## **The Apple Cart:**

**The Apple Cart** George Bernard Shaw, 2024-04-17 The Apple Cart is a satirical play written by George Bernard Shaw first performed in 1929 It presents a humorous and critical look at politics power and the role of monarchy in society Set in a fictional country called England in the Future the play revolves around King Magnus a progressive and charismatic monarch who seeks to modernize and democratize the monarchy However his plans are met with opposition from his Prime Minister the aristocracy and other members of the establishment who fear losing their privileges The central conflict arises when King Magnus decides to marry a commoner the beautiful and intelligent Orinthia against the wishes of his advisors This decision triggers a political crisis with various factions plotting to undermine the king's authority and maintain the status quo

*THE APPLE CART* Bernard Shaw, 1974      **The Apple Cart, Too True to Be Good, on the Rocks, and Millionairess** Bernard Shaw, 2021 The four dramas in this volume are some of George Bernard Shaw's most interesting plays They stretch from 1929 to 1935 and coincide with the Great Depression the intensification of the crisis of democracy that began after the war and the rise of totalitarianism all of which find expression in these plays They also signal the beginning of an important new phase in Shaw's writing one marked especially by the development of two new Shaw genres the political extravaganza and the political allegory The Apple Cart 1929 marked Shaw's return to playwriting after the long hiatus that followed Saint Joan 1923 The Apple Cart is perhaps the most pointed critique of parliamentary democracy in the entire Shawian canon Too True to Be Good 1931 is another political extravaganza with the opening stage direction The patient is sleeping heavily Near her in the easy chair sits a Monster signaling that Shaw is advancing further into uncharted dramaturgical territory He began writing shortly before his trip to the Soviet Union and finished the play and wrote the preface after his return In the preface Shaw asserts that the USSR is a new Catholic church The dark mood continues in Shaw's next play On the Rocks 1933 which Shaw subtitled a political comedy It is reminiscent of The Apple Cart in that it is sharply focused on British politics and set in the Cabinet Room at 10 Downing Street during the economic depression of the 1930s Shaw started writing The Millionairess in 1934 and finished it in 1935 On the surface it is a simple comedy and if not for the preface we might acquiesce to Shaw's assessment that the play does not pretend to be anything more than a comedy of humorous and curious contemporary characters such as Ben Jonson might write Yet the preface appended to the play is entirely about leadership and declaims at great length on Mussolini and Hitler

**The Apple Cart** George Bernard Shaw, 2018-03-09 *The Apple Cart* A Political Extravaganza is a 1928 play by George Bernard Shaw It is a satirical comedy about several political philosophies which are expounded by the characters often in lengthy monologues The plot follows the fictional English King Magnus as he spars with and ultimately outwits Prime Minister Proteus and his cabinet who seek to strip the monarchy of its remaining political influence Magnus opposes the corporation Breakages Limited which controls politicians and impedes technical progress Shaw s preface describes the play as a comedy in which a King defeats an attempt by his popularly elected Prime Minister to deprive him of the right to influence public opinion through the press and the platform in short to reduce him to a cipher The King s reply is that rather than be a cipher he will abandon his throne and take his obviously very rosy chance of becoming a popularly elected Prime Minister himself

Early American Proverbs and Proverbial Phrases Bartlett Jere Whiting, 1977 p B J Whiting savors proverbial expressions and has devoted much of his lifetime to studying and collecting them no one knows more about British and American proverbs than he The present volume based upon writings in British North America from the earliest settlements to approximately 1820 complements his and Archer Taylor s *Dictionary of American Proverbs and Proverbial Phrases* 1820 1880 It differs from that work and from other standard collections however in that its sources are primarily not literary but instead workaday writings letters diaries histories travel books political pamphlets and the like The authors represent a wide cross section of the populace from scholars and statesmen to farmers shopkeepers sailors and hunters Mr Whiting has combed all the obvious sources and hundreds of out of the way publications of local journals and historical

societies This body of material because it covers territory that has not been extracted and compiled in a scholarly way before can justly be said to be the most valuable of all those that Whiting has brought together according to Albert B Friedman What makes the work important is Whiting s authority a proverb or proverbial phrase is what BJW thinks is a proverb or proverbial phrase There is no objective operative definition of any value no divining rod his tact feel experience determine what s the real thing and what is spurious

An office in the royal palace Two writing tables face each other from opposite sides of the room leaving plenty of room between them Each table has a chair by it for visitors The door is in the middle of the farthest wall The clock shews that it is a little past 11 and the light is that of a fine summer morning Sempronius smart and still presentably young shews his right profile as he sits at one of the tables opening the King s letters Pamphilius middle aged shews his left as he leans back in his chair at the other table with a pile of the morning papers at his elbow reading one of them This goes on silently for some time Then Pamphilius putting down his paper looks at Sempronius for a moment before speaking PAMPHILIUS What was your father SEMPRONIUS startled Eh PAMPHILIUS What was your father SEMPRONIUS My father PAMPHILIUS Yes What was he SEMPRONIUS A Ritualist PAMPHILIUS I dont mean his religion I mean his profession And his politics SEMPRONIUS He was a Ritualist by profession a Ritualist in politics a Ritualist in religion a raging emotional Die Hard Ritualist right down to his boots PAMPHILIUS Do you mean that he was a parson SEMPRONIUS Not at all He was a sort of spectacular artist He got up pageants and Lord Mayors Shows and military tattoos and big public ceremonies and things like that He arranged the last two coronations That was how I got my job here in the palace All our royal people knew him quite well he was behind the scenes with them PAMPHILIUS Behind the scenes and yet believed they were all real SEMPRONIUS Yes Believed in them with all his soul PAMPHILIUS Although he manufactured them himself SEMPRONIUS Certainly Do you suppose a baker cannot believe sincerely in the sacrifice of the Mass or in holy communion because he has baked the consecrated wafer himself PAMPHILIUS I never thought of that SEMPRONIUS My father might have made millions in the theatres and film studios But he refused to touch them because the things they represented hadnt really happened He didnt mind doing the christening of Queen Elizabeth in Shakespear s Henry the Eighth because that had really happened It was a celebration of royalty But not anything romantic not though they offered him thousands PAMPHILIUS Did you ever ask him what he really thought about it all But of course you didnt one cant ask one s father anything about himself
