The Arsonist

Mary McMurran, John Edward Hodge

The Arsonist:

The Arsonist Sue Miller, 2014-01-01 Fleeing the end of an affair and troubled by the feeling that she belongs nowhere after working in East Africa for fifteen years Frankie Rowley comes home to the small New Hampshire town of Pomeroy and the farmhouse where her family has always summered On her first night back a house up the road burns to the ground Is it an accident Over the weeks that follow as Frankie comes to recognise her father's slow failing and her mother's desperation and she tentatively gets to know the new owner of the local newspaper another house burns and then another These frightening events open the deep social fault lines in the town and raise questions about how and where one ought to live and what it really means to lead a fulfilling life

The Arsonist Stephanie Oakes (Young adult author), 2017 Molly Mavity and Pepper Yusef are dealing with their own personal tragedies when they are tasked by an anonymous person with solving the decades old murder of Ava Dryman an East German teenager whose diary was published after her death *The Arsonist's Song Has Nothing to Do With Fire* Allison Titus, 2014-07-22 The Doctor was looking for the blueprint Drawer after drawer he lumbered his way around the office a map of the ribcage in his head Last night he'd dreamed the wings again and the dream gave him an idea More of the rib dismantled would make the wing frame more flexible In *The Arsonist's Song Has Nothing to Do with Fire* Vivian Foster connects with an arsonist and a radical plastic surgeon whose mission is to build human wings Allison Titus is the author of a book of poems *Sum of Every Lost Ship* and the recipient of a fellowship from the NEA This is her first novel

The Arsonist Chloe Hooper, 2020-09-29 The true story of one of the most devastating wildfires in Australian history and the search for the man who started it On the scorching February day in 2009 a man lit two fires in the Australian state of Victoria then sat on the roof of his house to watch the inferno What came to be known as the Black Saturday bushfires killed 173 people and injured hundreds more making them among the deadliest and most destructive wildfires in Australian history As communities reeling from unspeakable loss demanded answers detectives scrambled to piece together what really happened They soon began to suspect the fires had been deliverately set by an arsonist *The Arsonist* takes readers on the hunt for this man and inside the puzzle of his mind But this book is also the story of fire in the Anthropocene The command of fire has defined and sustained us as a species and now as climate change normalizes devastating wildfires worldwide we must contend with the forces of inequality and desperate yearning for power that can lead to such destruction Written with Chloe Hooper's trademark lyric detail and nuance *The Arsonist* is a reminder that in the age of fire all of us are gatekeepers
