*Getting the Love You Want* Harville Hendrix, 2001 I know of no better guide for couples who genuinely desire a maturing relationship M Scott Peck author of *The Road Less Traveled* A remarkable book the most incisive and persuasive I have ever read on the knotty problems of marriage relationships Ann Roberts former president Rockefeller Family Fund [Getting the Love You Want: A Guide for Couples: Second Edition](#) Harville Hendrix, Ph.D., 2007-12-26 REVISED AND WITH A NEW FOREWORD ARE YOU GETTING THE LOVE YOU WANT Originally published in 1988 Getting the Love You Want has helped millions of couples attain more loving supportive and deeply satisfying relationships The 20th anniversary edition contains extensive revisions to this groundbreaking book with a new chapter new exercises and a foreword detailing Dr Hendrix's updated philosophy for eliminating all negativity from couples' daily interactions allowing readers of the 2008 edition to benefit from his ongoing discoveries during his last two decades of work Harville Hendrix Ph D in partnership with his wife Helen LaKelly Hunt PhD originated Imago Relationship Therapy a unique healing process for couples prospective couples and parents Together they have more than thirty years experience as educators and therapists and their work has been translated into more than 50 languages with Imago practiced by two thousand therapists worldwide Harville and Helen have six children and live in New York and New Mexico [Anticancer Living](#) Lorenzo Cohen PhD, Alison Jefferies, MEd, 2019-05-07 The health care revolution continues an accessible science based approach to wellness Andrew Weil MD What if we could make basic sustainable lifestyle changes that could prevent us from getting cancer What if those with cancer could improve their chances of living long vibrant lives The evidence is now clear at least 50 percent of cancer deaths can be prevented by making healthy lifestyle changes But many patients and doctors included still don't realize the simple changes we can make to increase chances of survival or aid in the healing process for those with a diagnosis Introducing the

concept of the Mix of Six Lorenzo Cohen and Alison Jefferies make an informed case that by focusing on six key areas of health and wellness you can support treatment or reduce your risk for developing cancer altogether An accessible prescriptive guide to wellness based on the latest scientific findings Anticancer Living outlines a path to radically transform health delay or prevent many cancers support conventional treatments and significantly improve quality of life Anticancer Living will empower millions of people with information they can use to reduce their risk of getting cancer and improve their chances of surviving a cancer diagnosis Highly recommended Dean Ornish MD author of *The Spectrum* *The Good Marriage: How and Why Love Lasts* Judith Wallerstein, 2019-08-09 When it first appeared in 1995 *The Good Marriage* became a best seller It offers timeless clues to the secret of happy long lasting marriages Based on a groundbreaking study of fifty couples who consider themselves happily married psychologist Judith Wallerstein presents the four basic types of marriage romantic rescue companionate and traditional and identifies nine developmental tasks that must be successfully undertaken in a good marriage separation from the family of origin up and down vicissitudes of early years children balance of work and home dealing with infidelities and more The men and women Wallerstein interviewed readily admit that even the best relationship requires hard work and continuing negotiation especially in the midst of societal pressures that can tear marriages apart But they also convey an inspirational message for almost all of them feel that their marriage is their single greatest accomplishment *The Good Marriage* explains why and its lively mix of storytelling and analysis will challenge every couple to think in a profoundly different way about the most important relationship in their lives Should be required reading for all who are interested in marriage W Walter Menninger Should prove a lifesaver for many couples Publishers Weekly Will enrich the sparse literature on happy marriages USA Today One of the nice things about *The Good Marriage* is its modesty It doesn't pretend to offer a philosophy or even a lecture on marriage It takes no position on the ideologically charged issues of women's marital roles and status Equally important it ignores the two most common ways of talking about marriage as a contract negotiated between two equal parties and as the pathway to individual fulfillment For this reason it is refreshingly free of rights talk and therapy talk Indeed Wallerstein places much more emphasis on the development of good judgment and a moral sense than on the acquisition of effective communication or negotiation skills Barbara Dafoe Whitehead *The Atlantic* A lagniappe to enduring couplehood The strength of this study is that Ms Wallerstein a gifted interviewer persuades the couples to reveal their interior lives in rich explicit detail Susan Jacoby *The New York Times Book Review* Written in a masterful style that often reads like the best popular fiction Wallerstein and Blakeslee again combine their substantial talents deftly and entertainingly exploring the foundations of good marriages Tara Aronson *San Francisco Examiner Chronicle* Groundbreaking *Boston Globe* This is a wonderfully readable and immensely valuable book full of wise and original insights about the many many roads to marital happiness Judith Viorst With wisdom humor and sympathetic understanding Judith Wallerstein helps us recognize and rediscover the good marriage lucid psychologically sophisticated and generously wise

