Searle, 2014-04-16 This book provides a comprehensive description of how evangelicals in Northern Ireland interpreted the Troubles 1966-2007 in the light of how they read the Bible The rich and diverse landscape of Northern Irish evangelicalism during the Troubles is ideally suited to this study of both the light and dark sides of apocalyptic eschatology Searle demonstrates how the notion of apocalypse shaped evangelical and fundamentalist interpretations of the turbulent events that characterized this dark yet fascinating period in the history of Northern Ireland The book uses this case study to offer a timely reflection on some of the most pressing issues in contemporary negotiations between culture and religion Given the current resurgence of religious fundamentalism in the wake of 9/11 together with popular conceptions of a clash of civilizations and the so-called War on Terror this book is not only an engaging academic study it also resonates with some of the defining cultural issues of our time **Jihadist Preachers of the End Times** Bronislav Ostransky, 2019-08-28 Focusing on apocalyptic manifestations found in ISIS propaganda this book situates the group's agenda in the broader framework of contemporary Muslim thought and explains key topics in millennial thinking within the spiritual context of modern Islamic apocalypticism Based on the group's primary sources as well as medieval Muslim apocalyptic literature and its modern interpretations the book analyses the ways ISIS presents its message concerning the Last Days as a meaningful inventive and frightening expression of collectively shared expectations relating to the supposedly approaching the End Times

Ahmad Alawi s Sharoh Kitaab al Qabasaat      *Women's Rights after the Arab Spring* Laura Guercio,2019-09-12 When protests erupted across the Middle East and North Africa MENA in 2011 the general view was that these events would bring forward the regeneration of democracy They were also meant to represent the Spring of women s fight for freedom and equality As time passed it became clear that the process of social and political changes necessary to tackle female issues would be a long one The Thahiris and their equivalents did not prevail and in the absence or weakness of political institutions Islamic parties emerged The urgent issue then became how to reconcile the demands of women with the Islamic character of the new political establishments This book discusses this issue through the analysis of the socio political meanings of the constitutional reforms after the 2011 Arab Spring It is inspired by the testimony of local women from the MENA area who can be the makers of real social change      **Three Perspectives** Steven H. Propp,2009-12 You re Jewish aren t you This blunt question is the way that college freshman Richard Cohn is introduced to an outspoken fellow student named Dov Epstein who calls himself a Messianic Jew and believes that God has a special purpose for the Jewish people in these Last Days Raised by secular Jewish parents Richard is completely oblivious to his own Jewish background until this ongoing dialogue forces him to confront his own heritage The two young men vigorously argue with each other over the interpretation of the Hebrew Bible particularly its reputed predictions of a Messiah Christian doctrines such as the Trinity and most significantly about the identity and significance of Jesus of Nazareth The rigorous process of self examination this initiates leads Richard to embrace his Jewish identity even as he vehemently denies the same for Dov The two ultimately become fast friends but as they progress from an academic environment to the professional world they are challenged by racist statements made by prominent national figures anti Semitic doctrines such as Christian Identity which teaches that white Anglo Saxons are the true Israel and also purported scholars who deny the reality of the Holocaust itself Circumstances in life connect them with a young Iranian migr named Jahangir Khatami whose Muslim beliefs conflict strongly with their own Yet when a violent incident brings the three of them together they are forced to reexamine not just their differences but their similarities While they clash over the ideals of Zionism and its ramifications in the modern State of Israel they are united in their horror over the terrorist attacks of September 11 2001 Join a diverse cast of characters some of whom appeared in the author s earlier book *Beyond Heaven and Earth* in a probing exploration that may help you reconsider just what it means to be Jewish Christian or Muslim in the modern world      To whom the majesty of kingship has not been conferred Samuel Tuominen,2022-05-31 How did Sir Isaac Newton the most important figure of the Scientific Revolution believe in literal fulfillment of the biblical prophecies on the end times What did he say about the foretold Antichrist What Paul really taught in 2 Thessalonians 2 3 on the revelation of the man of lawlessness Will Rapture precede that or vice versa How and why did Princess Diana think that her husband Charles the Prince of Wales was a murderer How and why did she think that there was a conspiracy against her and that he would murder also her in a staged car accident How does this relate to the biblical

prophecies on the foretold Antichrist Why so many students of the Bible prophecy have taught since the early 1980s that Prince Charles could be actually the foretold Antichrist To many of us he seems superficially the most unlikely candidate for this role But is he in fact the most likely candidate based on the number of biblical prophecies on that man what Charles can fulfill more literally than any other presumed Antichrist candidate How there is hardly any biblical prophecy on that man s foretold attributes that Charles cannot already fulfill one way or another How has he taken lately a more prominent and visible political role Why Joe Biden and many other world leaders follow the post pandemic agenda called Build Back Better that Prince Charles launched in January 2020 at Davos together with the founder of World Economic Forum Klaus Schwab Why does its expert Justin Haskins think it represents the most significant threat to capitalism and individual liberty in more than a half century Why Prince Charles has been compared already with such bloodthirsty tyrants as Pol Pot like Michael Rubin did in his op ed in the Washington Examiner an American conservative news website and weekly magazine How Charles himself likes to compare himself with the cruel tyrants of the past centuries like Henry VIII How the Book of Daniel foretold the whole world history of the last twenty five centuries How it relates to Prince Charles Did Daniel see the history of the British Empire and its monarchy Did he see something epoch making to happen in 2023 What about the mysterious relic of the Middle Ages called True Cross And so much more in this book that one reader characterized as revolutionary
