gave me my inspiration I would like to thank Gabe Kushner for his original oil painting and for being my star actor Sincerely Caroline Kushner

**The Animals' Rebellion** Clifton Bingham, 2019-12-12 In The Animals Rebellion Clifton Bingham crafts a compelling narrative that delves into the complexities of social justice through the lens of anthropomorphized animals Set against the backdrop of a fictional farm the story explores the uprising of animals against their oppressive human caretakers employing a rich tapestry of allegorical motifs reminiscent of classic tales such as George

Orwell's *Animal Farm* Bingham's literary style is characterized by engaging dialogue vivid imagery and a satirical edge inviting readers to question societal norms and the ethical treatment of other beings Clifton Bingham was a prolific writer known for his ability to infuse social commentary into children's literature His experiences with animals and his observations of human behaviors greatly influenced his work fostering a deep sense of empathy and advocacy for animal rights Bingham's background including his interactions with nature and farm life provided a unique perspective that skillfully bridges the gap between entertainment and moral philosophy in his writing I highly recommend *The Animals Rebellion* to readers of all ages seeking both an adventurous tale and profound insight into morality and justice Bingham's masterful storytelling not only entertains but also inspires critical thinking about the relationships between humans and animals making it an essential addition to any literary collection *Technical Bulletin* Michigan State University.