David Blankenhorn Newsday Historically informative as well as profoundly wise psychologically Joan M Erikson For a long time as a Rabbi I've been using The Good Marriage by the late Judith Wallerstein in my pre marital counseling She provides amazingly helpful insights which open up conversations and lead couples to think much more deeply about what they are getting themselves into and what they might need to do to keep their marriages strong Rabbi Carl M Perkins A welcome addition to the field of literature on contemporary marriage The style is clear concise sensitive and occasionally personal Her personal additions add warmth emotional consciousness and greater insight into what makes individuals and couples happy in their relationships This book has value for the many audiences interested in relational theory that want to approach relationships from a realistic and positive perspective Nancy Williford Clinical Social Work Journal In The Good Marriage Wallerstein's new study of 50 married couples offers affirmation that the process of marriage itself presents a vehicle for transformation A best selling author Wallerstein employs a thoughtful nonaggressive style that appeals to the general public Wallerstein has performed an invaluable service in The Good Marriage Elizabeth M Tully M D Journal of Academy of Child and Adolescent Psychiatry Solid impressive Those interested in social policy should be pleased that so well respected a liberal academic as Ms Wallerstein has written a book that celebrates marriage and points the way toward restructuring it Wall Street Journal With extraordinary skill and compassion Wallerstein and Blakeslee take us inside the lives of fifty American couples and find that a good marriage still provides the best framework for enduring love and intimacy Sylvia Ann Hewlett A very appealing book clearly written and clearly thought out Library Journal Wallerstein's major contribution is not about how and why love lasts but about how and why love develops It is in such a context less idyllic but more realistic that the book will prove to be a lasting contribution Readings A Journal of Reviews and Commentary in Mental Health Living Longer and Reversing Aging Jairo A. Puentes M.D., Clara I. Puentes, 2018-10-29 The fountain of youth is closer than you think but finding it requires discipline Jairo A Puentes MD teams up with his wife Clara I Puentes to share a blueprint to looking and feeling younger in this guide to revitalizing health Using the acronym DRESS SS they focus on seven key areas diet rest exercise stress management sleep sexuality and spirituality The authors highlight recent research that reveals how to select proper nutrients and supplements for better health as well as how to fix hormonal imbalances that occur as we age Using vitamins supplements and herbs as part of complementary medicine you'll be able to reverse the aging process and live a longer and happier life The book also explores the effect of free radicals on DNA as a leading cause in the development of cancer as well as how doctors and health practitioners can help patients improve their quality of life In a genre crowded with often contradictory and confusing advice Living Longer and Reversing Aging is a comprehensive guide to health and longevity **Beyond the Vows** Trina Montreuil Brown, 2017-02-09 What happens when you finally marry the man you fell head over heels with and soon discover that he has been unfaithful not once but twice and still striving to overcome After experiencing such devastation you are soon bombarded with questions like Is my fairy tale wedding over Did I not hear the

voice of God clearly Did I use this method of marriage as a defense to comfort my fears and doubts or did I marry the wrong man For surely the man whom I love and who loves me will never bring harm to me Every marriage is unique and designed with a specific purpose and plan Despite religion race or creed marriages can sometimes be uncertain Where there are couples that enter into this union strictly for love others may come together under different circumstances And when you are genuinely in love despite any offense you cannot just turn the switch on and off because love is everlasting With this element both individuals can conquer the world even the sin of adultery With the brutal pains and agony of adultery everyone has a breaking point Oh how I wished I could have turned back the hands of time Had I known how destructive this spirit was I could have planned and prepared for it but one can never predict life to be sweet without the bitterness of war But it wasn't until I married my husband that I found that he was not my enemy and this spirit was indeed an intruder Did I run and hide No I pulled up my sleeves like an old fashioned woman would and joined him in this battle From start to finish we have invested in this marriage and built this relationship on a sacred foundation Why would I just hand my marriage over The modern woman's evolution is to pack her belongings and don't look back She is strong and independent but I am that kind of woman who has embraced the stamina to stay and who is willing to go beyond the vows **Любовь на всю жизнь**
